BACKGROUND

On Thursday, February 5, 2015, at a regularly scheduled meeting, the Planning Commission created a Rules Committee to review proposed amendments and reach consensus for a recommendation to the Planning Commission. President Fong appointed Commissioners Johnson, Moore and Richards to the Committee.

On Thursday, February 12, 2015, the Rules Committee held its first meeting and considered potential amendments.

On Thursday, March 12, 2015, the Rules Committee held a second meeting and considered potential amendments.

On Thursday, April 2, 2015, the Rules Committee held a third meeting and presented five items for consideration: (1) Action Item List; (2) Election Process for Officers; (3) Director Performance Evaluation; (4) Commission Secretary Position; and (5) Standing Committees.

On Thursday, April 23, 2015, the Rules Committee held a fourth meeting. The Committee voted to forward the Order of Speakers; Action Items; Election Process, Director's Performance Evaluation to the Planning Commission. The Committee voted to NOT forward the Standing Committee topic; and to table Hearing Submittal Guidelines along with the Commission Secretary Position topics, for additional deliberation on May 14, 2015.

On Thursday, May 14, 2015, the Rules Committee held a fifth and final meeting and voted to forward recommendations to amend the Rules & Regulations to the Planning Commission.

CURRENT PROPOSAL

The original proposed amendments included: a "Hearing Submittal Guidelines" document and the Order of Speakers. Subsequently, five additional amendments were proposed.

1. *Hearing Submittal Guidelines* – the current Rules & Regulations establishes when advance submittals to the Planning Commission must be provided to the Department. The

Executive Summary
Hearing Date: June 4, 2015

amendment would modify the language under Submittals (Appendix A, Submittals and Hearing Procedures: Subsection A.), to refer to a new “Hearing Submittals Guidelines” document. This document would be different and distinct from the existing Plan Submittal Guidelines added as a part of the previous amendment, and would be managed administratively.

The proposed Hearing Submittal Guidelines would serve as a guide for staff and the public as to when, how, how many copies and in what format the Department needs to accommodate its current and future procedures.

This would not modify the current deadlines for any submittal to become part of the Commission Packet.

On May 14, 2015, the Committee voted to forward this proposal without further comment, by a vote of 3 -0.

2. *Order of Speakers* – the current Rules & Regulations stipulate that proponents speak first and opponents speak second. The amendment would eliminate the prescribed order of speakers for Cases (Appendix A, Subsection D. III., Hearing Procedures), recognizing the current Commission practice.

On April 23, 2015, the Committee voted to forward this proposal to the Commission with a recommendation to adopt, by a vote of 3 -0.

3. *Action Item List* – the Committee considered ways items on the List could best be addressed. The recommendation to the Commission would add the Action Item List as an item for discussion on the Agenda, quarterly or as often as needed.

The Commission would be able to prioritize the list and direct the Department’s response in the appropriate format.

On April 23, 2015, the Committee voted to forward this proposal to the Commission, by a vote of 2 -0 (Johnson absent).

4. *Election Process* – the Committee recognized the need for additional direction in the Rules & Regulations for the election of Commission Officers’ in order to guide the process. The City Attorney’s Good Government Guide suggests the most frequently used process in Roberts’ Rules of Order. “First, the presiding officer takes public comment on the agenda item. Then the presiding officer requests nominations for the office from the members of the body. No second is required under Roberts’ Rules of Order. When no additional nominations are offered, the presiding officer closes the

nomination. The commission then votes on the nomination in the order they were received. The first candidate to receive a majority of the votes is elected to the office.”

Commissions may not vote by secret ballot. All votes, other than those permitted in a closed session, must be conducted publicly.

The Committee also suggested to include a note, recognizing the practice of alternating President and Vice President between Mayoral and Board appointees.

On April 23, 2015, the Committee voted to forward this proposal to the Commission, by a vote of 2 -0 (Johnson absent).

5. *Director’s Performance Evaluation* – the Committee recognized that only Commission Officers evaluate the Director’s performance. A closed hearing session is suggested to allow all Commissioners to be a part of the evaluation process. Personnel issues are appropriately considered by the Commission in a closed session.

On April 23, 2015, the Committee voted to forward this proposal to the Commission, by a vote of 2 -0 (Johnson absent).

6. *Commission Secretary Position* – the Committee expressed an interest to revisit the Commission Secretary duties and responsibilities.

This item was tabled for further discussion. The Committee members recognized that the Commission Secretary’s job description was not under their purview and any amendment would require a joint committee of the Planning Commission and Historic Preservation Commission, as well as, review by the Department of Human Resources.

7. *Standing Committees* – the Committee discussed if there was a need for standing committees, or whether the existing ad hoc method was appropriate. The current Rules & Regulations under Article III – Duties of Officers, Section 1, President states: “The President shall preside at all meetings of the Commission, **shall appoint all Committees and their Chairs**, and shall perform all other duties necessary or incidental to the office.” (emphasis added)

The Committee members agreed that this language was sufficient and that there is no current need for a standing committee.

On April 23, 2015, the Committee voted to NOT forward this proposal to the Commission, by a vote of 2 -0 (Johnson absent).

(If one is a Mayora appointee, the other position must be held by a member appointed by the President of the Board of Supervisors. It has been the practice of previous Commissions to alternate President and Vice President between Mayoral and Board appointees.)

Where there are five (5) Thursdays in a month, the fifth Thursday of the month shall be cancelled, unless otherwise adopted as part of the Hearing Schedule. All Regular Meetings of the San Francisco Planning Commission shall not start before 12:00 noon, unless otherwise noticed on the printed calendar at least 72 hours in advance of a scheduled hearing. The San Francisco Planning Commission does hereby designate Room 400 of City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California, as its regular meeting location unless otherwise noticed on the calendar at least 72 hours in advance of a scheduled hearing, or if the need arises because room capacity for Room 400 is anticipated to be exceeded. Provided that where matters of special concern to certain areas or districts of the city are to be considered, a Meeting place may be designated in the City and County within such areas or districts. The Commission Secretary will present to the Commission on or before the first Regular Meeting day of the year (or subsequent date as stipulated by the Commission) a list for consideration and indication of adoption by voice vote, the Commission's Hearing Schedule for the calendar year, including possible cancellation dates of Regular Meetings to accommodate various holidays throughout the year.

Section 3. **Notice.** Notice¹ of the time and place of every Regular Meeting of the Commission shall be given to members of the Commission at least 72 hours before the time of such Meeting, and shall be given by posting and otherwise, as required by San Francisco Administrative Code [Section 67.7](#) and California Government Code Section 54954.2. Notice of the time and place of every Special Meeting of the Commission shall be given to members of the Commission at least 72 hours before the time of such Meetings, and shall be given by posting and otherwise, as required by San Francisco Administrative Code Section 67.6(f) and California Government Code Section 54956. The Commission shall not consider nor act upon any matter at any Regular Meeting except upon (1) written notice thereof as required by this Section 3, or (2) a condition exists that requires emergency action as set forth in San Francisco Administrative Code Section 67.7(e) and California Government Code Section 54954.2(b). No matter shall be considered at any Special Meeting unless included in the Notice calling such meeting.

Section 4. **Cancellation or Change of Regular Meetings.** If the Regular Meeting day falls on a legal holiday, or if a recommendation is made by the Director that a Regular Meeting be cancelled or changed, the Commission or the President may cancel the Regular Meeting or fix another time therefor. Notice of cancellation or of a change in a Regular Meeting time must be given at least seventy-two hours before the scheduled time of such Meeting.

Section 5. **Quorum.** A quorum for the transaction of official business at any Regular or Special Meeting shall consist of a majority of all members of the Commission, but a smaller number may adjourn from time to time and may compel the attendance of absent members in the manner and subject to the penalties, if any, provided by law.

Section 6. **Voting.**

a. *Procedural Matters.* Pursuant to Charter [Section 4.104](#), with respect to matters of procedure the Commission may act by the affirmative vote of a majority of the members present, so long as the members present constitute a quorum.

b. Except as provided in "a" above, every Official Act taken by the Commission, including, but not limited to, those based on its jurisdiction derived from the Planning Code, Chapter 31 of the Administrative Code, the Subdivision Code and Discretionary Review Powers of the Commission, may be by "Motion" or "Resolution" adopted by a majority vote of all members of the Commission (four (4) votes). All members present shall vote for or against each question brought to a vote unless a member is excused from voting by a conflict of interest or a motion adopted by a majority of the members present.

A motion that receives less than four votes is a failed motion resulting in disapproval of the action requested to be taken by the Commission unless a substitute motion for a continuance or other action is adopted. (For example: a request for Conditional Use requires four votes to approve; failure to receive the four votes results in denial of the conditional use. A request for Discretionary Review requires four votes to take discretionary review and modify the project; failure to receive four votes results in approval

¹ The San Francisco Administrative Code, Chapter 67 "The San Francisco Sunshine Ordinance of 1999," Section 67.7 stipulates that policy bodies shall post an agenda containing a meaningful description of each item of business to be transacted or discussed at the meeting at least 72 hours before a regular meeting and that it shall post a current agenda on its Internet site at least 72 hours before a regular meeting. Therefore, the term "notice" shall refer to both written and electronic formats.

of the proposed project without modification. Planning Code [Section 302\(c\)](#) sets forth the requirements for Commission determinations regarding Planning Code amendments. Planning Code [Section 340\(d\)](#) sets forth the requirements for Commission determinations regarding General Plan amendments.)

A motion of intent occurs when the Commission passes a motion by a majority of all members of the Commission that is contrary to the preliminary recommendation of the Planning Department staff and the Commission does not have findings that support the intended action. Any Commissioner absent from participation in the motion of intent must be provided all relevant case material and hearing tapes for review prior to a scheduled hearing for consideration of the final motion.

c. Once the Commission holds the public hearing on a permit application, receives all public testimony and declares that it is ready to consider approval or disapproval of the application, the applicant shall not be permitted to withdraw the application, except with the consent of the Commission. In the event that the Commission passes any motion of intent to approve or disapprove a permit application before them, the applicant shall not be permitted to withdraw the application prior to the Commission's completion of their action with passage of a written "Motion" with findings or a resolution.

d. Once the Commission holds a public hearing on a matter before them, enters into deliberation and a motion for action is made and receives a second prior to the end of discussion, a request for "call the question" by any member other than the President or Chair would be addressed as follows: The request for "call the question" is considered a motion to halt discussion and must have a second to proceed. If the motion does not receive a second, the motion dies and discussion resumes on the matter on the floor prior to the motion to "call the question." If the motion receives a second then a vote must be taken immediately and passed by a majority of those present.

Section 7. Jurisdiction. Pursuant to Charter [Section 4.105](#), the Commission has the jurisdiction to approve prior to issuance "[all] permits and licenses dependent on, or affected by, the Planning Code administered by the Planning Department." Acting under this section, the Commission may at its discretion by a majority vote of the Commission (four votes), request staff to bring before it for review any such permit or license that has not yet been issued even if the application has been approved by the Commission or Department staff and forwarded to the Central Permit Bureau. The Commission loses jurisdiction upon either the City's issuance of the permit or license, or a valid appeal has been filed to an appellate body.

Section 8. Parliamentary Procedure. The rules of parliamentary practice, as set forth in Robert's Rules of Order, shall govern all meetings of the Commission except as otherwise provided herein.

Section 9. Order of Business. The order of business at any Regular Meeting may be as follows:

1. Roll Call
2. Consent Calendar

4. [Action Item List](#)
- 4.5. Department Matters
5. Public Comment – 15 Minutes

- ~~7.6.~~ Discretionary Review Calendar

Section 10. Public Comment. The item at each Regular Meeting shall provide an opportunity for members of the public to address the Commission on items of interest to the public that are within the subject matter jurisdiction of the Commission, but which are not on the posted agenda for that Meeting. When that item is reached, members of the public may address the Commission for up to three (3) minutes. The President may limit the total testimony by all members of the public to fifteen (15) minutes.

Section 11. Consent Calendar: Items may be placed on a Consent Calendar section of the Meeting Agenda. Items on the Consent Calendar may be approved by a single vote for all items. Any Commissioner, any member of the public or the Director may request that the item be taken off the Consent Calendar and placed on the regular agenda for that Commission Hearing or a later hearing.
