

Received at CPC Hearing 10/26/17
E. Jackson

October 26, 2017

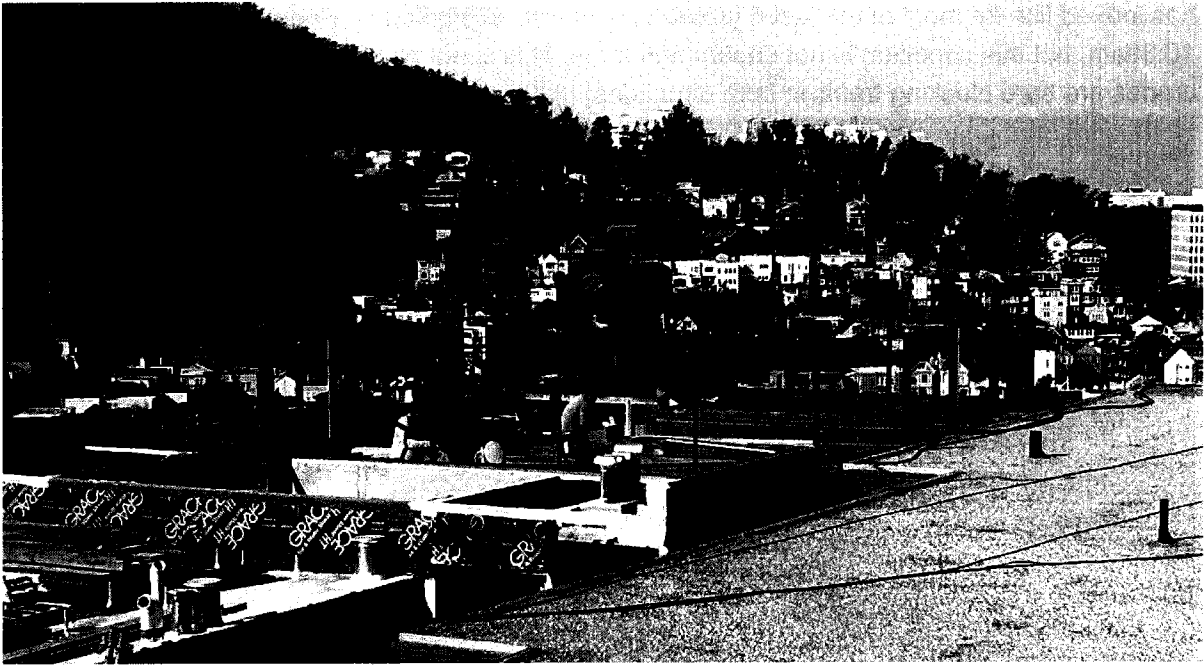

Dear Commissioners Hillis, Richards, Fong, Johnson, Koppel, Melgar, and Moore,

I am writing this letter to express my opposition to two elements of the proposed construction at 379 Upper Terrace. In particular I am opposed to the proposed addition of a unit and the proposed addition of a roof deck and rooftop pop-out. More generally, I am opposed to yet another major construction project directly across the street from the rent-controlled building I live in and just two doors down from another project that has been going on for nearly the entire 6 years that I have been a resident at 400 Upper Terrace. The loss to quality of life caused by this awful project cannot be understated. Here is what a typical day on Upper Terrace has looked like for most of the last 6 years. This image was taken on Friday October 13th at 10:30am, but this condition is not uncommon at all. This is not as bad as the days when the cranes are here blocking traffic in both directions.

Every single day there are multiple construction vehicles parked illegally and blocking garages. It is tough to be a commuter trying to get to work in the morning and you need to go to the construction site and first figure out whose truck is blocking you in. In the image above you'll see the trash collector parked on the sidewalk trying to get by. My wife Andrea walks our

five-year old daughter to school each morning. Think about the dangerous path she must take with two toddlers just to get by. The construction site spits off large amounts of dust that make it impossible to keep our windows clean. The noise made by the trucks and construction tools every day is also really disruptive, especially when my two-year old is trying to nap. Without exaggerating, this condition has been going on for years. First a roof was replaced, then the house was sold and the real construction began, including tearing off the new roof again in order to install a roof deck. Mind you this single-family home already had balconies on at three levels. Adding a roof deck is really insulting as it removes sight lines from the rent controlled apartments here at 400 Upper Terrace. I guess adding a fourth outdoor space for this one home was more important than the views of 21 rent-controlled apartments (not to mention impact to neighboring buildings). Here is the deck I am talking about, photographed from my apartment.

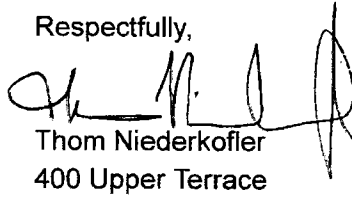

Back to the development at 379 Upper Terrace specifically, we are once again talking about a structure with I believe two existing balconies. The new construction if I'm not mistaken adds at least one more balcony, and then to top it off another roof deck. The nice views of Golden Gate park and the Ocean which our residents and I now enjoy will be replaced with a glass-encased roof deck and whatever furniture is placed on the deck. One more point on the roof decks - Mount Olympus is one of the windiest places in San Francisco. I'd be shocked if the roof decks get more than 5-10 days of use per year. And on those nicest of days when the deck is in use, I will not be looking at the views but instead looking at the people on the deck enjoying the view I once enjoyed. And in exchange for that (and apparently because the multiple other balconies are not enough outdoor space), our rent-controlled residents lose a good portion of their views.

My second specific objection to this project is the addition of even more units. This neighborhood is incredibly crowded as it is, with street parking generally unavailable in the evenings after 5pm. This project adds at least one more unit without offsetting gains in parking. This is going to be a problem.

In summary, I am very disheartened about the prospect of yet another major construction project next door while another is still ongoing and has been for many years. The noise nuisance and loss of available parking as well as safety concerns caused by all these construction vehicles has been a major disruption to my family's life. Second, I object to another rooftop deck on a building that already has multiple balconies. I know a view is not my right but you have to weigh the need for multiple outdoor areas for one home vs removing views for 21 rent-controlled apartments. Lastly, the addition of another unit in a neighborhood that already lacks parking is a recipe for disaster.

Respectfully,

The image shows a handwritten signature in black ink. The signature is cursive and appears to read 'Thom Niederkofler'. It is positioned above the typed name and address.

Thom Niederkofler
400 Upper Terrace

PS. Please read the follow-up on the following page.

I requested the day off from work to attend today's hearing, but was not able to get the time off from work. That is probably the same circumstance as many of the low-income residents in our rent-controlled building. Holding this type of hearing middle of a weekday makes it very difficult for those impacted by the construction to have their voice heard, and much easier for the wealthier property owners who can take time off from work or are self-employed to have their voice heard.

I was able to speak to one of the owners seeking a variance for this construction, Dan Slaughter, yesterday. I have a personal relationship with Dan because he has asked several times to host community meetings in our building's recreation room, and we have always accommodated his requests. Here is the view today from the window of that shared recreation room:

As you can see, the current ocean view enjoyed by all residents in the 21 apartments in our rent-controlled building will now be obstructed by the roof deck, pop-up, and any furniture or people on the deck. I respectfully ask the Planning Commission to not grant a variance for the construction of the roof deck. Remember, the structure at 379 Upper Terrace already has two balconies, and this project will add at least one more so there is a balcony on every habitable floor of the structure. Please don't approve an additional outdoor space at the expense of the rent-controlled apartments across the street. It is just not necessary. And as Mr. Slaughter told me in person yesterday, the roof deck is the least important to him of the requests in his conditional use authorization and variance request.

And before approving yet another incredibly disruptive construction site before the previous one is completed, can't we just delay this project by a year to let the dust settle from the existing construction?

a California non-profit mutual benefit corporation**

Effective Date: October 3, 2016

The undersigned, being all the members of the Board of Directors of Connected Patient Services, a California non-profit mutual benefit corporation ("Corporation"), acting pursuant to the authority granted by the California Corporations Code and the Corporation's Bylaws, hereby provide unanimous written consent to adopt the resolutions set forth hereinbelow.

This action by unanimous written consent of the members of the Board of Directors is in lieu of a meeting thereof. The resolutions set forth herein shall have the same force and effect as if they were adopted as such a meeting.

WHEREAS, the Corporation has submitted an application to the City of San Francisco to receive permits to operate medical cannabis dispensaries at 2400 Bayshore Boulevard and 5 Leland Avenue, both of which would be located in the Visitation Valley community (collectively, the "Application").

WHEREAS, the Corporation recognizes the importance of social responsibility and investment in its local communities.

It is RESOLVED, if the Application is approved, the Corporation hereby commits to providing Fifty-One Thousand Dollars (\$51,000.00) per year for a period of five (5) years to local non-profit organizations which provide services to the residents of Visitation Valley (the "Local Philanthropy Fund").

It is RESOLVED FURTHER, if the Application is approved, the Corporation shall create a community advisory board comprised of members of the Visitation Valley community to identify and make recommendations to the Corporation's Board of Directors' as to which local non-profit organizations would be qualified candidates to receive grants from the Local Philanthropy Fund.

IN WITNESS WHEREOF, the undersigned execute this action by unanimous written consent in lieu of a meeting as of the Effective Date. The resolutions herein shall be effective immediately as of the Effective Date.

Our Commitment to the Community

At Connected, we understand the importance of giving back to the community we serve.

If we are able to open Connected SF, the proposed medical cannabis dispensary at 2400 Bayshore and 5 Leland Ave, we pledge:

To give \$51,000 annually for five years for a grand total of \$255,000 to provide services for Visitation Valley residents.

We will create an inclusive community advisory board to guide our philanthropic efforts. We want all of the community groups in Visitation Valley to benefit from our project.

We will have a dedicated community liaison to ensure the people of Visitation Valley always have a direct line of communication to voice comments or concerns.

We will strive to build partnership with local groups and become a trusted member of the community.

Sincerely,

A handwritten signature in black ink, appearing to read 'Quentin Platt', with a long horizontal flourish extending to the right.

Sacramento, CA 95814-2604

June 21, 2017

To whom it may concern at the San Francisco Planning Department,

Luke Coleman and Caleb Counts are the operator of a legal medical cannabis dispensary in Sacramento. During their time in Sacramento Caleb and Luke have been an outstanding operators. The dispensary they operate in Sacramento is a model for other dispensaries in Sacramento and California to follow. I have found them to be responsible and responsive business owners who understand the industry and the community in which they operate.

Additionally, Mr. Counts has been a partner in helping to educate City officials and staff on the realities of the cannabis industry, the nature of the business and the industry's needs as they consider regulations. In the past Mr. Counts and Mr. Coleman have been understanding of the public's concerns and reservations about cannabis and have worked diligently to be a good neighbor and member of their community.

Sacramento is home to thirty licensed dispensaries and they operate one of the best.

Sincerely,

Joe Devlin
Chief of Cannabis Policy & Enforcement

11am-9:30pm

To whom it may concern,

I'm writing this letter as I am the business owner of El Pollo Supremo of over 35 years. We have been at this location 5210 Mission st for almost 24 years now. We pride ourselves in working with our other local businesses and patrons to figure out ways to improve our community. Working together is very importance to us since we have been here for over two decades now and plan to be here for many more.

The owners of Cookies (our neighbor Dispensaries) have been working closely with us to improve the dynamics of the community by hiring well trained professionals/Security to help navigate their patients to find parking in the neighborhood and preventing them from parking in our lot, since that is one of the major issues that affected our business in a very negative way. We need parking strictly for our customers and they have been more than helpful and have been in communications with us to help us work better together. Since meeting with them it's been a pleasure to work together. I hope to be in sync so we can all work in harmony.

Cookies have also gone to great lengths to hire a gentleman to keep the sidewalks clean, free of debris as well as helping maintain our parking lot.

However, Mission Organics a few doors down from Cookies have been nothing but, problematic. They have no interest or desire to work together with us or with Cookies. They have patients that park in our lot and do nothing about it. They have the worst attitude and I have found it almost impossible figure out a solution since they are not willing to work anything out with us or Cookies. They do absolutely nothing to improve the situation.

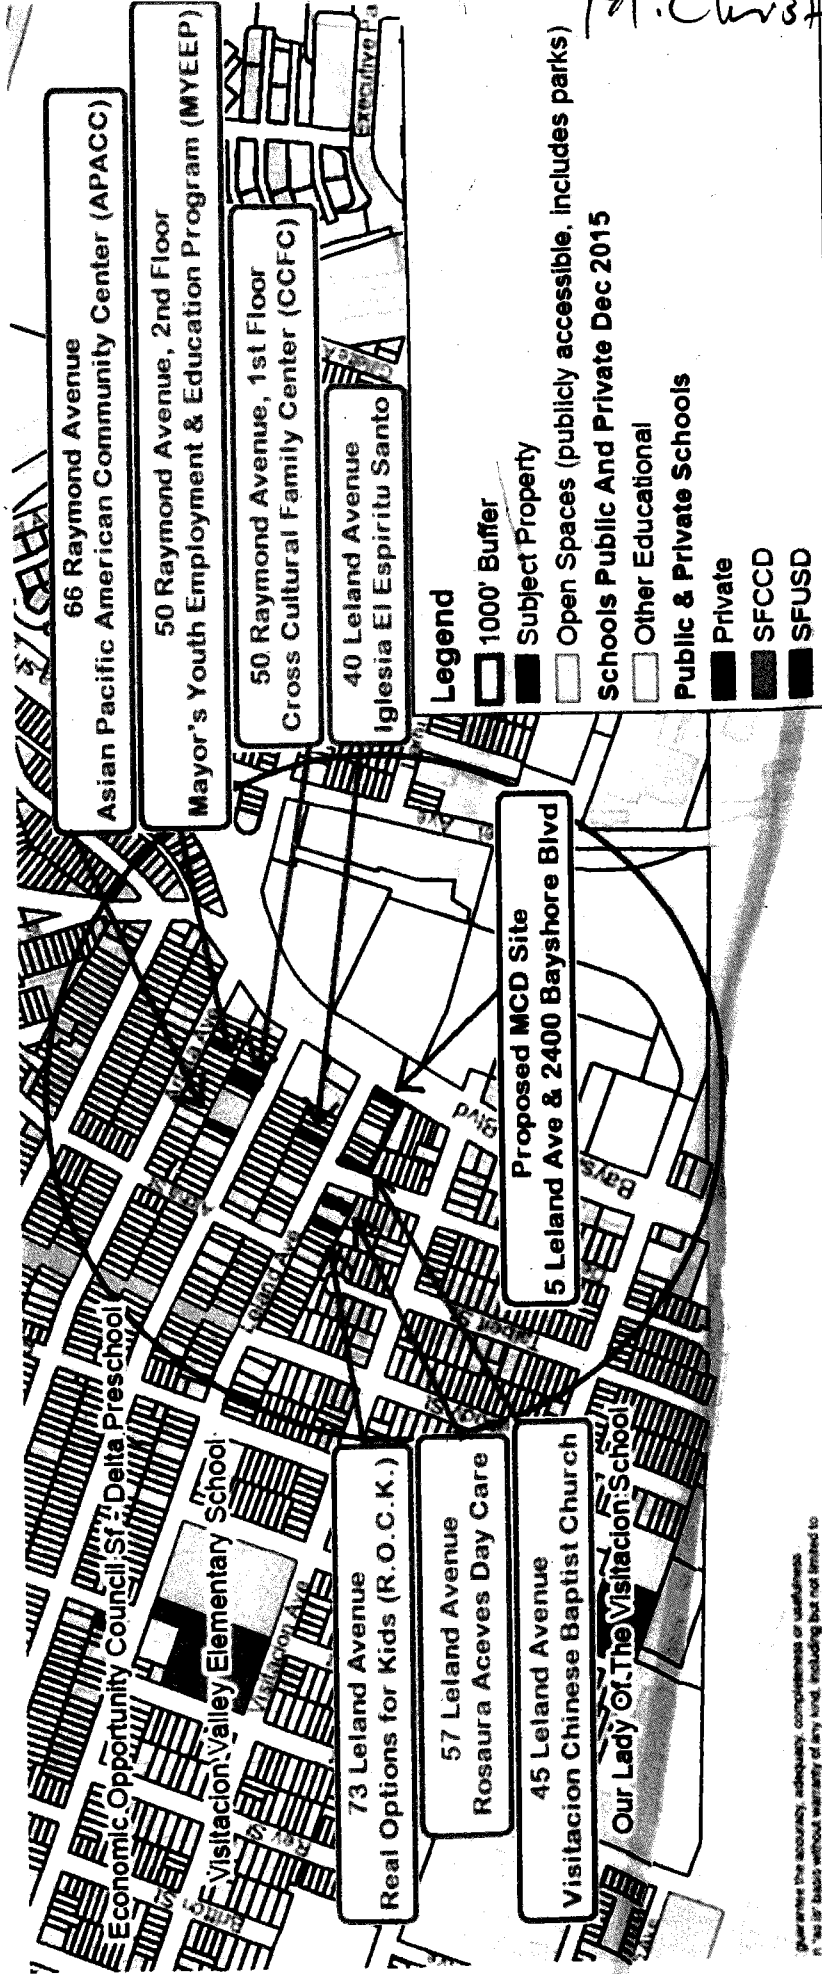

Kindly,

Raquel Alvarez/Owner of El Pollo Supremo

DECLARATION OF LESETTE GRAY

I, Lesette Gray,

1. I am the program coordinator for The Mayor's Youth Employment and Education Program ("MYEEP") for Visitacion Valley, San Francisco, CA. If called as a witness, I could and would testify truthfully to the facts stated within this Declaration.

2. I have been the MYEEP Coordinator for over 20 years for Visitacion Valley.

3. MYEEP is a collaborative of non-profit organizations that provide workforce development to youth in 11 neighborhoods in San Francisco.

4. The Visitacion Valley location, which is located at 50 Raymond, San Francisco, CA, provides both summer and fall programs to our youth.

5. The 50 Raymond location serves primarily people under 18 years of age. It does NOT have any senior or family program.

6. In Visitacion Valley, our fall/spring program starts in August. In our fall program, we have between 30 and 36 youth ages 14-15 from October to January each year. It provides extensive workshops at our Visitacion Valley location three times a week. After they complete the training, the youth attend weekly workshops at the 50 Raymond location.

7. We also have an academic mentoring program where the youth meet at our 50 Raymond location three to four times a week with their mentors to receive assistance with homework, upcoming exams and test preparations.

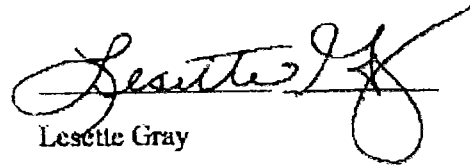

8. We start recruitment for our summer program in March. We have between 85-90 youth.

9. We also provide summer orientations and workshops for our youth to be prepared for their summer work experience in our neighborhood at the 50 Raymond location.

Authorized Representative of Licensing Agency

POST IN A PROMINENT PLACE

Received at CPC Hearing 10/26/17
M. Christensen

The bold text are my suggestion for 5 Leland/ 2400 Bayshore:

#1 Condition of Approval: Deny the storefront merger. Effectively reducing the footprint of the Project Sponsor's proposal from by half. When the project was initially noticed to the community, the Project included a restaurant that was designed to be a adjacent but separate NON MCD business.

2. Sidewalk Maintenance. The operator of the establishment shall maintain the main entrance and all sidewalks abutting the subject property in a clean condition. Such maintenance shall include, at minimum, daily sweeping and litter pickup and disposal and washing or steam/pressure cleaning of the main entrance and abutting sidewalks at least once every month.

3. Odor Control. The operator will maintain appropriate air cleaning or odor control equipment if necessary to prevent any significant noxious or offensive odors from escaping the premises. Odor control ducting shall not be applied to the primary façade of the building.

4. Garbage, Composting and Recycling Storage. Space for the collection and storage of garbage, composting, and recycling shall be provided within enclosed areas on the property and clearly labeled and illustrated on the building permit plans. Space for the collection and storage of recyclable and compostable materials that meets the size, location, accessibility and other standards specified by the San Francisco Recycling Program shall be provided at the ground level of the buildings. Garbage, recycling, and compost containers shall be kept within the premises and hidden from public view, and placed outside only when being serviced by the disposal company. Trash shall be contained and disposed of pursuant to garbage and recycling receptacles guidelines set forth by the Department of Public Works.

5. Notices Posted. Notices urging patrons to leave the establishment and neighborhood in a quiet, peaceful, and orderly fashion and to not litter, block driveways, **or double park in** the neighborhood, shall be well-lit and prominently displayed at all entrances to and exits from the establishment.

6. Community Liaison. Prior to issuance of a building permit to construct the project and implement the approved use, the Project Sponsor shall appoint a community liaison officer to deal with the issues of concern to **property owners, business owners,** and occupants of nearby properties. The Project Sponsor shall provide the Zoning Administrator **and community based organizations** with written notice of the name, business address, **email,** and telephone number of the community liaison. Should the contact information change, the Zoning Administrator shall be made aware of such change. The community liaison shall report to the Zoning Administrator what issues, if any, are of concern to the community and what issues have not been resolved by the Project Sponsor.

7. The proposed MCD would operate with hours daily between 9am-7pm. Closing earlier than the permitted 10pm, out of courtesy for neighbors. Same as 2442 Bayshore

8. The operator will maintain full-time security, including two security guards at all times during operations, interior and exterior video cameras, motion detectors, alarms, and panic buttons monitored 24/7. Same as 2442 Bayshore

9. The Project Sponsor has verbally made specific financial commitments in the sum of \$50,000 annually to the Visitacion Valley community. This contribution should be codified as a conditional of approval. An annual report will be submitted to the Planning Department and community based organizations.

10. The operator will focus hiring on Visitacion Valley residents, to include approximately 50% of the full-time and part-time employees. Almost the Same as 2442 Bayshore

We the Portola Residents are filling a Petition to stop the opening and the sale of Medical Cannabis Dispensary on 3015 San Bruno Avenue. We believe this store will have a negative effect on neighboring businesses and also will increase the crime in the entire neighborhood. We are definitely against it.

We the Portola Community Residents are filing a petition to stop, the opening and the sale of Medical Cannabis Dispensary on 3015 San Bruno Avenue. We believe this store will have a negative effect on neighboring businesses and also will increase the crime in entire neighborhood. We are definitely against it.

Notes: Please provide a phone number or email address for action alerts.

All petition information will be kept private and confidential.

**TO HONORABLE SUPERVISERS
DISTRICT 9 HILLARY ROWNEN
DISTRICT 10 MALIA COHEN**

We the Portola Community Residents are filing a petition to stop, the opening and the sale of Medical Cannabis Dispensary on 3015 San Bruno Avenue. We believe this store will have a negative effect on neighboring businesses and also will increase the crime in entire neighborhood. We are definitely against it.

Notes: Please provide a phone number or email address for action alerts.

All petition information will be kept private and confidential.

**TO HONORABLE SUPERVISORS
DISTRICT 9 HILLARY ROWNEN
DISTRICT 10 MALIA COHEN**

We the Portola Community Residents are filing a petition to stop, the opening and the sale of Medical Cannabis Dispensary on 3015 San Bruno Avenue. We believe this store will have a negative effect on neighboring businesses and also will increase the crime in entire neighborhood. We are definitely against it.

Notes: Please provide a phone number or email address for action alerts.

All petition information will be kept private and confidential.

請填寫姓名、地址以示反对，并提供聯繫方式，以便有新進展時可迅速通知你。
