2300 Harrison Project Benefits

• 1 additional on-site BMR unit at 120% AMI.

• Leasing 1,200 sf of ground-floor arts activity/retail space along Mistral as community-serving space, at BMR, ideally to a Mission-based arts organization or artist to prevent displacement, for term of 10 years plus 2 x 5 year options.

• Funding for two murals along Mistral, reflecting the historic Latino/Chicano experience.

• Allowing Carnaval to use the remaining surface parking area near the 19th and Harrison corner, subject to insurance and indemnification.

• Design revisions based on USM’s requests.

• $20,000 donation to SF Housing Accelerator Fund, to be used to support a local affordable housing project or to retain a legacy business or storefront.

• Ongoing discussions with La Cocina to determine whether the corner 2,300sf retail space in the proposed expansion project could serve to meet La Cocina’s needs for space in the Mission. Project sponsor is willing to pay tenant improvement for the buildout of the retail space per La Cocina’s specs up to $488,000, approximately $200/sf.
