### PROJECT DESCRIPTION

The project proposes to construct a three-story vertical addition to an existing one-story, four dwelling building. The proposed building will be approximately 35 feet in height and contain two 382 sq. ft. studio units, a 1,265 three-bedroom unit, and a 1,544 sq. ft. four-bedroom unit, and two off-street parking spaces.

### SITE DESCRIPTION AND PRESENT USE

The site is a 27'-10" wide x 77'-6" deep slightly lateral sloping lot with an existing 1-story, four dwelling building built in 1907 and is categorized as a 'C' – No Historic Resource present.

### SURROUNDING PROPERTIES AND NEIGHBORHOOD

The buildings on this block of Missouri Street are generally 3-stories at the street face, that presents a consistent scale and sense of buildings that step with the slope. The mid-block open space is somewhat varied. The proposed project is immediately situated between a 3-story building and a 2-story building which extends into the mid-block open space less than its neighbors. The responsibility of the subject property' design is to moderate the massing between the two, and to fit into and preserve the adjacent neighbors' access to the mid-block open space.

## ENVIRONMENTAL REVIEW

The Department has determined that the proposed project is exempt/excluded from environmental review, pursuant to CEQA Guideline Section 15301 (Class One - Minor Alteration of Existing Facility, (e) Additions to existing structures provided that the addition will not result in an increase of more than 10,000 square feet).

## DR REQUESTORS

### DR requestor 1:

Timothy and Katy Clem 212 Texas Street, adjacent neighbors to the East of the proposed project.

### DR requestor 2:

Gabe Madway and Stacey Delo 215 Missouri, adjacent neighbor to the North and downhill of the proposed project.

### DR requestor 3:

Jean Dumpit and Theodore Dumpit, Jr. of 227 Missouri, adjacent neighbor to the South and uphill of the proposed project.

## DR REQUESTOR'S CONCERNS AND PROPOSED ALTERNATIVES

### All DR requestors

Are concerned by the following issues:

1. The height and depth of the building is out of scale with the existing building scale at the mid-block open space.
2. The height and form are out of character with surrounding buildings at the street face.
3. The building is not articulated to minimize impacts to light and privacy to adjacent properties;
4. The proposal destroys affordable rent-controlled housing units and displaces tenants.

See attached *Discretionary Review Applications*, dated August 21, 2019.

## PROJECT SPONSOR'S RESPONSE TO DR APPLICATION

The design has been extensively reviewed and modified to comply with the letter and intent of the Planning Code and Residential Design Guidelines. The proposed design responds to and fits the adjacent context, and there are no exceptional or extraordinary circumstances.

## DEPARTMENT REVIEW

The Department's Residential Design Advisory Team (RDAT) re-reviewed this and confirmed that this meets the Residential Design Guidelines related to scale, character, and preservation of access to mid-block open space. The project sponsor has designed a building that moderates the massing of two adjacent buildings in a sensible manner and as such Staff deems there are no exceptional or extraordinary circumstances.

Specifically, staff finds:

1. The height of the building with the fourth-floor setback and tucked within a gabled roof maintains and moderates the scale at the street of the immediate neighboring buildings. The wood siding façade and detailing are compatible with neighboring buildings. The windows are sized and proportioned compatible with surrounding buildings. The overall height of the building has been reduced 3'-9" from the proposal sent in the 311 notification.
2. The building is articulated to minimize impacts to light, air and privacy. The proposed depth of the addition extends no further than the limit allowed by averaging the adjacent neighboring buildings. Furthermore, the building respects and maintains light, air, and visual access to the mid-block open space to adjacent neighbors by providing side setbacks. All decks are modestly sized and setback from adjacent buildings at least 5'. Windows are also appropriately sized and located to respect privacy impacts
3. There are currently no tenants due to Ellis act eviction over three years ago. The two ground floor units are to be rent controlled and maintain their original size.
4. Subsequent to the DR applications the project sponsor has modified the design by: lowering the overall building height by 4'; reducing a portion of the ground floor at the rear to align with the

required rear yard line; and further reducing the height of the North property line wall by 4'. (See revised drawings dated 4.13.2020).

Therefore, staff finds that there are no exceptional or extraordinary circumstances and recommend not taking Discretionary review.

## GENERAL INFORMATION ABOUT PROCEDURES

Reduced copies of the proposed project plans have been included in this mailing for your information. If you have questions about the plans, please contact the project Applicant listed on the front of this notice. You may wish to discuss the plans with your neighbors or neighborhood association, as they may already be aware of the project. If you have general questions about the Planning Department's review process, contact the Planning Information Center (PIC) at 1660 Mission Street, 1st Floor (415) 558-6377 or [pic@sfgov.org](mailto:pic@sfgov.org). If you have specific questions about the proposed project, you should contact the planner listed on the front of this notice.

If you believe that the impact on you from the proposed project is significant and you wish to seek to change the project, there are several procedures you may use. **We strongly urge that steps 1 and 2 be taken.**

1. Request a meeting with the project Applicant to get more information and to explain the project's impact on you.
2. Contact the nonprofit organization Community Boards at (415) 920-3820, or online at [www.communityboards.org](http://www.communityboards.org) for a facilitated discussion in a safe and collaborative environment. Community Boards acts as a neutral third party and has, on many occasions, helped reach mutually agreeable solutions.
3. Where you have attempted, through the use of the above steps or other means, to address potential problems without success, please contact the planner listed on the front of this notice to discuss your concerns.

If, after exhausting the procedures outlined above, you still believe that exceptional and extraordinary circumstances exist, you have the option to request that the Planning Commission exercise its discretionary powers to review the project. These powers are reserved for use in exceptional and extraordinary circumstances for projects which generally conflict with the City's General Plan and the Priority Policies of the Planning Code; therefore the Commission exercises its discretion with utmost restraint. This procedure is called Discretionary Review. If you believe the project warrants Discretionary Review by the Planning Commission, **you must file a Discretionary Review application prior to the Expiration Date shown on the front of this notice.** Discretionary Review applications are available at the Planning Information Center (PIC), 1660 Mission Street, 1st Floor, or online at [www.sfplanning.org](http://www.sfplanning.org). **You must submit the application in person** at the Planning Information Center (PIC), with all required materials and a check payable to the Planning Department. To determine the fee for a Discretionary Review, please refer to the Planning Department Fee Schedule available at [www.sfplanning.org](http://www.sfplanning.org). If the project includes multiple building permits, i.e. demolition and new construction, a **separate request for Discretionary Review must be submitted, with all required materials and fee, for each permit that you feel will have an impact on you. Incomplete applications will not be accepted.**

If no Discretionary Review Applications have been filed within the Notification Period, the Planning Department will approve the application and forward it to the Department of Building Inspection for its review.

### BOARD OF APPEALS

An appeal of the Planning Commission's decision on a Discretionary Review case may be made to the **Board of Appeals within 15 calendar days after the building permit is issued** (or denied) by the Department of Building Inspection. Appeals must be submitted in person at the Board's office at 1650 Mission Street, 3rd Floor, Room 304. For further information about appeals to the Board of Appeals, including current fees, contact the Board of Appeals at (415) 575-6880.

### ENVIRONMENTAL REVIEW

This project has undergone preliminary review pursuant to California Environmental Quality Act (CEQA). If, as part of this process, the Department's Environmental Review Officer has deemed this project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained through the Exemption Map at [www.sfplanning.org](http://www.sfplanning.org). An appeal of the decision **to exempt the proposed project from CEQA may be made to the Board of Supervisors within 30 calendar days** after the project approval action identified on the determination. The procedures for filing an appeal of an exemption determination are available from the Clerk of the Board at City Hall, Room 244, or by calling (415) 554-5184.

Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

## STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

### TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

### DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:	
<input type="checkbox"/>	Result in expansion of the building envelope, as defined in the Planning Code;
<input type="checkbox"/>	Result in the change of use that would require public notice under Planning Code Sections 311 or 312;
<input type="checkbox"/>	Result in demolition as defined under Planning Code Section 317 or 19005(f)?
<input type="checkbox"/>	Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption?

### DETERMINATION OF NO SUBSTANTIAL MODIFICATION

Receipt of Tenant's Claim to an Extension of the Date of Withdrawal

Dear San Francisco Rent Board:

The owners of the real property located at 219-223A Missouri Street served tenants with amended notices of termination of tenancies under the Ellis Act (the previous notices of termination had the incorrect zip code). We filed a copy of the amended notices with the Rent Board, and then we filed an amended Notice of Intent to Withdraw Residential Units from the Rental Market on May 8, 2015.

We have received claims to an extension of the date of withdrawal from several tenants as outlined below:

- 219 Missouri Street – tenant Stella Klose based on disability;
- 223 Missouri Street – tenant Emily Anicich based on disability; and
- 223A Missouri Street – tenant Jessica Ainsworth based on disability.

I have enclosed a copy of this letter. Please file-stamp the copy and return it to our office using the self-addressed, stamped envelope that I have enclosed. Thank you.

**Sec. 37.9A Tenant Rights in Certain Displacements Under Section 37.9(a)(13).**

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. No. 5-00, effective February 13, 2000; Ord. No. 91-03, effective June 15, 2003; Ord. No. 21-05, effective February 20, 2005; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014]

This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

**(a) Rent Allowed.**

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9(A)(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section

1 37.9A(a)(1).

2 (b) Treatment of Replacement Units. If one or more units covered by subsection (a) is  
3 demolished, and one or more new units qualifying as rental units under this chapter but for the  
4 date on which they first receive a certificate of final completion and occupancy are constructed  
5 on the same property, and offered for rent or lease within five years of the date the last of the  
6 original units became vacant, the newly constructed units shall be offered at rents not greater  
7 than those reasonably calculated to produce a fair and reasonable return on the newly  
8 constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The  
9 provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the  
10 rents necessary to provide a fair and reasonable return.

11 (c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by  
12 subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from  
13 the unit as follows:

14 (1) If any tenant or lessee has advised the owner in writing within 30 days of  
15 displacement of his or her desire to consider an offer to renew the tenancy and has furnished the  
16 owner with an address to which that offer is to be directed, the owner must make such an offer  
17 whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant,  
18 lessee, or former tenant or lessee may advise the owner at any time of a change of address to  
19 which an offer is to be directed.

20 (2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within  
21 10 years of withdrawal, the owner shall notify the Rent Board in writing of the intention to re-rent  
22 the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the  
23 offer in writing within 30 days after the owner has notified the City of an intention to re-rent the  
24 unit. If the unit is offered for rent or lease more than two years after the date the unit was  
25 withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was  
26 displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount  
27 which does not exceed the contract rent for six months.

28 (3) If any former tenant or lessee has requested an offer to renew the tenancy,

1 either directly to the landlord or after notice from the Rent Board, then the owner shall offer to  
2 reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall  
3 be deposited in the United States mail, by registered or certified mail with postage prepaid,  
4 addressed to the displaced tenant or lessee at the address furnished to the owner as provided  
5 by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall  
6 have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of  
7 that acceptance or by deposit of the acceptance in the United States mail by registered or  
8 certified mail with postage prepaid.

9 (4) If more than one tenant or lessee attempts to accept the offer for a given unit,  
10 the landlord shall notify each tenant or lessee so accepting that other acceptances have been  
11 received, and shall further advise each such tenant or lessee of the names and addresses of the  
12 others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the  
13 landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first  
14 occupied the unit previously shall be entitled to accept the landlord's offer. If more than one  
15 eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or  
16 lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the  
17 unit.

18 (d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or  
19 lease within two years of the date of withdrawal:

20 (1) The owner shall be liable to any tenant or lessee who was displaced from the  
21 property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this  
22 paragraph shall be brought within three years of withdrawal of the unit from rent or lease.  
23 However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy  
24 available under the law.

25 (2) The City may institute a civil proceeding against the owner who has again  
26 offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees.  
27 Any action by the City pursuant to this paragraph shall be brought within three years of the  
28 withdrawal of the unit from rent or lease.

1 (e) Relocation Payments to Tenants.

2 (1) Before August 10, 2004, Low Income, Elderly or Disabled. Where a landlord  
3 seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units  
4 was filed with the Board before August 10, 2004, the relocation payments described in this  
5 Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income  
6 households, who are elderly, or who are disabled, as defined below.

7 (A) Tenants who are members of lower income households, as defined by  
8 Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit  
9 based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be  
10 entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days  
11 of the landlord's receipt of written notice from the tenants of their entitlement to the relocation  
12 payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

13 (B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office  
14 of Housing or its successor agency shall annually determine the income limits for lower income  
15 households, adjusted for household size.

16 (C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the  
17 size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at  
18 the time such notice is served, is 62 years of age or older, or who is disabled within the meaning  
19 of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00,  
20 \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
21 written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which  
22 shall be paid when the tenant vacates the unit.

23 (D) The payments due pursuant to this Subsection 37.9A(e)(1) for any  
24 unit which is occupied by more than one tenant shall be divided equally among all the occupying  
25 tenants, excluding those tenants who are separately entitled to payments under subsection  
26 37.9A(e)(1)(C) above.

27 (2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks  
28 eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units

1 is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of  
2 intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant  
3 still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as  
4 follows:

5 (A) Tenants who are members of lower income households, as defined by  
6 Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00,  
7 \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
8 written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of  
9 which shall be paid when the tenants vacate the unit.

10 (B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are  
11 not members of lower income households, as defined by Section 50079.5 of the California  
12 Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when  
13 the tenant vacates the unit;

14 (C) In the event there are more than three tenants in a unit, the total  
15 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
16 in the unit;

17 (D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who,  
18 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
19 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
20 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
21 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
22 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
23 vacates the unit.

24 (3) On or After February 20, 2005. Where a landlord seeks eviction based upon  
25 Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or  
26 after February 20, 2005, relocation payments shall be paid to the tenants as follows:

27 (A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant  
28 shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of

1 the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates  
2 the unit;

3 (B) In the event there are more than three tenants in a unit, the total  
4 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
5 in the unit; and

6 (C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who,  
7 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
8 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
9 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
10 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
11 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
12 vacates the unit.

13 (D) Commencing March 1, 2005, the relocation payments specified in  
14 Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the  
15 "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban  
16 Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as  
17 that data is made available by the United States Department of Labor and published by the  
18 Board.

19 <sup>1</sup>(E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1,  
20 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No.54-14),  
21 each tenant shall be entitled to the greater of:

- 22 (i) the payment specified in Subsections 37.9A(e)(3)(A) – (D), or  
23 (ii) an amount equal to the difference between the unit's rental rate  
24 at the time the landlord files the notice of intent to withdraw rental units with the Board, and the  
25 market rental rate for a comparable unit in San Francisco as determined by the Controller's  
26 Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the

appealing that ruling to the Ninth Circuit Court of Appeals.

unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment Differential at the time of the service of the notice of termination of tenancy, and the remaining one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental Payment Differential Schedule within 5 days of the effective date of the ordinance creating this subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The Controller shall provide such Schedule to the Rent Board, which shall make the Schedule publicly available on the Rent Board's website and at the Rent Board office. In addition to receiving the Rental Payment Differential, any tenant who qualifies for payment under Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining annual changes in the rental market, the Controller shall rely on market data that reasonably reflects a representative sample of rental apartments in San Francisco.

(F) Any tenant who has received a notice of termination of tenancy, but who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental Payment Differential, reduced by any payment the tenant has received under Subsections 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

(G) (i) If payment of the Rental Payment Differential under Subsection 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the resources available to the landlord, the landlord may file a written request, on a form provided by the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with the Rent Board, with supporting evidence. The Board, or its designated Administrative Law Judges, may order a reduction, payment plan, or any other relief they determine is justified following a hearing on the request.

(ii) At a hearing for hardship adjustment under Subsection (i), the Board, or its designated Administrative Law Judges, shall consider all relevant factors, including the number of units in the building and any evidence submitted regarding the landlord's age, length of ownership of the building, ownership of any other buildings, income, expenses, other assets, debt, health, and health care costs, except as provided in Subsection (iii).

(iii) At a hearing for hardship adjustment under Subsection (i), the Board, or its designated Administrative Law Judges, shall not consider any of the following types of assets owned by the landlord:

- a. Assets held in retirement accounts; and
- b. Non-liquid personal property.

(H) Without limiting or otherwise affecting the landlord's right to obtain a hardship adjustment under Subsection 37.9A(e)(3)(G), the landlord may file a written request, on a form provided by the Rent Board, for a hearing with the Rent Board claiming that the San Francisco Rental Payment Differential Schedule established in Subsection 37.9A(e)(3)(E)(ii) does not reasonably reflect the market rental rate for a comparable unit in San Francisco and would result in an overpayment by the landlord ("Rent Differential Recalculation Request"). The landlord shall include evidence in support of the request. If the Board, or its designated Administrative Law Judges, grant(s) the request in whole or part, they shall order an appropriate adjustment of the payment due from the landlord.

(I) For purposes of considering Hardship Adjustment and Rent Differential Recalculation Requests under Subsections 37.9(e)(3)(G) and (H), the Board shall follow a process consistent with the existing Board hearing process under Section 37.8. If a landlord submits both types of hearing requests, the Board may consolidate its hearing of the two requests.

(4) Any notice to quit pursuant to Section 37.9(a)(13) shall notify the tenant or tenants concerned of the right to receive payment under this subsection 37.9A(e)(1) or (2) or (3).

(f) Notice to Rent Board; Recordation of Notice; Effective Date of Withdrawal.

(1) Any owner who intends to withdraw from rent or lease any rental unit shall notify the Rent Board in writing of said intention. Said notice shall contain statements, under penalty of perjury, providing information on the number of residential units, the address or location of those units, the name or names of the tenants or lessees of the units, and the rent applicable to each residential rental unit. Said notice shall be signed by all owners of record of the property under penalty of perjury and shall include a certification that actions have been

initiated as required by law to terminate existing tenancies through service of a notice of termination of tenancy. The notice must be served by certified mail or any other manner authorized by law prior to delivery to the Rent Board of the notice of intent to withdraw the rental units. Information respecting the name or names of the tenants, the rent applicable to any unit, or the total number of units, is confidential and shall be treated as confidential information by the City for purposes of the Information Practices Act of 1977, as contained in Chapter I (commencing with Section 1798) of Title 1.8 of part 4 of Division 3 of the Civil Code. The City shall, to the extent required by the preceding sentence, be considered an "agency," as defined by subdivision (b) of Section 1798.3 of the Civil Code.

(2) Prior to the effective date of withdrawal of rental units under this Section, the owner shall cause to be recorded with the County Recorder a memorandum of the notice required by subsection (f)(1) summarizing its provisions, other than the confidential provisions, in substantially the following form:

**Memorandum of Notice**  
**Regarding Withdrawal of Rental Unit From Rent or Lease**

This memorandum evidences that the undersigned, as the owner of the property described in Exhibit A attached, has filed a notice, whose contents are certified under penalty of perjury, stating the intent to withdraw from rent or lease all units at said property, pursuant to San Francisco Administrative Code Section 37.9A and the Ellis Act (California Government Code Section 7060 et seq.).

(3) For a notice of intent to withdraw rental units filed with the Rent Board on or before December 31, 1999, the date on which the units are withdrawn from rent or lease for purposes of this chapter and the Ellis Act is 60 days from the delivery in person or by first-class mail of the Subsection (f)(1) notice of intent to the Rent Board.

(4) For a notice of intent to withdraw rental units filed with the Rent Board on or after January 1, 2000, the date on which the units are withdrawn from rent or lease for purposes of this Chapter and the Ellis Act is 120 days from the delivery in person or by first-class mail of the Subsection (f)(1) notice of intent to the Rent Board. Except that, if the tenant or lessee is at least 62 years of age or disabled as defined in Government Code 12955.3, and has lived in his

1 or her unit for at least one year prior to the date of delivery to the Rent Board of the Subsection  
2 (f)(1) notice of intent to withdraw, then the date of withdrawal of the unit of that tenant or lessee  
3 shall be extended to one year after the date of delivery of that notice to the Rent Board, provided  
4 that the tenant or lessee gives written notice of his or her entitlement to an extension of the date  
5 of withdrawal to the owner within 60 days of the date of delivery to the Rent Board of the  
6 Subsection (f)(1) notice of intent to withdraw. In that situation, the following provisions shall  
7 apply:

8 (A) The tenancy shall be continued on the same terms and conditions as  
9 existed on the date of delivery to the Rent Board of the notice of intent to withdraw, subject to  
10 any adjustments otherwise available under Administrative Code Chapter 37.

11 (B) No party shall be relieved of the duty to perform any obligation under  
12 the lease or rental agreement.

13 (C) The owner may elect to extend the date of withdrawal on any other  
14 units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of  
15 intent to withdraw, subject to Subsections (f)(4)(A) and (B).

16 (D) Within 30 days of the notification by the tenant or lessee to the owner  
17 of his or her entitlement to an extension of the date of withdrawal, the owner shall give written  
18 notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for  
19 one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to  
20 withdraw.

21 (E) Within 90 days of the date of delivery to the Rent Board of the notice  
22 of intent to withdraw, the owner shall give written notice to the Rent Board and the affected  
23 tenant or lessee of the following:

24 (i) Whether or not the owner disputes the tenant's claim of  
25 extension;

26 (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the  
27 owner does not dispute the tenant's claim of extension; and

28 (iii) Whether or not the owner elects to extend the date of

1 withdrawal to other units on the property.

2 (5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent  
3 Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

4 (A) That the Rent Board has been notified pursuant to Subsection (f)(1),

5 (B) That the notice to the Rent Board specified the name and the amount  
6 of rent paid by the tenant or lessee as an occupant of the rental unit;

7 (C) The amount of rent the owner specified in the notice to the Rent  
8 Board,

9 (D) The tenant's or lessee's rights to reoccupancy and to relocation  
10 assistance under Subsections 37.9A(c) and (e); and,

11 (E) The rights of qualified elderly or disabled tenants as described under  
12 Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board  
13 of the Subsection (f)(1) notice of intent to withdraw.

14 (6) Within 30 days after the effective date of withdrawal of rental units under this  
15 Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder  
16 which describes the property and the dates of applicable restrictions on the property under this  
17 Section.

18 (g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a  
19 rental unit at the time displacement of a tenant or tenants is initiated and to any successor in  
20 interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the  
21 California Government Code (Sections 7060 et seq.).

22 (h) Reports Required.

23 (1) Not later than the last day of the third and sixth calendar months following the  
24 month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than  
25 December 31st of each calendar year for a period of five years, beginning with the year in which  
26 the six-month notice is given, the owner of any property which contains or formerly contained  
27 one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall  
28 notify the Board, in writing, under penalty of perjury, for each such unit:

- 1 (A) Whether the unit has been demolished;
- 2 (B) If the unit has not been demolished, whether it is in use;
- 3 (C) If it is in use, whether it is in residential use;
- 4 (D) If it is in residential use, the date the tenancy began, the name of
- 5 the tenant(s), and the amount of rent charged.

6 If the unit has been demolished, and one or more new units constructed on the  
7 lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit.  
8 The Board shall maintain a record of the notices received under Subsection (f) and all notices  
9 received under this Section for each unit subject to this reporting requirement.

10 (2) The Board shall notify each person who is reported as having become a  
11 tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it  
12 maintains the records described in Subsection (h)(1), and that the rent of the unit may be  
13 restricted pursuant to Subsection (a).

14 (3) The Board shall maintain a register of all rental units withdrawn from rent or  
15 lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The  
16 Board shall inform tenants displaced from units withdrawn from rent or lease at the address  
17 provided by the tenant, when the owner notifies the Board that the unit or replacement unit will  
18 again be offered for rent or lease within ten years of the date of withdrawal.

19 (4) The Board may investigate whether a rental unit that was withdrawn from rent  
20 or lease has been again offered for rent or lease, and whether the owner has complied with the  
21 provisions of this Section.

22 (i) This Section 37.9A is enacted principally to exercise specific authority provided for by  
23 Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by  
24 Stats. 1985, Ch. 1509, Section 1 (the Ellis Act, California Government Code Sections 7060 et  
25 seq.). In the case of any amendment to Chapter 12.75 or any other provision of State law which  
26 amendment is inconsistent with this Section, this Section shall be deemed to be amended to be  
27 consistent with State law, and to the extent it cannot be so amended shall be interpreted to be  
28 effective as previously adopted to the maximum extent possible.

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. No. 54-14, effective June 1, 2014]

This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

**(a) Rent Allowed.**

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9(A)(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section

1 37.9A(a)(1).

2 (b) Treatment of Replacement Units. If one or more units covered by subsection (a) is  
3 demolished, and one or more new units qualifying as rental units under this chapter but for the  
4 date on which they first receive a certificate of final completion and occupancy are constructed  
5 on the same property, and offered for rent or lease within five years of the date the last of the  
6 original units became vacant, the newly constructed units shall be offered at rents not greater  
7 than those reasonably calculated to produce a fair and reasonable return on the newly  
8 constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The  
9 provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the  
10 rents necessary to provide a fair and reasonable return.

11 (c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by  
12 subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from  
13 the unit as follows:

14 (1) If any tenant or lessee has advised the owner in writing within 30 days of  
15 displacement of his or her desire to consider an offer to renew the tenancy and has furnished the  
16 owner with an address to which that offer is to be directed, the owner must make such an offer  
17 whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant,  
18 lessee, or former tenant or lessee may advise the owner at any time of a change of address to  
19 which an offer is to be directed.

20 (2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within  
21 10 years of withdrawal, the owner shall notify the Rent Board in writing of the intention to re-rent  
22 the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the  
23 offer in writing within 30 days after the owner has notified the City of an intention to re-rent the  
24 unit. If the unit is offered for rent or lease more than two years after the date the unit was  
25 withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was  
26 displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount  
27 which does not exceed the contract rent for six months.

28 (3) If any former tenant or lessee has requested an offer to renew the tenancy,

1 either directly to the landlord or after notice from the Rent Board, then the owner shall offer to  
2 reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall  
3 be deposited in the United States mail, by registered or certified mail with postage prepaid,  
4 addressed to the displaced tenant or lessee at the address furnished to the owner as provided  
5 by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall  
6 have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of  
7 that acceptance or by deposit of the acceptance in the United States mail by registered or  
8 certified mail with postage prepaid.

9 (4) If more than one tenant or lessee attempts to accept the offer for a given unit,  
10 the landlord shall notify each tenant or lessee so accepting that other acceptances have been  
11 received, and shall further advise each such tenant or lessee of the names and addresses of the  
12 others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the  
13 landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first  
14 occupied the unit previously shall be entitled to accept the landlord's offer. If more than one  
15 eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or  
16 lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the  
17 unit.

18 (d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or  
19 lease within two years of the date of withdrawal:

20 (1) The owner shall be liable to any tenant or lessee who was displaced from the  
21 property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this  
22 paragraph shall be brought within three years of withdrawal of the unit from rent or lease.  
23 However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy  
24 available under the law.

25 (2) The City may institute a civil proceeding against the owner who has again  
26 offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees.  
27 Any action by the City pursuant to this paragraph shall be brought within three years of the  
28 withdrawal of the unit from rent or lease.

1           (e) Relocation Payments to Tenants.

2                   (1) Before August 10, 2004, Low Income, Elderly or Disabled. Where a landlord  
3 seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units  
4 was filed with the Board before August 10, 2004, the relocation payments described in this  
5 Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income  
6 households, who are elderly, or who are disabled, as defined below.

7                           (A) Tenants who are members of lower income households, as defined by  
8 Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit  
9 based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be  
10 entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days  
11 of the landlord's receipt of written notice from the tenants of their entitlement to the relocation  
12 payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

13                           (B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office  
14 of Housing or its successor agency shall annually determine the income limits for lower income  
15 households, adjusted for household size.

16                           (C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the  
17 size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at  
18 the time such notice is served, is 62 years of age or older, or who is disabled within the meaning  
19 of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00,  
20 \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
21 written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which  
22 shall be paid when the tenant vacates the unit.

23                           (D) The payments due pursuant to this Subsection 37.9A(e)(1) for any  
24 unit which is occupied by more than one tenant shall be divided equally among all the occupying  
25 tenants, excluding those tenants who are separately entitled to payments under subsection  
26 37.9A(e)(1)(C) above.

27                   (2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks  
28 eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units

1 is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of  
2 intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant  
3 still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as  
4 follows:

5 (A) Tenants who are members of lower income households, as defined by  
6 Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00,  
7 \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
8 written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of  
9 which shall be paid when the tenants vacate the unit.

10 (B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are  
11 not members of lower income households, as defined by Section 50079.5 of the California  
12 Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when  
13 the tenant vacates the unit;

14 (C) In the event there are more than three tenants in a unit, the total  
15 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
16 in the unit;

17 (D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who,  
18 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
19 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
20 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
21 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
22 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
23 vacates the unit.

24 (3) On or After February 20, 2005. Where a landlord seeks eviction based upon  
25 Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or  
26 after February 20, 2005, relocation payments shall be paid to the tenants as follows:

27 (A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant  
28 shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of

1 the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates  
2 the unit;

3 (B) In the event there are more than three tenants in a unit, the total  
4 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
5 in the unit; and

6 (C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who,  
7 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
8 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
9 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
10 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
11 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
12 vacates the unit.

13 (D) Commencing March 1, 2005, the relocation payments specified in  
14 Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the  
15 "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban  
16 Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as  
17 that data is made available by the United States Department of Labor and published by the  
18 Board.

19 <sup>1</sup>(E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1,  
20 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No.54-14),  
21 each tenant shall be entitled to the greater of:

- 22 (i) the payment specified in Subsections 37.9A(e)(3)(A) – (D), or  
23 (ii) an amount equal to the difference between the unit's rental rate  
24 at the time the landlord files the notice of intent to withdraw rental units with the Board, and the  
25 market rental rate for a comparable unit in San Francisco as determined by the Controller's  
26 Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the

27 <sup>1</sup> NOTE: On October 21, 2014, the United States District Court found Subsections 37.9A(e)(3)(E)-(I) unconstitutional in  
28 Levin v. CCSE, District Court Case No. 03352, and enjoined the City from enforcing those Subsections. The City is  
appealing that ruling to the Ninth Circuit Court of Appeals.

1 unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment  
2 Differential at the time of the service of the notice of termination of tenancy, and the remaining  
3 one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental  
4 Payment Differential Schedule within 5 days of the effective date of the ordinance creating this  
5 subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The  
6 Controller shall provide such Schedule to the Rent Board, which shall make the Schedule  
7 publicly available on the Rent Board's website and at the Rent Board office. In addition to  
8 receiving the Rental Payment Differential, any tenant who qualifies for payment under  
9 Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining  
10 annual changes in the rental market, the Controller shall rely on market data that reasonably  
11 reflects a representative sample of rental apartments in San Francisco.

12 (F) Any tenant who has received a notice of termination of tenancy, but  
13 who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating  
14 subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental  
15 Payment Differential, reduced by any payment the tenant has received under Subsections  
16 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

17 (G) (i) If payment of the Rental Payment Differential under Subsection  
18 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the  
19 resources available to the landlord, the landlord may file a written request, on a form provided by  
20 the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with  
21 the Rent Board, with supporting evidence. The Board, or its designated Administrative Law  
22 Judges, may order a reduction, payment plan, or any other relief they determine is justified  
23 following a hearing on the request.

24 (ii) At a hearing for hardship adjustment under Subsection (i), the  
25 Board, or its designated Administrative Law Judges, shall consider all relevant factors, including  
26 the number of units in the building and any evidence submitted regarding the landlord's age,  
27 length of ownership of the building, ownership of any other buildings, income, expenses, other  
28 assets, debt, health, and health care costs, except as provided in Subsection (iii).

1 (iii) At a hearing for hardship adjustment under Subsection (i), the  
2 Board, or its designated Administrative Law Judges, shall not consider any of the following types  
3 of assets owned by the landlord:

- 4 a. Assets held in retirement accounts; and
- 5 b. Non-liquid personal property.

6 (H) Without limiting or otherwise affecting the landlord's right to obtain a  
7 hardship adjustment under Subsection 37.9A(e)(3)(G), the landlord may file a written request, on  
8 a form provided by the Rent Board, for a hearing with the Rent Board claiming that the San  
9 Francisco Rental Payment Differential Schedule established in Subsection 37.9A(e)(3)(E)(ii)  
10 does not reasonably reflect the market rental rate for a comparable unit in San Francisco and  
11 would result in an overpayment by the landlord ("Rent Differential Recalculation Request"). The  
12 landlord shall include evidence in support of the request. If the Board, or its designated  
13 Administrative Law Judges, grant(s) the request in whole or part, they shall order an appropriate  
14 adjustment of the payment due from the landlord.

15 (I) For purposes of considering Hardship Adjustment and Rent Differential  
16 Recalculation Requests under Subsections 37.9(e)(3)(G) and (H), the Board shall follow a  
17 process consistent with the existing Board hearing process under Section 37.8. If a landlord  
18 submits both types of hearing requests, the Board may consolidate its hearing of the two  
19 requests.

20 (4) Any notice to quit pursuant to Section 37.9(a)(13) shall notify the tenant or  
21 tenants concerned of the right to receive payment under this subsection 37.9A(e)(1) or (2) or (3).

22 (f) Notice to Rent Board; Recordation of Notice; Effective Date of Withdrawal.

23 (1) Any owner who intends to withdraw from rent or lease any rental unit shall  
24 notify the Rent Board in writing of said intention. Said notice shall contain statements, under  
25 penalty of perjury, providing information on the number of residential units, the address or  
26 location of those units, the name or names of the tenants or lessees of the units, and the rent  
27 applicable to each residential rental unit. Said notice shall be signed by all owners of record of  
28 the property under penalty of perjury and shall include a certification that actions have been

1 initiated as required by law to terminate existing tenancies through service of a notice of  
2 termination of tenancy. The notice must be served by certified mail or any other manner  
3 authorized by law prior to delivery to the Rent Board of the notice of intent to withdraw the rental  
4 units. Information respecting the name or names of the tenants, the rent applicable to any unit,  
5 or the total number of units, is confidential and shall be treated as confidential information by the  
6 City for purposes of the Information Practices Act of 1977, as contained in Chapter I  
7 (commencing with Section 1798) of Title 1.8 of part 4 of Division 3 of the Civil Code. The City  
8 shall, to the extent required by the preceding sentence, be considered an "agency," as defined  
9 by subdivision (b) of Section 1798.3 of the Civil Code.

10 (2) Prior to the effective date of withdrawal of rental units under this Section, the  
11 owner shall cause to be recorded with the County Recorder a memorandum of the notice  
12 required by subsection (f)(1) summarizing its provisions, other than the confidential provisions, in  
13 substantially the following form:

14 **Memorandum of Notice**  
15 **Regarding Withdrawal of Rental Unit From Rent or Lease**

16 This memorandum evidences that the undersigned, as the owner of the property  
17 described in Exhibit A attached, has filed a notice, whose contents are certified under  
18 penalty of perjury, stating the intent to withdraw from rent or lease all units at said  
property, pursuant to San Francisco Administrative Code Section 37.9A and the Ellis Act  
(California Government Code Section 7060 et seq.).

20 (3) For a notice of intent to withdraw rental units filed with the Rent Board on or  
21 before December 31, 1999, the date on which the units are withdrawn from rent or lease for  
22 purposes of this chapter and the Ellis Act is 60 days from the delivery in person or by first-class  
23 mail of the Subsection (f)(1) notice of intent to the Rent Board.

24 (4) For a notice of intent to withdraw rental units filed with the Rent Board on or  
25 after January 1, 2000, the date on which the units are withdrawn from rent or lease for purposes  
26 of this Chapter and the Ellis Act is 120 days from the delivery in person or by first-class mail of  
27 the Subsection (f)(1) notice of intent to the Rent Board. Except that, if the tenant or lessee is at  
28 least 62 years of age or disabled as defined in Government Code 12955.3, and has lived in his

1 or her unit for at least one year prior to the date of delivery to the Rent Board of the Subsection  
2 (f)(1) notice of intent to withdraw, then the date of withdrawal of the unit of that tenant or lessee  
3 shall be extended to one year after the date of delivery of that notice to the Rent Board, provided  
4 that the tenant or lessee gives written notice of his or her entitlement to an extension of the date  
5 of withdrawal to the owner within 60 days of the date of delivery to the Rent Board of the  
6 Subsection (f)(1) notice of intent to withdraw. In that situation, the following provisions shall  
7 apply:

8 (A) The tenancy shall be continued on the same terms and conditions as  
9 existed on the date of delivery to the Rent Board of the notice of intent to withdraw, subject to  
10 any adjustments otherwise available under Administrative Code Chapter 37.

11 (B) No party shall be relieved of the duty to perform any obligation under  
12 the lease or rental agreement.

13 (C) The owner may elect to extend the date of withdrawal on any other  
14 units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of  
15 intent to withdraw, subject to Subsections (f)(4)(A) and (B).

16 (D) Within 30 days of the notification by the tenant or lessee to the owner  
17 of his or her entitlement to an extension of the date of withdrawal, the owner shall give written  
18 notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for  
19 one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to  
20 withdraw.

21 (E) Within 90 days of the date of delivery to the Rent Board of the notice  
22 of intent to withdraw, the owner shall give written notice to the Rent Board and the affected  
23 tenant or lessee of the following:

24 (i) Whether or not the owner disputes the tenant's claim of  
25 extension;

26 (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the  
27 owner does not dispute the tenant's claim of extension; and

28 (iii) Whether or not the owner elects to extend the date of

1 withdrawal to other units on the property.

2 (5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent  
3 Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

4 (A) That the Rent Board has been notified pursuant to Subsection (f)(1),

5 (B) That the notice to the Rent Board specified the name and the amount  
6 of rent paid by the tenant or lessee as an occupant of the rental unit;

7 (C) The amount of rent the owner specified in the notice to the Rent  
8 Board,

9 (D) The tenant's or lessee's rights to reoccupancy and to relocation  
10 assistance under Subsections 37.9A(c) and (e); and,

11 (E) The rights of qualified elderly or disabled tenants as described under  
12 Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board  
13 of the Subsection (f)(1) notice of intent to withdraw.

14 (6) Within 30 days after the effective date of withdrawal of rental units under this  
15 Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder  
16 which describes the property and the dates of applicable restrictions on the property under this  
17 Section.

18 (g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a  
19 rental unit at the time displacement of a tenant or tenants is initiated and to any successor in  
20 interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the  
21 California Government Code (Sections 7060 et seq.).

22 (h) Reports Required.

23 (1) Not later than the last day of the third and sixth calendar months following the  
24 month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than  
25 December 31st of each calendar year for a period of five years, beginning with the year in which  
26 the six-month notice is given, the owner of any property which contains or formerly contained  
27 one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall  
28 notify the Board, in writing, under penalty of perjury, for each such unit:

- 1 (A) Whether the unit has been demolished;
- 2 (B) If the unit has not been demolished, whether it is in use;
- 3 (C) If it is in use, whether it is in residential use;
- 4 (D) If it is in residential use, the date the tenancy began, the name of
- 5 the tenant(s), and the amount of rent charged.

6 If the unit has been demolished, and one or more new units constructed on the  
7 lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit.  
8 The Board shall maintain a record of the notices received under Subsection (f) and all notices  
9 received under this Section for each unit subject to this reporting requirement.

10 (2) The Board shall notify each person who is reported as having become a  
11 tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it  
12 maintains the records described in Subsection (h)(1), and that the rent of the unit may be  
13 restricted pursuant to Subsection (a).

14 (3) The Board shall maintain a register of all rental units withdrawn from rent or  
15 lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The  
16 Board shall inform tenants displaced from units withdrawn from rent or lease at the address  
17 provided by the tenant, when the owner notifies the Board that the unit or replacement unit will  
18 again be offered for rent or lease within ten years of the date of withdrawal.

19 (4) The Board may investigate whether a rental unit that was withdrawn from rent  
20 or lease has been again offered for rent or lease, and whether the owner has complied with the  
21 provisions of this Section.

22 (i) This Section 37.9A is enacted principally to exercise specific authority provided for by  
23 Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by  
24 Stats. 1985, Ch. 1509, Section 1 (the Ellis Act, California Government Code Sections 7060 et  
25 seq.). In the case of any amendment to Chapter 12.75 or any other provision of State law which  
26 amendment is inconsistent with this Section, this Section shall be deemed to be amended to be  
27 consistent with State law, and to the extent it cannot be so amended shall be interpreted to be  
28 effective as previously adopted to the maximum extent possible.

**Sec. 37.9A Tenant Rights in Certain Displacements Under Section 37.9(a)(13).**

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. No. 5-00, effective February 13, 2000; Ord. No. 91-03, effective June 15, 2003; Ord. No. 21-05, effective February 20, 2005; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014]

This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

**(a) Rent Allowed.**

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9A(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section

1 37.9A(a)(1).

2 (b) Treatment of Replacement Units. If one or more units covered by subsection (a) is  
3 demolished, and one or more new units qualifying as rental units under this chapter but for the  
4 date on which they first receive a certificate of final completion and occupancy are constructed  
5 on the same property, and offered for rent or lease within five years of the date the last of the  
6 original units became vacant, the newly constructed units shall be offered at rents not greater  
7 than those reasonably calculated to produce a fair and reasonable return on the newly  
8 constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The  
9 provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the  
10 rents necessary to provide a fair and reasonable return.

11 (c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by  
12 subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from  
13 the unit as follows:

14 (1) If any tenant or lessee has advised the owner in writing within 30 days of  
15 displacement of his or her desire to consider an offer to renew the tenancy and has furnished the  
16 owner with an address to which that offer is to be directed, the owner must make such an offer  
17 whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant,  
18 lessee, or former tenant or lessee may advise the owner at any time of a change of address to  
19 which an offer is to be directed.

20 (2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within  
21 10 years of withdrawal, the owner shall notify the Rent Board in writing of the intention to re-rent  
22 the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the  
23 offer in writing within 30 days after the owner has notified the City of an intention to re-rent the  
24 unit. If the unit is offered for rent or lease more than two years after the date the unit was  
25 withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was  
26 displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount  
27 which does not exceed the contract rent for six months.

28 (3) If any former tenant or lessee has requested an offer to renew the tenancy,

1 either directly to the landlord or after notice from the Rent Board, then the owner shall offer to  
2 reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall  
3 be deposited in the United States mail, by registered or certified mail with postage prepaid,  
4 addressed to the displaced tenant or lessee at the address furnished to the owner as provided  
5 by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall  
6 have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of  
7 that acceptance or by deposit of the acceptance in the United States mail by registered or  
8 certified mail with postage prepaid.

9 (4) If more than one tenant or lessee attempts to accept the offer for a given unit,  
10 the landlord shall notify each tenant or lessee so accepting that other acceptances have been  
11 received, and shall further advise each such tenant or lessee of the names and addresses of the  
12 others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the  
13 landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first  
14 occupied the unit previously shall be entitled to accept the landlord's offer. If more than one  
15 eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or  
16 lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the  
17 unit.

18 (d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or  
19 lease within two years of the date of withdrawal:

20 (1) The owner shall be liable to any tenant or lessee who was displaced from the  
21 property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this  
22 paragraph shall be brought within three years of withdrawal of the unit from rent or lease.  
23 However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy  
24 available under the law.

25 (2) The City may institute a civil proceeding against the owner who has again  
26 offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees.  
27 Any action by the City pursuant to this paragraph shall be brought within three years of the  
28 withdrawal of the unit from rent or lease.

1 (e) Relocation Payments to Tenants.

2 (1) Before August 10, 2004, Low Income, Elderly or Disabled. Where a landlord  
3 seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units  
4 was filed with the Board before August 10, 2004, the relocation payments described in this  
5 Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income  
6 households, who are elderly, or who are disabled, as defined below.

7 (A) Tenants who are members of lower income households, as defined by  
8 Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit  
9 based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be  
10 entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days  
11 of the landlord's receipt of written notice from the tenants of their entitlement to the relocation  
12 payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

13 (B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office  
14 of Housing or its successor agency shall annually determine the income limits for lower income  
15 households, adjusted for household size.

16 (C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the  
17 size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at  
18 the time such notice is served, is 62 years of age or older, or who is disabled within the meaning  
19 of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00,  
20 \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
21 written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which  
22 shall be paid when the tenant vacates the unit.

23 (D) The payments due pursuant to this Subsection 37.9A(e)(1) for any  
24 unit which is occupied by more than one tenant shall be divided equally among all the occupying  
25 tenants, excluding those tenants who are separately entitled to payments under subsection  
26 37.9A(e)(1)(C) above.

27 (2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks  
28 eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units

1 is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of  
2 intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant  
3 still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as  
4 follows:

5 (A) Tenants who are members of lower income households, as defined by  
6 Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00,  
7 \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
8 written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of  
9 which shall be paid when the tenants vacate the unit.

10 (B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are  
11 not members of lower income households, as defined by Section 50079.5 of the California  
12 Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when  
13 the tenant vacates the unit;

14 (C) In the event there are more than three tenants in a unit, the total  
15 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
16 in the unit;

17 (D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who,  
18 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
19 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
20 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
21 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
22 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
23 vacates the unit.

24 (3) On or After February 20, 2005. Where a landlord seeks eviction based upon  
25 Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or  
26 after February 20, 2005, relocation payments shall be paid to the tenants as follows:

27 (A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant  
28 shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of

1 the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates  
2 the unit;

3 (B) In the event there are more than three tenants in a unit, the total  
4 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
5 in the unit; and

6 (C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who,  
7 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
8 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
9 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
10 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
11 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
12 vacates the unit.

13 (D) Commencing March 1, 2005, the relocation payments specified in  
14 Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the  
15 "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban  
16 Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as  
17 that data is made available by the United States Department of Labor and published by the  
18 Board.

19 <sup>1</sup>(E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1,  
20 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No.54-14),  
21 each tenant shall be entitled to the greater of:

22 (i) the payment specified in Subsections 37.9A(e)(3)(A) – (D), or  
23 (ii) an amount equal to the difference between the unit's rental rate  
24 at the time the landlord files the notice of intent to withdraw rental units with the Board, and the  
25 market rental rate for a comparable unit in San Francisco as determined by the Controller's  
26 Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the

27 <sup>1</sup> NOTE: On October 21, 2014, the United States District Court found Subsections 37.9A(e)(3)(E)-(I) unconstitutional in  
28 Levin v. CCSF, District Court Case No. 03352, and enjoined the City from enforcing those Subsections. The City is  
appealing that ruling to the Ninth Circuit Court of Appeals.

1 unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment  
2 Differential at the time of the service of the notice of termination of tenancy, and the remaining  
3 one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental  
4 Payment Differential Schedule within 5 days of the effective date of the ordinance creating this  
5 subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The  
6 Controller shall provide such Schedule to the Rent Board, which shall make the Schedule  
7 publicly available on the Rent Board's website and at the Rent Board office. In addition to  
8 receiving the Rental Payment Differential, any tenant who qualifies for payment under  
9 Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining  
10 annual changes in the rental market, the Controller shall rely on market data that reasonably  
11 reflects a representative sample of rental apartments in San Francisco.

12 (F) Any tenant who has received a notice of termination of tenancy, but  
13 who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating  
14 subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental  
15 Payment Differential, reduced by any payment the tenant has received under Subsections  
16 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

17 (G) (i) If payment of the Rental Payment Differential under Subsection  
18 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the  
19 resources available to the landlord, the landlord may file a written request, on a form provided by  
20 the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with  
21 the Rent Board, with supporting evidence. The Board, or its designated Administrative Law  
22 Judges, may order a reduction, payment plan, or any other relief they determine is justified  
23 following a hearing on the request.

24 (ii) At a hearing for hardship adjustment under Subsection (i), the  
25 Board, or its designated Administrative Law Judges, shall consider all relevant factors, including  
26 the number of units in the building and any evidence submitted regarding the landlord's age,  
27 length of ownership of the building, ownership of any other buildings, income, expenses, other  
28 assets, debt, health, and health care costs, except as provided in Subsection (iii).

1 (iii) At a hearing for hardship adjustment under Subsection (i), the  
2 Board, or its designated Administrative Law Judges, shall not consider any of the following types  
3 of assets owned by the landlord:

- 4 a. Assets held in retirement accounts; and  
5 b. Non-liquid personal property.

6 (H) Without limiting or otherwise affecting the landlord's right to obtain a  
7 hardship adjustment under Subsection 37.9A(e)(3)(G), the landlord may file a written request, on  
8 a form provided by the Rent Board, for a hearing with the Rent Board claiming that the San  
9 Francisco Rental Payment Differential Schedule established in Subsection 37.9A(e)(3)(E)(ii)  
10 does not reasonably reflect the market rental rate for a comparable unit in San Francisco and  
11 would result in an overpayment by the landlord ("Rent Differential Recalculation Request"). The  
12 landlord shall include evidence in support of the request. If the Board, or its designated  
13 Administrative Law Judges, grant(s) the request in whole or part, they shall order an appropriate  
14 adjustment of the payment due from the landlord.

15 (I) For purposes of considering Hardship Adjustment and Rent Differential  
16 Recalculation Requests under Subsections 37.9(e)(3)(G) and (H), the Board shall follow a  
17 process consistent with the existing Board hearing process under Section 37.8. If a landlord  
18 submits both types of hearing requests, the Board may consolidate its hearing of the two  
19 requests.

20 (4) Any notice to quit pursuant to Section 37.9(a)(13) shall notify the tenant or  
21 tenants concerned of the right to receive payment under this subsection 37.9A(e)(1) or (2) or (3).

22 (f) Notice to Rent Board; Recordation of Notice; Effective Date of Withdrawal.

23 (1) Any owner who intends to withdraw from rent or lease any rental unit shall  
24 notify the Rent Board in writing of said intention. Said notice shall contain statements, under  
25 penalty of perjury, providing information on the number of residential units, the address or  
26 location of those units, the name or names of the tenants or lessees of the units, and the rent  
27 applicable to each residential rental unit. Said notice shall be signed by all owners of record of  
28 the property under penalty of perjury and shall include a certification that actions have been

1 initiated as required by law to terminate existing tenancies through service of a notice of  
2 termination of tenancy. The notice must be served by certified mail or any other manner  
3 authorized by law prior to delivery to the Rent Board of the notice of intent to withdraw the rental  
4 units. Information respecting the name or names of the tenants, the rent applicable to any unit,  
5 or the total number of units, is confidential and shall be treated as confidential information by the  
6 City for purposes of the Information Practices Act of 1977, as contained in Chapter I  
7 (commencing with Section 1798) of Title 1.8 of part 4 of Division 3 of the Civil Code. The City  
8 shall, to the extent required by the preceding sentence, be considered an "agency," as defined  
9 by subdivision (b) of Section 1798.3 of the Civil Code.

10 (2) Prior to the effective date of withdrawal of rental units under this Section, the  
11 owner shall cause to be recorded with the County Recorder a memorandum of the notice  
12 required by subsection (f)(1) summarizing its provisions, other than the confidential provisions, in  
13 substantially the following form:

14 **Memorandum of Notice**  
15 **Regarding Withdrawal of Rental Unit From Rent or Lease**

16 This memorandum evidences that the undersigned, as the owner of the property  
17 described in Exhibit A attached, has filed a notice, whose contents are certified under  
18 penalty of perjury, stating the intent to withdraw from rent or lease all units at said  
property, pursuant to San Francisco Administrative Code Section 37.9A and the Ellis Act  
(California Government Code Section 7060 et seq.).

(Signature)

20 (3) For a notice of intent to withdraw rental units filed with the Rent Board on or  
21 before December 31, 1999, the date on which the units are withdrawn from rent or lease for  
22 purposes of this chapter and the Ellis Act is 60 days from the delivery in person or by first-class  
23 mail of the Subsection (f)(1) notice of intent to the Rent Board.

24 (4) For a notice of intent to withdraw rental units filed with the Rent Board on or  
25 after January 1, 2000, the date on which the units are withdrawn from rent or lease for purposes  
26 of this Chapter and the Ellis Act is 120 days from the delivery in person or by first-class mail of  
27 the Subsection (f)(1) notice of intent to the Rent Board. Except that, if the tenant or lessee is at  
28 least 62 years of age or disabled as defined in Government Code 12955.3, and has lived in his

1 or her unit for at least one year prior to the date of delivery to the Rent Board of the Subsection  
2 (f)(1) notice of intent to withdraw, then the date of withdrawal of the unit of that tenant or lessee  
3 shall be extended to one year after the date of delivery of that notice to the Rent Board, provided  
4 that the tenant or lessee gives written notice of his or her entitlement to an extension of the date  
5 of withdrawal to the owner within 60 days of the date of delivery to the Rent Board of the  
6 Subsection (f)(1) notice of intent to withdraw. In that situation, the following provisions shall  
7 apply:

8 (A) The tenancy shall be continued on the same terms and conditions as  
9 existed on the date of delivery to the Rent Board of the notice of intent to withdraw, subject to  
10 any adjustments otherwise available under Administrative Code Chapter 37.

11 (B) No party shall be relieved of the duty to perform any obligation under  
12 the lease or rental agreement.

13 (C) The owner may elect to extend the date of withdrawal on any other  
14 units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of  
15 intent to withdraw, subject to Subsections (f)(4)(A) and (B).

16 (D) Within 30 days of the notification by the tenant or lessee to the owner  
17 of his or her entitlement to an extension of the date of withdrawal, the owner shall give written  
18 notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for  
19 one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to  
20 withdraw.

21 (E) Within 90 days of the date of delivery to the Rent Board of the notice  
22 of intent to withdraw, the owner shall give written notice to the Rent Board and the affected  
23 tenant or lessee of the following:

24 (i) Whether or not the owner disputes the tenant's claim of  
25 extension;

26 (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the  
27 owner does not dispute the tenant's claim of extension; and

28 (iii) Whether or not the owner elects to extend the date of

1 withdrawal to other units on the property.

2 (5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent  
3 Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

5 (B) That the notice to the Rent Board specified the name and the amount  
6 of rent paid by the tenant or lessee as an occupant of the rental unit;

7 (C) The amount of rent the owner specified in the notice to the Rent  
8 Board,

9 (D) The tenant's or lessee's rights to reoccupancy and to relocation  
10 assistance under Subsections 37.9A(c) and (e); and,

11 (E) The rights of qualified elderly or disabled tenants as described under  
12 Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board  
13 of the Subsection (f)(1) notice of intent to withdraw.

14 (6) Within 30 days after the effective date of withdrawal of rental units under this  
15 Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder  
16 which describes the property and the dates of applicable restrictions on the property under this  
17 Section.

18 (g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a  
19 rental unit at the time displacement of a tenant or tenants is initiated and to any successor in  
20 interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the  
21 California Government Code (Sections 7060 et seq.).

22 (h) Reports Required.

23 (1) Not later than the last day of the third and sixth calendar months following the  
24 month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than  
25 December 31st of each calendar year for a period of five years, beginning with the year in which  
26 the six-month notice is given, the owner of any property which contains or formerly contained  
27 one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall  
28 notify the Board, in writing, under penalty of perjury, for each such unit:

- (B) If the unit has not been demolished, whether it is in use;
- (C) If it is in use, whether it is in residential use;
- (D) If it is in residential use, the date the tenancy began, the name of the tenant(s), and the amount of rent charged.

If the unit has been demolished, and one or more new units constructed on the lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit. The Board shall maintain a record of the notices received under Subsection (f) and all notices received under this Section for each unit subject to this reporting requirement.

(2) The Board shall notify each person who is reported as having become a tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it maintains the records described in Subsection (h)(1), and that the rent of the unit may be restricted pursuant to Subsection (a).

(3) The Board shall maintain a register of all rental units withdrawn from rent or lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The Board shall inform tenants displaced from units withdrawn from rent or lease at the address provided by the tenant, when the owner notifies the Board that the unit or replacement unit will again be offered for rent or lease within ten years of the date of withdrawal.

(4) The Board may investigate whether a rental unit that was withdrawn from rent or lease has been again offered for rent or lease, and whether the owner has complied with the provisions of this Section.

(i) This Section 37.9A is enacted principally to exercise specific authority provided for by Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by Stats. 1985, Ch. 1509, Section 1 (the Ellis Act, California Government Code Sections 7060 et seq.). In the case of any amendment to Chapter 12.75 or any other provision of State law which amendment is inconsistent with this Section, this Section shall be deemed to be amended to be consistent with State law, and to the extent it cannot be so amended shall be interpreted to be effective as previously adopted to the maximum extent possible.

**Sec. 37.9A Tenant Rights in Certain Displacements Under Section 37.9(a)(13).**

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. No. 5-00, effective February 13, 2000; Ord. No. 91-03, effective June 15, 2003; Ord. No. 21-05, effective February 20, 2005; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014]

This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

**(a) Rent Allowed.**

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9(A)(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section

1 37.9A(a)(1).

2 (b) Treatment of Replacement Units. If one or more units covered by subsection (a) is  
3 demolished, and one or more new units qualifying as rental units under this chapter but for the  
4 date on which they first receive a certificate of final completion and occupancy are constructed  
5 on the same property, and offered for rent or lease within five years of the date the last of the  
6 original units became vacant, the newly constructed units shall be offered at rents not greater  
7 than those reasonably calculated to produce a fair and reasonable return on the newly  
8 constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The  
9 provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the  
10 rents necessary to provide a fair and reasonable return.

11 (c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by  
12 subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from  
13 the unit as follows:

14 (1) If any tenant or lessee has advised the owner in writing within 30 days of  
15 displacement of his or her desire to consider an offer to renew the tenancy and has furnished the  
16 owner with an address to which that offer is to be directed, the owner must make such an offer  
17 whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant,  
18 lessee, or former tenant or lessee may advise the owner at any time of a change of address to  
19 which an offer is to be directed.

20 (2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within  
21 10 years of withdrawal, the owner shall notify the Rent Board in writing of the intention to re-rent  
22 the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the  
23 offer in writing within 30 days after the owner has notified the City of an intention to re-rent the  
24 unit. If the unit is offered for rent or lease more than two years after the date the unit was  
25 withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was  
26 displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount  
27 which does not exceed the contract rent for six months.

28 (3) If any former tenant or lessee has requested an offer to renew the tenancy,

1 either directly to the landlord or after notice from the Rent Board, then the owner shall offer to  
2 reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall  
3 be deposited in the United States mail, by registered or certified mail with postage prepaid,  
4 addressed to the displaced tenant or lessee at the address furnished to the owner as provided  
5 by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall  
6 have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of  
7 that acceptance or by deposit of the acceptance in the United States mail by registered or  
8 certified mail with postage prepaid.

9 (4) If more than one tenant or lessee attempts to accept the offer for a given unit,  
10 the landlord shall notify each tenant or lessee so accepting that other acceptances have been  
11 received, and shall further advise each such tenant or lessee of the names and addresses of the  
12 others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the  
13 landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first  
14 occupied the unit previously shall be entitled to accept the landlord's offer. If more than one  
15 eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or  
16 lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the  
17 unit.

18 (d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or  
19 lease within two years of the date of withdrawal:

20 (1) The owner shall be liable to any tenant or lessee who was displaced from the  
21 property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this  
22 paragraph shall be brought within three years of withdrawal of the unit from rent or lease.  
23 However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy  
24 available under the law.

25 (2) The City may institute a civil proceeding against the owner who has again  
26 offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees.  
27 Any action by the City pursuant to this paragraph shall be brought within three years of the  
28 withdrawal of the unit from rent or lease.

1           (e) Relocation Payments to Tenants.

2                   (1) Before August 10, 2004, Low Income, Elderly or Disabled. Where a landlord  
3 seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units  
4 was filed with the Board before August 10, 2004, the relocation payments described in this  
5 Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income  
6 households, who are elderly, or who are disabled, as defined below.

7                           (A) Tenants who are members of lower income households, as defined by  
8 Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit  
9 based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be  
10 entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days  
11 of the landlord's receipt of written notice from the tenants of their entitlement to the relocation  
12 payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

13                           (B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office  
14 of Housing or its successor agency shall annually determine the income limits for lower income  
15 households, adjusted for household size.

16                           (C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the  
17 size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at  
18 the time such notice is served, is 62 years of age or older, or who is disabled within the meaning  
19 of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00,  
20 \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
21 written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which  
22 shall be paid when the tenant vacates the unit.

23                           (D) The payments due pursuant to this Subsection 37.9A(e)(1) for any  
24 unit which is occupied by more than one tenant shall be divided equally among all the occupying  
25 tenants, excluding those tenants who are separately entitled to payments under subsection  
26 37.9A(e)(1)(C) above.

27                   (2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks  
28 eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units

1 is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of  
2 intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant  
3 still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as  
4 follows:

5 (A) Tenants who are members of lower income households, as defined by  
6 Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00,  
7 \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of  
8 written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of  
9 which shall be paid when the tenants vacate the unit.

10 (B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are  
11 not members of lower income households, as defined by Section 50079.5 of the California  
12 Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when  
13 the tenant vacates the unit;

14 (C) In the event there are more than three tenants in a unit, the total  
15 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
16 in the unit;

17 (D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who,  
18 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
19 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
20 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
21 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
22 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
23 vacates the unit.

24 (3) On or After February 20, 2005. Where a landlord seeks eviction based upon  
25 Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or  
26 after February 20, 2005, relocation payments shall be paid to the tenants as follows:

27 (A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant  
28 shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of

1 the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates  
2 the unit;

3 (B) In the event there are more than three tenants in a unit, the total  
4 relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants  
5 in the unit; and

6 (C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who,  
7 at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age  
8 or older, or who is disabled within the meaning of Section 12955.3 of the California Government  
9 Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall  
10 be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant  
11 of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant  
12 vacates the unit.

13 (D) Commencing March 1, 2005, the relocation payments specified in  
14 Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the  
15 "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban  
16 Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as  
17 that data is made available by the United States Department of Labor and published by the  
18 Board.

19 <sup>1</sup>(E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1,  
20 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No.54-14),  
21 each tenant shall be entitled to the greater of:

22 (i) the payment specified in Subsections 37.9A(e)(3)(A) – (D); or  
23 (ii) an amount equal to the difference between the unit's rental rate  
24 at the time the landlord files the notice of intent to withdraw rental units with the Board, and the  
25 market rental rate for a comparable unit in San Francisco as determined by the Controller's  
26 Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the

27 <sup>1</sup> NOTE: On October 21, 2014, the United States District Court found Subsections 37.9A(e)(3)(E)-(I) unconstitutional in  
28 Levin v. CCSF, District Court Case No. 03352, and enjoined the City from enforcing those Subsections. The City is  
appealing that ruling to the Ninth Circuit Court of Appeals.

1 unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment  
2 Differential at the time of the service of the notice of termination of tenancy, and the remaining  
3 one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental  
4 Payment Differential Schedule within 5 days of the effective date of the ordinance creating this  
5 subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The  
6 Controller shall provide such Schedule to the Rent Board, which shall make the Schedule  
7 publicly available on the Rent Board's website and at the Rent Board office. In addition to  
8 receiving the Rental Payment Differential, any tenant who qualifies for payment under  
9 Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining  
10 annual changes in the rental market, the Controller shall rely on market data that reasonably  
11 reflects a representative sample of rental apartments in San Francisco.

12 (F) Any tenant who has received a notice of termination of tenancy, but  
13 who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating  
14 subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental  
15 Payment Differential, reduced by any payment the tenant has received under Subsections  
16 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

17 (G) (i) If payment of the Rental Payment Differential under Subsection  
18 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the  
19 resources available to the landlord, the landlord may file a written request, on a form provided by  
20 the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with  
21 the Rent Board, with supporting evidence. The Board, or its designated Administrative Law  
22 Judges, may order a reduction, payment plan, or any other relief they determine is justified  
23 following a hearing on the request.

24 (ii) At a hearing for hardship adjustment under Subsection (i), the  
25 Board, or its designated Administrative Law Judges, shall consider all relevant factors, including  
26 the number of units in the building and any evidence submitted regarding the landlord's age,  
27 length of ownership of the building, ownership of any other buildings, income, expenses, other  
28 assets, debt, health, and health care costs, except as provided in Subsection (iii).

1 (iii) At a hearing for hardship adjustment under Subsection (i), the  
2 Board, or its designated Administrative Law Judges, shall not consider any of the following types  
3 of assets owned by the landlord:

- 4 a. Assets held in retirement accounts; and
- 5 b. Non-liquid personal property.

6 (H) Without limiting or otherwise affecting the landlord's right to obtain a  
7 hardship adjustment under Subsection 37.9A(e)(3)(G), the landlord may file a written request, on  
8 a form provided by the Rent Board, for a hearing with the Rent Board claiming that the San  
9 Francisco Rental Payment Differential Schedule established in Subsection 37.9A(e)(3)(E)(ii)  
10 does not reasonably reflect the market rental rate for a comparable unit in San Francisco and  
11 would result in an overpayment by the landlord ("Rent Differential Recalculation Request"). The  
12 landlord shall include evidence in support of the request. If the Board, or its designated  
13 Administrative Law Judges, grant(s) the request in whole or part, they shall order an appropriate  
14 adjustment of the payment due from the landlord.

15 (I) For purposes of considering Hardship Adjustment and Rent Differential  
16 Recalculation Requests under Subsections 37.9(e)(3)(G) and (H), the Board shall follow a  
17 process consistent with the existing Board hearing process under Section 37.8. If a landlord  
18 submits both types of hearing requests, the Board may consolidate its hearing of the two  
19 requests.

20 (4) Any notice to quit pursuant to Section 37.9(a)(13) shall notify the tenant or  
21 tenants concerned of the right to receive payment under this subsection 37.9A(e)(1) or (2) or (3).

22 (f) Notice to Rent Board; Recordation of Notice; Effective Date of Withdrawal.

23 (1) Any owner who intends to withdraw from rent or lease any rental unit shall  
24 notify the Rent Board in writing of said intention. Said notice shall contain statements, under  
25 penalty of perjury, providing information on the number of residential units, the address or  
26 location of those units, the name or names of the tenants or lessees of the units, and the rent  
27 applicable to each residential rental unit. Said notice shall be signed by all owners of record of  
28 the property under penalty of perjury and shall include a certification that actions have been

1 initiated as required by law to terminate existing tenancies through service of a notice of  
2 termination of tenancy. The notice must be served by certified mail or any other manner  
3 authorized by law prior to delivery to the Rent Board of the notice of intent to withdraw the rental  
4 units. Information respecting the name or names of the tenants, the rent applicable to any unit,  
5 or the total number of units, is confidential and shall be treated as confidential information by the  
6 City for purposes of the Information Practices Act of 1977, as contained in Chapter I  
7 (commencing with Section 1798) of Title 1.8 of part 4 of Division 3 of the Civil Code. The City  
8 shall, to the extent required by the preceding sentence, be considered an "agency," as defined  
9 by subdivision (b) of Section 1798.3 of the Civil Code.

10 (2) Prior to the effective date of withdrawal of rental units under this Section, the  
11 owner shall cause to be recorded with the County Recorder a memorandum of the notice  
12 required by subsection (f)(1) summarizing its provisions, other than the confidential provisions, in  
13 substantially the following form:

14 **Memorandum of Notice**  
15 **Regarding Withdrawal of Rental Unit From Rent or Lease**

16 This memorandum evidences that the undersigned, as the owner of the property  
17 described in Exhibit A attached, has filed a notice, whose contents are certified under  
18 penalty of perjury, stating the intent to withdraw from rent or lease all units at said  
property, pursuant to San Francisco Administrative Code Section 37.9A and the Ellis Act  
(California Government Code Section 7060 et seq.).

19 \_\_\_\_\_  
(Signature)

20 (3) For a notice of intent to withdraw rental units filed with the Rent Board on or  
21 before December 31, 1999, the date on which the units are withdrawn from rent or lease for  
22 purposes of this chapter and the Ellis Act is 60 days from the delivery in person or by first-class  
23 mail of the Subsection (f)(1) notice of intent to the Rent Board.

24 (4) For a notice of intent to withdraw rental units filed with the Rent Board on or  
25 after January 1, 2000, the date on which the units are withdrawn from rent or lease for purposes  
26 of this Chapter and the Ellis Act is 120 days from the delivery in person or by first-class mail of  
27 the Subsection (f)(1) notice of intent to the Rent Board. Except that, if the tenant or lessee is at  
28 least 62 years of age or disabled as defined in Government Code 12955.3, and has lived in his

1 or her unit for at least one year prior to the date of delivery to the Rent Board of the Subsection  
2 (f)(1) notice of intent to withdraw, then the date of withdrawal of the unit of that tenant or lessee  
3 shall be extended to one year after the date of delivery of that notice to the Rent Board, provided  
4 that the tenant or lessee gives written notice of his or her entitlement to an extension of the date  
5 of withdrawal to the owner within 60 days of the date of delivery to the Rent Board of the  
6 Subsection (f)(1) notice of intent to withdraw. In that situation, the following provisions shall  
7 apply:

8 (A) The tenancy shall be continued on the same terms and conditions as  
9 existed on the date of delivery to the Rent Board of the notice of intent to withdraw, subject to  
10 any adjustments otherwise available under Administrative Code Chapter 37.

11 (B) No party shall be relieved of the duty to perform any obligation under  
12 the lease or rental agreement.

13 (C) The owner may elect to extend the date of withdrawal on any other  
14 units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of  
15 intent to withdraw, subject to Subsections (f)(4)(A) and (B).

16 (D) Within 30 days of the notification by the tenant or lessee to the owner  
17 of his or her entitlement to an extension of the date of withdrawal, the owner shall give written  
18 notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for  
19 one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to  
20 withdraw.

21 (E) Within 90 days of the date of delivery to the Rent Board of the notice  
22 of intent to withdraw, the owner shall give written notice to the Rent Board and the affected  
23 tenant or lessee of the following:

24 (i) Whether or not the owner disputes the tenant's claim of  
25 extension;

26 (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the  
27 owner does not dispute the tenant's claim of extension; and

28 (iii) Whether or not the owner elects to extend the date of

1 withdrawal to other units on the property.

2 (5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent  
3 Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

4 (A) That the Rent Board has been notified pursuant to Subsection (f)(1),

5 (B) That the notice to the Rent Board specified the name and the amount  
6 of rent paid by the tenant or lessee as an occupant of the rental unit;

7 (C) The amount of rent the owner specified in the notice to the Rent  
8 Board,

9 (D) The tenant's or lessee's rights to reoccupancy and to relocation  
10 assistance under Subsections 37.9A(c) and (e); and,

11 (E) The rights of qualified elderly or disabled tenants as described under  
12 Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board  
13 of the Subsection (f)(1) notice of intent to withdraw.

14 (6) Within 30 days after the effective date of withdrawal of rental units under this  
15 Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder  
16 which describes the property and the dates of applicable restrictions on the property under this  
17 Section.

18 (g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a  
19 rental unit at the time displacement of a tenant or tenants is initiated and to any successor in  
20 interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the  
21 California Government Code (Sections 7060 et seq.).

22 (h) Reports Required.

23 (1) Not later than the last day of the third and sixth calendar months following the  
24 month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than  
25 December 31st of each calendar year for a period of five years, beginning with the year in which  
26 the six-month notice is given, the owner of any property which contains or formerly contained  
27 one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall  
28 notify the Board, in writing, under penalty of perjury, for each such unit:

1 (A) Whether the unit has been demolished;

2 (B) If the unit has not been demolished, whether it is in use;

3 (C) If it is in use, whether it is in residential use;

4 (D) If it is in residential use, the date the tenancy began, the name of  
5 the tenant(s), and the amount of rent charged.

6 If the unit has been demolished, and one or more new units constructed on the  
7 lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit.

8 The Board shall maintain a record of the notices received under Subsection (f) and all notices  
9 received under this Section for each unit subject to this reporting requirement.

10 (2) The Board shall notify each person who is reported as having become a  
11 tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it  
12 maintains the records described in Subsection (h)(1), and that the rent of the unit may be  
13 restricted pursuant to Subsection (a).

14 (3) The Board shall maintain a register of all rental units withdrawn from rent or  
15 lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The  
16 Board shall inform tenants displaced from units withdrawn from rent or lease at the address  
17 provided by the tenant, when the owner notifies the Board that the unit or replacement unit will  
18 again be offered for rent or lease within ten years of the date of withdrawal.

19 (4) The Board may investigate whether a rental unit that was withdrawn from rent  
20 or lease has been again offered for rent or lease, and whether the owner has complied with the  
21 provisions of this Section.

22 (i) This Section 37.9A is enacted principally to exercise specific authority provided for by  
23 Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by  
24 Stats. 1985, Ch. 1509, Section 1 (the Ellis Act, California Government Code Sections 7060 et  
25 seq.). In the case of any amendment to Chapter 12.75 or any other provision of State law which  
26 amendment is inconsistent with this Section, this Section shall be deemed to be amended to be  
27 consistent with State law, and to the extent it cannot be so amended shall be interpreted to be  
28 effective as previously adopted to the maximum extent possible.

AMENDED Notice of Intent to Withdraw

Dear San Francisco Rent Board:

We previously filed a Notice of Intent to Withdraw Residential Units from the Rental Market for the above addresses on March 30, 2015. However we noticed that we put the incorrect zip code for the subject property. The correct zip code is 94107. As such, we would like to correct the error by filing an (Amended) Notice of Intent to Withdraw Residential Units from the Rental Market. See enclosed. We will use the date of filing of this document for the purposes of calculating the date of withdrawal.

I have included a copy of the cover page of the (Amended) Notice of Intent to Withdraw. Please stamp and return the copy to our office using the self-addressed, stamped envelope that I have enclosed. You can call me at (510) 893-3294 or email me at [pamela@uylawgroup.com](mailto:pamela@uylawgroup.com) if you have any questions.

Thank you,

Pamela Chung

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

### (a) Rent Allowed.

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9A(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section 37.9A(a)(1).

(b) Treatment of Replacement Units. If one or more units covered by subsection (a) is demolished, and one or more new units qualifying as rental units under this chapter but for the date on which they first receive a certificate of final completion and occupancy are constructed on the same property, and offered for rent or lease within five years of the date the last of the original units became vacant, the newly constructed units shall be offered at rents not greater than those reasonably calculated to produce a fair and reasonable return on the newly constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the rents necessary to provide a fair and reasonable return.

(c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from the unit as follows:

(1) If any tenant or lessee has advised the owner in writing within 30 days of displacement of his or her desire to consider an offer to renew the tenancy and has furnished the owner with an address to which that offer is to be directed, the owner must make such an offer whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant, lessee, or former tenant or lessee may advise the owner at any time of a change of address to which an offer is to be directed.

(2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within 10 years of

withdrawal, the owner shall notify the Rent Board in writing of the intention to re-rent the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the offer in writing within 30 days after the owner has notified the City of an intention to re-rent the unit. If the unit is offered for rent or lease more than two years after the date the unit was withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount which does not exceed the contract rent for six months.

(3) If any former tenant or lessee has requested an offer to renew the tenancy, either directly to the landlord or after notice from the Rent Board, then the owner shall offer to reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall be deposited in the United States mail, by registered or certified mail with postage prepaid, addressed to the displaced tenant or lessee at the address furnished to the owner as provided by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of that acceptance or by deposit of the acceptance in the United States mail by registered or certified mail with postage prepaid.

(4) If more than one tenant or lessee attempts to accept the offer for a given unit, the landlord shall notify each tenant or lessee so accepting that other acceptances have been received, and shall further advise each such tenant or lessee of the names and addresses of the others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first occupied the unit previously shall be entitled to accept the landlord's offer. If more than one eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the unit.

(d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or lease within two years of the date of withdrawal:

(1) The owner shall be liable to any tenant or lessee who was displaced from the property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this paragraph shall be brought within three years of withdrawal of the unit from rent or lease. However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy available under the law.

(2) The City may institute a civil proceeding against the owner who has again offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees. Any action by the City pursuant to this paragraph shall be brought within three years of the withdrawal of the unit from rent or lease.

(e) Relocation Payments to Tenants.

(1) Before August 10, 2004, Low Income, Elderly or Disabled. Where a landlord seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units was filed with the Board before August 10, 2004, the relocation payments described in this Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income households, who are elderly, or who are disabled, as defined below.

(A) Tenants who are members of lower income households, as defined by Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

(B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office of Housing or its successor agency shall annually determine the income limits for lower income households, adjusted for household size.

(C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at the time such notice is served, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(D) The payments due pursuant to this Subsection 37.9A(e)(1) for any unit which is occupied by more than one tenant shall be divided equally among all the occupying tenants, excluding those tenants who are separately entitled to payments under subsection 37.9A(e)(1)(C) above.

(2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as follows:

(A) Tenants who are members of lower income households, as defined by Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

(B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are not members of

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

**(a) Rent Allowed.**

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9A(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section 37.9A(a)(1).

**(b) Treatment of Replacement Units.** If one or more units covered by subsection (a) is demolished, and one or more new units qualifying as rental units under this chapter but for the date on which they first receive a certificate of final completion and occupancy are constructed on the same property, and offered for rent or lease within five years of the date the last of the original units became vacant, the newly constructed units shall be offered at rents not greater than those reasonably calculated to produce a fair and reasonable return on the newly constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the rents necessary to provide a fair and reasonable return.

**(c) Rights to Re-Rent.** Any owner who again offers for rent or lease any unit covered by subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from the unit as follows:

(1) If any tenant or lessee has advised the owner in writing within 30 days of displacement of his or her desire to consider an offer to renew the tenancy and has furnished the owner with an address to which that offer is to be directed, the owner must make such an offer whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant, lessee, or former tenant or lessee may advise the owner at any time of a change of address to which an offer is to be directed.

(2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within 10 years of

withdrawal, the owner shall notify the Rent Board in writing of the intention to re-rent the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the offer in writing within 30 days after the owner has notified the City of an intention to re-rent the unit. If the unit is offered for rent or lease more than two years after the date the unit was withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount which does not exceed the contract rent for six months.

(3) If any former tenant or lessee has requested an offer to renew the tenancy, either directly to the landlord or after notice from the Rent Board, then the owner shall offer to reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall be deposited in the United States mail, by registered or certified mail with postage prepaid, addressed to the displaced tenant or lessee at the address furnished to the owner as provided by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of that acceptance or by deposit of the acceptance in the United States mail by registered or certified mail with postage prepaid.

(4) If more than one tenant or lessee attempts to accept the offer for a given unit, the landlord shall notify each tenant or lessee so accepting that other acceptances have been received, and shall further advise each such tenant or lessee of the names and addresses of the others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first occupied the unit previously shall be entitled to accept the landlord's offer. If more than one eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the unit.

(d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or lease within two years of the date of withdrawal:

(1) The owner shall be liable to any tenant or lessee who was displaced from the property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this paragraph shall be brought within three years of withdrawal of the unit from rent or lease. However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy available under the law.

(2) The City may institute a civil proceeding against the owner who has again offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees. Any action by the City pursuant to this paragraph shall be brought within three years of the withdrawal of the unit from rent or lease.

(e) Relocation Payments to Tenants.

(1) Before August 10, 2004. Low Income, Elderly or Disabled. Where a landlord seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units was filed with the Board before August 10, 2004, the relocation payments described in this Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income households, who are elderly, or who are disabled, as defined below.

(A) Tenants who are members of lower income households, as defined by Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

(B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office of Housing or its successor agency shall annually determine the income limits for lower income households, adjusted for household size.

(C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at the time such notice is served, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(D) The payments due pursuant to this Subsection 37.9A(e)(1) for any unit which is occupied by more than one tenant shall be divided equally among all the occupying tenants, excluding those tenants who are separately entitled to payments under subsection 37.9A(e)(1)(C) above.

(2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as follows:

(A) Tenants who are members of lower income households, as defined by Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

(B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are not members of

lower income households, as defined by Section 50079.5 of the California Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when the tenant vacates the unit;

(C) In the event there are more than three tenants in a unit, the total relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants in the unit;

(D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who, at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(3) On or After February 20, 2005. Where a landlord seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or after February 20, 2005, relocation payments shall be paid to the tenants as follows:

(A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates the unit;

(B) In the event there are more than three tenants in a unit, the total relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants in the unit; and

(C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who, at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(D) Commencing March 1, 2005, the relocation payments specified in Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as that data is made available by the United States Department of Labor and published by the Board.

[1](E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1, 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No.54-14), each tenant shall be entitled to the greater of:

(i) the payment specified in Subsections 37.9A(e)(3)(A) – (D); or

(ii) an amount equal to the difference between the unit's rental rate at the time the landlord files the notice of intent to withdraw rental units with the Board, and the market rental rate for a comparable unit in San Francisco as determined by the Controller's Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment Differential at the time of the service of the notice of termination of tenancy, and the remaining one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental Payment Differential Schedule within 5 days of the effective date of the ordinance creating this subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The Controller shall provide such Schedule to the Rent Board, which shall make the Schedule publicly available on the Rent Board's website and at the Rent Board office. In addition to receiving the Rental Payment Differential, any tenant who qualifies for payment under Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining annual changes in the rental market, the Controller shall rely on market data that reasonably reflects a representative sample of rental apartments in San Francisco.

(F) Any tenant who has received a notice of termination of tenancy, but who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental Payment Differential, reduced by any payment the tenant has received under Subsections 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

(G) (i) If payment of the Rental Payment Differential under Subsection 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the resources available to the landlord, the landlord may file a written request, on a form provided by the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with the Rent Board, with supporting evidence. The Board, or its designated Administrative Law Judges, may order a reduction, payment plan, or any other relief they determine is justified following a hearing on the request.

(ii) At a hearing for hardship adjustment under Subsection (i), the Board, or its designated Administrative Law Judges, shall consider all relevant factors, including the number of units in the building and any evidence submitted regarding the landlord's age, length of ownership of the building, ownership of any other buildings, income, expenses, other assets, debt, health, and health care costs, except as provided in Subsection (iii).

(iii) At a hearing for hardship adjustment under Subsection (i), the Board, or its

designated Administrative Law Judges, shall not consider any of the following assets of assets owned by the landlord:

- a. Assets held in retirement accounts; and
- b. Non-liquid personal property.

(H) Without limiting or otherwise affecting the landlord's right to obtain a hardship adjustment under Subsection 37.9A(e)(3)(G), the landlord may file a written request, on a form provided by the Rent Board, for a hearing with the Rent Board claiming that the San Francisco Rental Payment Differential Schedule established in Subsection 37.9A(e)(3)(E)(ii) does not reasonably reflect the market rental rate for a comparable unit in San Francisco and would result in an overpayment by the landlord ("Rent Differential Recalculation Request"). The landlord shall include evidence in support of the request. If the Board, or its designated Administrative Law Judges, grant(s) the request in whole or part, they shall order an appropriate adjustment of the payment due from the landlord.

(I) For purposes of considering Hardship Adjustment and Rent Differential Recalculation Requests under Subsections 37.9(e)(3)(G) and (H), the Board shall follow a process consistent with the existing Board hearing process under Section 37.8. If a landlord submits both types of hearing requests, the Board may consolidate its hearing of the two requests.

(4) Any notice to quit pursuant to Section 37.9(a)(13) shall notify the tenant or tenants concerned of the right to receive payment under this subsection 37.9A(e)(1) or (2) or (3).

(f) Notice to Rent Board: Recordation of Notice: Effective Date of Withdrawal.

(1) Any owner who intends to withdraw from rent or lease any rental unit shall notify the Rent Board in writing of said intention. Said notice shall contain statements, under penalty of perjury, providing information on the number of residential units, the address or location of those units, the name or names of the tenants or lessees of the units, and the rent applicable to each residential rental unit. Said notice shall be signed by all owners of record of the property under penalty of perjury and shall include a certification that actions have been initiated as required by law to terminate existing tenancies through service of a notice of termination of tenancy. The notice must be served by certified mail or any other manner authorized by law prior to delivery to the Rent Board of the notice of intent to withdraw the rental units. Information respecting the name or names of the tenants, the rent applicable to any unit, or the total number of units, is confidential and shall be treated as confidential information by the City for purposes of the Information Practices Act of 1977, as contained in Chapter I (commencing with Section 1798) of Title 1.8 of part 4 of Division 3 of the Civil Code. The City shall, to the extent required by the preceding sentence, be considered an "agency," as defined by subdivision (b) of Section 1798.3 of the Civil Code.

(2) Prior to the effective date of withdrawal of rental units under this Section, the owner shall cause to be recorded with the County Recorder a memorandum of the notice required by subsection (f)(1) summarizing its provisions, other than the confidential provisions, in substantially the following form:

**Memorandum of Notice**  
**Regarding Withdrawal of Rental Unit From Rent or Lease**

**This memorandum evidences that the undersigned, as the owner of the property described in Exhibit A attached, has filed a notice, whose contents are certified under penalty of perjury, stating the intent to withdraw from rent or lease all units at said property, pursuant to San Francisco Administrative Code Section 37.9A and the Ellis Act (California Government Code Section 7060 et seq.).**

(3) For a notice of intent to withdraw rental units filed with the Rent Board on or before December 31, 1999, the date on which the units are withdrawn from rent or lease for purposes of this chapter and the Ellis Act is 60 days from the delivery in person or by first-class mail of the Subsection (f)(1) notice of intent to the Rent Board.

(4) For a notice of intent to withdraw rental units filed with the Rent Board on or after January 1, 2000, the date on which the units are withdrawn from rent or lease for purposes of this Chapter and the Ellis Act is 120 days from the delivery in person or by first-class mail of the Subsection (f)(1) notice of intent to the Rent Board. Except that, if the tenant or lessee is at least 62 years of age or disabled as defined in Government Code 12955.3, and has lived in his or her unit for at least one year prior to the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw, then the date of withdrawal of the unit of that tenant or lessee shall be extended to one year after the date of delivery of that notice to the Rent Board, provided that the tenant or lessee gives written notice of his or her entitlement to an extension of the date of withdrawal to the owner within 60 days of the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw. In that situation, the following provisions shall apply:

(A) The tenancy shall be continued on the same terms and conditions as existed on the date of delivery to the Rent Board of the notice of intent to withdraw, subject to any adjustments otherwise available under Administrative Code Chapter 37.

(B) No party shall be relieved of the duty to perform any obligation under the lease or rental

agreement.

(C) The owner may elect to extend the date of withdrawal on any other units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw, subject to Subsections (f)(4)(A) and (B).

(D) Within 30 days of the notification by the tenant or lessee to the owner of his or her entitlement to an extension of the date of withdrawal, the owner shall give written notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw.

(E) Within 90 days of the date of delivery to the Rent Board of the notice of intent to withdraw, the owner shall give written notice to the Rent Board and the affected tenant or lessee of the following:

- (i) Whether or not the owner disputes the tenant's claim of extension;
- (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the owner does not dispute the tenant's claim of extension; and
- (iii) Whether or not the owner elects to extend the date of withdrawal to other units on the property.

(5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

- (A) That the Rent Board has been notified pursuant to Subsection (f)(1),
- (B) That the notice to the Rent Board specified the name and the amount of rent paid by the tenant or lessee as an occupant of the rental unit;
- (C) The amount of rent the owner specified in the notice to the Rent Board,
- (D) The tenant's or lessee's rights to reoccupancy and to relocation assistance under Subsections 37.9A(c) and (e); and,
- (E) The rights of qualified elderly or disabled tenants as described under Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw.

(6) Within 30 days after the effective date of withdrawal of rental units under this Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder which describes the property and the dates of applicable restrictions on the property under this Section.

(g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a rental unit at the time displacement of a tenant or tenants is initiated and to any successor in interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the California Government Code (Sections 7060 et seq.).

(h) Reports Required.

(1) Not later than the last day of the third and sixth calendar months following the month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than December 31st of each calendar year for a period of five years, beginning with the year in which the six-month notice is given, the owner of any property which contains or formerly contained one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall notify the Board, in writing, under penalty of perjury, for each such unit:

- (A) Whether the unit has been demolished;
- (B) If the unit has not been demolished, whether it is in use;
- (C) If it is in use, whether it is in residential use;
- (D) If it is in residential use, the date the tenancy began, the name of the tenant(s), and the amount of rent charged.

If the unit has been demolished, and one or more new units constructed on the lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit. The Board shall maintain a record of the notices received under Subsection (f) and all notices received under this Section for each unit subject to this reporting requirement.

(2) The Board shall notify each person who is reported as having become a tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it maintains the records described in Subsection (h)(1), and that the rent of the unit may be restricted pursuant to Subsection (a).

(3) The Board shall maintain a register of all rental units withdrawn from rent or lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The Board shall inform tenants displaced from units withdrawn from rent or lease at the address provided by the tenant, when the owner notifies the Board that the unit or replacement unit will again be offered for rent or lease within ten years of the date of withdrawal.

(4) The Board may investigate whether a rental unit that was withdrawn from rent or lease has been again offered for rent or lease, and whether the owner has complied with the provisions of this Section.

(i) This Section 37.9A is enacted principally to exercise specific authority provided for by Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by Stats. 1985, Ch. 1509, Section 1 (the

Ellis Act, California Government Code Sections 7060 et seq.). In the case of an amendment to Chapter 12.75 or any other provision of State law which amendment is inconsistent with this Section, this Section shall be deemed to be amended to be consistent with State law, and to the extent it cannot be so amended shall be interpreted to be effective as previously adopted to the maximum extent possible.

CITY & COUNTY OF SAN FRANCISCO

### Section 37.9A Tenant Rights in Certain Displacements Under Section 37.9(a)(13)

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. No. 5-00, effective February 13, 2000; Ord. No. 91-03, effective June 15, 2003; Ord. No. 21-05, effective February 20, 2005; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014]

This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

#### (a) Rent Allowed.

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9A(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section 37.9A(a)(1).

(b) Treatment of Replacement Units. If one or more units covered by subsection (a) is demolished, and one or more new units qualifying as rental units under this chapter but for the date on which they first receive a certificate of final completion and occupancy are constructed on the same property, and offered for rent or lease within five years of the date the last of the original units became vacant, the newly constructed units shall be offered at rents not greater than those reasonably calculated to produce a fair and reasonable return on the newly constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the rents necessary to provide a fair and reasonable return.

(c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from the unit as follows:

(1) If any tenant or lessee has advised the owner in writing within 30 days of displacement of his or her desire to consider an offer to renew the tenancy and has furnished the owner with an address to which that offer is to be directed, the owner must make such an offer whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant, lessee, or former tenant or lessee may advise the owner at any time of a change of address to which an offer is to be directed.

(2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within 10 years of

withdrawal, the owner shall notify Rent Board in writing of the intention to re-rent the unit and make an offer to the tenant or lessee whenever the tenant or lessee requests the offer in writing within 30 days after the owner has notified the City of an intention to re-rent the unit. If the unit is offered for rent or lease more than two years after the date the unit was withdrawn from rent or lease, the owner shall be liable to any tenant or lessee who was displaced for failure to comply with this subsection (c)(2), for punitive damages in an amount which does not exceed the contract rent for six months.

(3) If any former tenant or lessee has requested an offer to renew the tenancy, either directly to the landlord or after notice from the Rent Board, then the owner shall offer to reinstitute a rental agreement or lease at rents permitted under Subsection (a). This offer shall be deposited in the United States mail, by registered or certified mail with postage prepaid, addressed to the displaced tenant or lessee at the address furnished to the owner as provided by the tenant and shall describe the terms of the offer. The displaced tenant or lessee shall have 30 days from the deposit of the offer in the mail to accept the offer by personal delivery of that acceptance or by deposit of the acceptance in the United States mail by registered or certified mail with postage prepaid.

(4) If more than one tenant or lessee attempts to accept the offer for a given unit, the landlord shall notify each tenant or lessee so accepting that other acceptances have been received, and shall further advise each such tenant or lessee of the names and addresses of the others. If all such tenants or lessees do not within thirty (30) days thereafter agree and notify the landlord of which tenant(s) or lessee(s) will reoccupy the unit, the tenant(s) or lessee(s) who first occupied the unit previously shall be entitled to accept the landlord's offer. If more than one eligible tenant or lessee initially occupied the unit on the same date, then the first such tenant or lessee to have originally sent notice accepting the landlord's offer shall be entitled to occupy the unit.

(d) Re-Rental Within Two Years. If a unit covered by subsection (a) is offered for rent or lease within two years of the date of withdrawal:

(1) The owner shall be liable to any tenant or lessee who was displaced from the property for actual and exemplary damages. Any action by a tenant or lessee pursuant to this paragraph shall be brought within three years of withdrawal of the unit from rent or lease. However, nothing in this paragraph precludes a tenant from pursuing any alternative remedy available under the law.

(2) The City may institute a civil proceeding against the owner who has again offered the unit for rent or lease, for exemplary damages for displacement of tenants or lessees. Any action by the City pursuant to this paragraph shall be brought within three years of the withdrawal of the unit from rent or lease.

(e) Relocation Payments to Tenants.

(1) Before August 10, 2004. Low Income, Elderly or Disabled. Where a landlord seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units was filed with the Board before August 10, 2004, the relocation payments described in this Subsection 37.9A(e)(1) shall be limited to tenants who are members of lower income households, who are elderly, or who are disabled, as defined below.

(A) Tenants who are members of lower income households, as defined by Section 50079.5 of the California Health and Safety Code, and who receive a notice to quit based upon Section 37.9(a)(13), in addition to all rights under any other provision of law, shall be entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

(B) With respect to Subsection 37.9A(e)(1)(A) above, the Mayor's Office of Housing or its successor agency shall annually determine the income limits for lower income households, adjusted for household size.

(C) Notwithstanding Subsection 37.9A(e)(1)(A), and irrespective of the size of the unit, any tenant who receives a notice to quit under Section 37.9(a)(13) and who, at the time such notice is served, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(D) The payments due pursuant to this Subsection 37.9A(e)(1) for any unit which is occupied by more than one tenant shall be divided equally among all the occupying tenants, excluding those tenants who are separately entitled to payments under subsection 37.9A(e)(1)(C) above.

(2) On August 10, 2004 and through February 19, 2005. Where a landlord seeks eviction based upon Section 37.9(a)(13) and either (i) the notice of intent to withdraw rental units is filed with the Board on or after August 10, 2004 through February 19, 2005 or (ii) the notice of intent to withdraw rental units was filed with the Board prior to August 10, 2004 but the tenant still resided in the unit as of August 10, 2004, relocation payments shall be paid to the tenants as follows:

(A) Tenants who are members of lower income households, as defined by Section 50079.5 of the California Health and Safety Code, shall be entitled to receive \$4,500.00, \$2,250.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenants of their entitlement to the relocation payment, and \$2,250.00 of which shall be paid when the tenants vacate the unit.

(B) Subject to subsections 37.9A(e)(2)(C) and (D) below, tenants who are not members of

lower income households, as defined by Section 50079.5 of the California Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when the tenant vacates the unit;

(C) In the event there are more than three tenants in a unit, the total relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants in the unit;

(D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who, at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(3) On or After February 20, 2005. Where a landlord seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or after February 20, 2005, relocation payments shall be paid to the tenants as follows:

(A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates the unit;

(B) In the event there are more than three tenants in a unit, the total relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants in the unit; and

(C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who, at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(D) Commencing March 1, 2005, the relocation payments specified in Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as that data is made available by the United States Department of Labor and published by the Board.

[1](E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1, 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No.54-14), each tenant shall be entitled to the greater of:

(i) the payment specified in Subsections 37.9A(e)(3)(A) – (D); or

(ii) an amount equal to the difference between the unit's rental rate at the time the landlord files the notice of intent to withdraw rental units with the Board, and the market rental rate for a comparable unit in San Francisco as determined by the Controller's Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment Differential at the time of the service of the notice of termination of tenancy, and the remaining one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental Payment Differential Schedule within 5 days of the effective date of the ordinance creating this subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The Controller shall provide such Schedule to the Rent Board, which shall make the Schedule publicly available on the Rent Board's website and at the Rent Board office. In addition to receiving the Rental Payment Differential, any tenant who qualifies for payment under Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining annual changes in the rental market, the Controller shall rely on market data that reasonably reflects a representative sample of rental apartments in San Francisco.

(F) Any tenant who has received a notice of termination of tenancy, but who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental Payment Differential, reduced by any payment the tenant has received under Subsections 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

(G) (i) If payment of the Rental Payment Differential under Subsection 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the resources available to the landlord, the landlord may file a written request, on a form provided by the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with the Rent Board, with supporting evidence. The Board, or its designated Administrative Law Judges, may order a reduction, payment plan, or any other relief they determine is justified following a hearing on the request.

(ii) At a hearing for hardship adjustment under Subsection (i), the Board, or its designated Administrative Law Judges, shall consider all relevant factors, including the number of units in the building and any evidence submitted regarding the landlord's age, length of ownership of the building, ownership of any other buildings, income, expenses, other assets, debt, health, and health care costs, except as provided in Subsection (iii).

(iii) At a hearing for hardship adjustment under Subsection (i), the Board, or its

designated Administrative Law Judges, shall not consider any of the following of assets owned by the landlord:

- a. Assets held in retirement accounts; and
- b. Non-liquid personal property.

(H) Without limiting or otherwise affecting the landlord's right to obtain a hardship adjustment under Subsection 37.9A(e)(3)(G), the landlord may file a written request, on a form provided by the Rent Board, for a hearing with the Rent Board claiming that the San Francisco Rental Payment Differential Schedule established in Subsection 37.9A(e)(3)(E)(ii) does not reasonably reflect the market rental rate for a comparable unit in San Francisco and would result in an overpayment by the landlord ("Rent Differential Recalculation Request"). The landlord shall include evidence in support of the request. If the Board, or its designated Administrative Law Judges, grant(s) the request in whole or part, they shall order an appropriate adjustment of the payment due from the landlord.

(I) For purposes of considering Hardship Adjustment and Rent Differential Recalculation Requests under Subsections 37.9(e)(3)(G) and (H), the Board shall follow a process consistent with the existing Board hearing process under Section 37.8. If a landlord submits both types of hearing requests, the Board may consolidate its hearing of the two requests.

(4) Any notice to quit pursuant to Section 37.9(a)(13) shall notify the tenant or tenants concerned of the right to receive payment under this subsection 37.9A(e)(1) or (2) or (3).

(f) Notice to Rent Board: Recordation of Notice: Effective Date of Withdrawal.

(1) Any owner who intends to withdraw from rent or lease any rental unit shall notify the Rent Board in writing of said intention. Said notice shall contain statements, under penalty of perjury, providing information on the number of residential units, the address or location of those units, the name or names of the tenants or lessees of the units, and the rent applicable to each residential rental unit. Said notice shall be signed by all owners of record of the property under penalty of perjury and shall include a certification that actions have been initiated as required by law to terminate existing tenancies through service of a notice of termination of tenancy. The notice must be served by certified mail or any other manner authorized by law prior to delivery to the Rent Board of the notice of intent to withdraw the rental units. Information respecting the name or names of the tenants, the rent applicable to any unit, or the total number of units, is confidential and shall be treated as confidential information by the City for purposes of the Information Practices Act of 1977, as contained in Chapter I (commencing with Section 1798) of Title 1.8 of part 4 of Division 3 of the Civil Code. The City shall, to the extent required by the preceding sentence, be considered an "agency," as defined by subdivision (b) of Section 1798.3 of the Civil Code.

(2) Prior to the effective date of withdrawal of rental units under this Section, the owner shall cause to be recorded with the County Recorder a memorandum of the notice required by subsection (f)(1) summarizing its provisions, other than the confidential provisions, in substantially the following form:

**Memorandum of Notice**  
**Regarding Withdrawal of Rental Unit From Rent or Lease**

**This memorandum evidences that the undersigned, as the owner of the property described in Exhibit A attached, has filed a notice, whose contents are certified under penalty of perjury, stating the intent to withdraw from rent or lease all units at said property, pursuant to San Francisco Administrative Code Section 37.9A and the Ellis Act (California Government Code Section 7060 et seq.).**

(3) For a notice of intent to withdraw rental units filed with the Rent Board on or before December 31, 1999, the date on which the units are withdrawn from rent or lease for purposes of this chapter and the Ellis Act is 60 days from the delivery in person or by first-class mail of the Subsection (f)(1) notice of intent to the Rent Board.

(4) For a notice of intent to withdraw rental units filed with the Rent Board on or after January 1, 2000, the date on which the units are withdrawn from rent or lease for purposes of this Chapter and the Ellis Act is 120 days from the delivery in person or by first-class mail of the Subsection (f)(1) notice of intent to the Rent Board. Except that, if the tenant or lessee is at least 62 years of age or disabled as defined in Government Code 12955.3, and has lived in his or her unit for at least one year prior to the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw, then the date of withdrawal of the unit of that tenant or lessee shall be extended to one year after the date of delivery of that notice to the Rent Board, provided that the tenant or lessee gives written notice of his or her entitlement to an extension of the date of withdrawal to the owner within 60 days of the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw. In that situation, the following provisions shall apply:

(A) The tenancy shall be continued on the same terms and conditions as existed on the date of delivery to the Rent Board of the notice of intent to withdraw, subject to any adjustments otherwise available under Administrative Code Chapter 37.

(B) No party shall be relieved of the duty to perform any obligation under the lease or rental

agreement.

(C) The owner may elect to extend the date of withdrawal on any other units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw, subject to Subsections (f)(4)(A) and (B).

(D) Within 30 days of the notification by the tenant or lessee to the owner of his or her entitlement to an extension of the date of withdrawal, the owner shall give written notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw.

(E) Within 90 days of the date of delivery to the Rent Board of the notice of intent to withdraw, the owner shall give written notice to the Rent Board and the affected tenant or lessee of the following:

- (i) Whether or not the owner disputes the tenant's claim of extension;
- (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the owner does not dispute the tenant's claim of extension; and
- (iii) Whether or not the owner elects to extend the date of withdrawal to other units on the property.

(5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

- (A) That the Rent Board has been notified pursuant to Subsection (f)(1),
- (B) That the notice to the Rent Board specified the name and the amount of rent paid by the tenant or lessee as an occupant of the rental unit;
- (C) The amount of rent the owner specified in the notice to the Rent Board,
- (D) The tenant's or lessee's rights to reoccupancy and to relocation assistance under Subsections 37.9A(c) and (e); and,
- (E) The rights of qualified elderly or disabled tenants as described under Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw.

(6) Within 30 days after the effective date of withdrawal of rental units under this Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder which describes the property and the dates of applicable restrictions on the property under this Section.

(g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a rental unit at the time displacement of a tenant or tenants is initiated and to any successor in interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the California Government Code (Sections 7060 et seq.).

(h) Reports Required.

(1) Not later than the last day of the third and sixth calendar months following the month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than December 31st of each calendar year for a period of five years, beginning with the year in which the six-month notice is given, the owner of any property which contains or formerly contained one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall notify the Board, in writing, under penalty of perjury, for each such unit:

- (A) Whether the unit has been demolished;
- (B) If the unit has not been demolished, whether it is in use;
- (C) If it is in use, whether it is in residential use;
- (D) If it is in residential use, the date the tenancy began, the name of the tenant(s), and the amount of rent charged.

If the unit has been demolished, and one or more new units constructed on the lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit. The Board shall maintain a record of the notices received under Subsection (f) and all notices received under this Section for each unit subject to this reporting requirement.

(2) The Board shall notify each person who is reported as having become a tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it maintains the records described in Subsection (h)(1), and that the rent of the unit may be restricted pursuant to Subsection (a).

(3) The Board shall maintain a register of all rental units withdrawn from rent or lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The Board shall inform tenants displaced from units withdrawn from rent or lease at the address provided by the tenant, when the owner notifies the Board that the unit or replacement unit will again be offered for rent or lease within ten years of the date of withdrawal.

(4) The Board may investigate whether a rental unit that was withdrawn from rent or lease has been again offered for rent or lease, and whether the owner has complied with the provisions of this Section.

(i) This Section 37.9A is enacted principally to exercise specific authority provided for by Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by Stats. 1985, Ch. 1509, Section 1 (the

Ellis Act, California Government Code Sections 7060 et seq.). In the case of an amendment to Chapter 12.75 or any other provision of State law which amendment is inconsistent with this Section, this Section shall be deemed to be amended to be consistent with State law, and to the extent it cannot be so amended shall be interpreted to be effective as previously adopted to the maximum extent possible.

## Rent Board

### Section 37.9A Tenant Rights in Certain Displacements Under Section 37.9(a)(13)

[Added by Ord. No. 193-86, effective July 1, 1986; amended by Ord. No. 320-94, effective October 15, 1994; Ord. No. 348-99, effective January 29, 2000; Ord. No. 5-00, effective February 13, 2000; Ord. No. 91-03, effective June 15, 2003; Ord. No. 21-05, effective February 20, 2005; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014; revised by Johnson v. CCSF (2006) 137 Cal.App. 4th 7; amended by Ord. No. 54-14, effective June 1, 2014]

This Section 37.9A applies to certain tenant displacements under Section 37.9(a)(13), as specified.

(a) Rent Allowed.

(1) Except as provided in Section 37.9A(a)(2) below, any rental unit which a tenant vacates after receiving a notice to quit relying on Section 37.9(a)(13), withdrawal of rental units from rent or lease under the Ellis Act, California Government Code Sections 7060 et seq., if again offered for rent or lease, must be offered and rented or leased at a rent not greater than the lawful rent in effect at the time the notice of intent to withdraw rental units is filed with the Board, plus annual rent increases available under this Chapter 37.

(A) The provisions of Section 37.9A(a)(1) apply to all tenancies commenced during either of the following time periods:

(i) The five-year period after a notice of intent to withdraw the rental units is filed with the Board, whether or not the notice of intent is rescinded or the withdrawal of the units is completed pursuant to that notice;

(ii) The five-year period after the rental units are withdrawn.

(B) This Section 37.9A(a)(1) shall prevail over any conflicting provision of law authorizing the landlord to establish the rental rate upon the initial hiring of the unit.

(C) If it is asserted that the rent could have been increased based on capital improvements, rehabilitation or substantial rehabilitation, the owner must petition the Rent Board pursuant to the procedures of Section 37.7 of this chapter. No increase shall be allowed on account of any expense incurred in connection with withdrawing any unit from rent or lease.

(2) If a new tenancy was lawfully created in a unit before January 1, 2003, following a lawful withdrawal of the unit from rent or lease under Section 37.9(a)(13), any subsequent new tenancies for that rental unit are not subject to the rent limitations in Section 37.9A(a)(1).

(b) Treatment of Replacement Units. If one or more units covered by subsection (a) is demolished, and one or more new units qualifying as rental units under this chapter but for the date on which they first receive a certificate of final completion and occupancy are constructed on the same property, and offered for rent or lease within five years of the date the last of the original units became vacant, the newly constructed units shall be offered at rents not greater than those reasonably calculated to produce a fair and reasonable return on the newly constructed units, notwithstanding Section 37.2(r)(5) or any other provision of this chapter. The provisions of this chapter shall thereafter apply. The Board shall adopt rules for determining the rents necessary to provide a fair and reasonable return.

(c) Rights to Re-Rent. Any owner who again offers for rent or lease any unit covered by subsection (a) shall first offer the unit for rent or lease to the tenants or lessees displaced from the unit as follows:

(1) If any tenant or lessee has advised the owner in writing within 30 days of displacement of his or her desire to consider an offer to renew the tenancy and has furnished the owner with an address to which that offer is to be directed, the owner must make such an offer whenever the unit is again offered for rent or lease within two years of withdrawal. That tenant, lessee, or former tenant or lessee may advise the owner at any time of a change of address to which an offer is to be directed.

(2) Notwithstanding Subsection (c)(1), if the unit is offered for rent or lease within 10 years of

lower income households, as defined by Section 50079.5 of the California Health and Safety Code, shall each be entitled to receive \$4,500.00, which shall be paid when the tenant vacates the unit;

(C) In the event there are more than three tenants in a unit, the total relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants in the unit;

(D) Notwithstanding Subsections 37.9A(e)(2)(A) and (B), any tenant who, at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(3) On or After February 20, 2005. Where a landlord seeks eviction based upon Section 37.9(a)(13), and the notice of intent to withdraw rental units is filed with the Board on or after February 20, 2005, relocation payments shall be paid to the tenants as follows:

(A) Subject to subsections 37.9A(e)(3)(B) (C) and (D) below, each tenant shall be entitled to receive \$4,500.00, one-half of which shall be paid at the time of the service of the notice of termination of tenancy, and one-half of which shall be paid when the tenant vacates the unit;

(B) In the event there are more than three tenants in a unit, the total relocation payment shall be \$13,500.00, which shall be divided equally by the number of tenants in the unit; and

(C) Notwithstanding Subsections 37.9A(e)(3)(A) and (B), any tenant who, at the time the notice of intent to withdraw rental units is filed with the Board, is 62 years of age or older, or who is disabled within the meaning of Section 12955.3 of the California Government Code, shall be entitled to receive an additional payment of \$3,000.00, \$1,500.00 of which shall be paid within fifteen (15) calendar days of the landlord's receipt of written notice from the tenant of entitlement to the relocation payment, and \$1,500.00 of which shall be paid when the tenant vacates the unit.

(D) Commencing March 1, 2005, the relocation payments specified in Subsections 37.9A(e)(3)(A) and (B) and (C) shall increase annually at the rate of increase in the "rent of primary residence" expenditure category of the Consumer Price Index (CPI) for All Urban Consumers in the San Francisco-Oakland-San Jose Region for the preceding calendar year, as that data is made available by the United States Department of Labor and published by the Board.

[1](E) Notwithstanding Subsections 37.9A(e)(3)(A) – (D), as of June 1, 2014, the effective date of the ordinance creating this subsection (E) (Ordinance No. 54-14), each tenant shall be entitled to the greater of:

(i) the payment specified in Subsections 37.9A(e)(3)(A) – (D); or

(ii) an amount equal to the difference between the unit's rental rate at the time the landlord files the notice of intent to withdraw rental units with the Board, and the market rental rate for a comparable unit in San Francisco as determined by the Controller's Office, multiplied to cover a two-year period, and divided equally by the number of tenants in the unit (the "Rental Payment Differential"). The landlord shall pay one-half of the Rental Payment Differential at the time of the service of the notice of termination of tenancy, and the remaining one-half when the tenant vacates the unit. The Controller shall establish a San Francisco Rental Payment Differential Schedule within 5 days of the effective date of the ordinance creating this subsection (E) (Ordinance No. 54-14), and thereafter by March 1 of each calendar year. The Controller shall provide such Schedule to the Rent Board, which shall make the Schedule publicly available on the Rent Board's website and at the Rent Board office. In addition to receiving the Rental Payment Differential, any tenant who qualifies for payment under Subsections 37.9A(e)(3)(C) as adjusted by (D) shall also receive that payment. In determining annual changes in the rental market, the Controller shall rely on market data that reasonably reflects a representative sample of rental apartments in San Francisco.

(F) Any tenant who has received a notice of termination of tenancy, but who has not yet vacated the unit by June 1, 2014, the operative date of the ordinance creating subsection (E) and this subsection (F) (Ordinance No. 54-14), shall be entitled to the Rental Payment Differential, reduced by any payment the tenant has received under Subsections 37.9A(e)(3)(C) as adjusted by (D), upon vacating the unit.

(G) (i) If payment of the Rental Payment Differential under Subsection 37.9A(e)(3)(E)(ii) would constitute an undue financial hardship for a landlord in light of all of the resources available to the landlord, the landlord may file a written request, on a form provided by the Rent Board, for a hearing for a hardship adjustment ("Hardship Adjustment Request") with the Rent Board, with supporting evidence. The Board, or its designated Administrative Law Judges, may order a reduction, payment plan, or any other relief they determine is justified following a hearing on the request.

(ii) At a hearing for hardship adjustment under Subsection (i), the Board, or its designated Administrative Law Judges, shall consider all relevant factors, including the number of units in the building and any evidence submitted regarding the landlord's age, length of ownership of the building, ownership of any other buildings, income, expenses, other assets, debt, health, and health care costs, except as provided in Subsection (iii).

(iii) At a hearing for hardship adjustment under Subsection (i), the Board, or its

agreement.

(C) The owner may elect to extend the date of withdrawal on any other units up to one year after date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw, subject to Subsections (f)(4)(A) and (B).

(D) Within 30 days of the notification by the tenant or lessee to the owner of his or her entitlement to an extension of the date of withdrawal, the owner shall give written notice to the Rent Board of the claim that the tenant or lessee is entitled to stay in their unit for one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw.

(E) Within 90 days of the date of delivery to the Rent Board of the notice of intent to withdraw, the owner shall give written notice to the Rent Board and the affected tenant or lessee of the following:

- (i) Whether or not the owner disputes the tenant's claim of extension;
- (ii) The new date of withdrawal under Section 37.9A(f)(4)(C), if the owner does not dispute the tenant's claim of extension; and
- (iii) Whether or not the owner elects to extend the date of withdrawal to other units on the property.

(5) Within 15 days of delivery of a Subsection (f)(1) notice of intent to the Rent Board, the owner shall provide notice to any tenant or lessee to be displaced of the following:

- (A) That the Rent Board has been notified pursuant to Subsection (f)(1),
- (B) That the notice to the Rent Board specified the name and the amount of rent paid by the tenant or lessee as an occupant of the rental unit;
- (C) The amount of rent the owner specified in the notice to the Rent Board,
- (D) The tenant's or lessee's rights to reoccupancy and to relocation assistance under Subsections 37.9A(c) and (e); and,
- (E) The rights of qualified elderly or disabled tenants as described under Subsection (f)(4), to extend their tenancy to one year after the date of delivery to the Rent Board of the Subsection (f)(1) notice of intent to withdraw.

(6) Within 30 days after the effective date of withdrawal of rental units under this Section 37.9A, the Rent Board shall record a notice of constraints with the County Recorder which describes the property and the dates of applicable restrictions on the property under this Section.

(g) Successor Owners. The provisions of this Section 37.9A shall apply to the owner of a rental unit at the time displacement of a tenant or tenants is initiated and to any successor in interest of the owner, subject to the provisions of Chapter 12.75 of Division 7 of Title 1 of the California Government Code (Sections 7060 et seq.).

(h) Reports Required.

(1) Not later than the last day of the third and sixth calendar months following the month in which notice is given to the Board under Subsection(f)(1), and thereafter not later than December 31st of each calendar year for a period of five years, beginning with the year in which the six-month notice is given, the owner of any property which contains or formerly contained one or more rental units which a tenant or tenants vacated pursuant to Section 37.9(a)(13) shall notify the Board, in writing, under penalty of perjury, for each such unit:

- (A) Whether the unit has been demolished;
- (B) If the unit has not been demolished, whether it is in use;
- (C) If it is in use, whether it is in residential use;
- (D) If it is in residential use, the date the tenancy began, the name of the tenant(s), and the amount of rent charged.

If the unit has been demolished, and one or more new units constructed on the lot, the owner shall furnish the information required by items (B), (C) and (D) for each new unit. The Board shall maintain a record of the notices received under Subsection (f) and all notices received under this Section for each unit subject to this reporting requirement.

(2) The Board shall notify each person who is reported as having become a tenant in a vacated or new unit subject to the reporting requirements of Subsection (h)(1) that it maintains the records described in Subsection (h)(1), and that the rent of the unit may be restricted pursuant to Subsection (a).

(3) The Board shall maintain a register of all rental units withdrawn from rent or lease under the Ellis Act and the rent applicable to each unit at the time of withdrawal. The Board shall inform tenants displaced from units withdrawn from rent or lease at the address provided by the tenant, when the owner notifies the Board that the unit or replacement unit will again be offered for rent or lease within ten years of the date of withdrawal.

(4) The Board may investigate whether a rental unit that was withdrawn from rent or lease has been again offered for rent or lease, and whether the owner has complied with the provisions of this Section.

(i) This Section 37.9A is enacted principally to exercise specific authority provided for by Chapter 12.75 of Division 7 of Title 1 of the California Government Code, originally enacted by Stats. 1985, Ch. 1509, Section 1 (the

We attended the original Project pre-application meeting in April 2018. We feel as if this Project has been rushed through the process without any outreach by by sponsor. The neighbors submitted a number of concerns and issues at the pre-application meeting but did not receive any reasonable responses to those concerns. The sponsors used the Ellis Act to evict the tenants and now plan to "remodel" so that at least two of the rent-controlled units will be converted to market rate. After evicting the long-term tenants, the sponsors moved other tenants into the property and have continuously rented out the apartments for at least the past 2 years since the evictions in direct violation of the Ellis Act and the City's priority policies.

## DISCRETIONARY REVIEW REQUEST

In the space below and on separate paper, if necessary, please present facts sufficient to answer each question.

1. What are the reasons for requesting Discretionary Review? The project meets the standards of the Planning Code and the Residential Design Guidelines. What are the exceptional and extraordinary circumstances that justify Discretionary Review of the project? How does the project conflict with the City's General Plan or the Planning Code's Priority Policies or Residential Design Guidelines? Please be specific and site specific sections of the Residential Design Guidelines.

The site has four (4) small rent-controlled units. The project does not meet the minimum standards of the Planning Code, as it is a non-conforming four unit building in this RH-2 zoned area. The Dept has been unable to supply any evidence that the Project was ever reviewed by the RDT; there are no comments or memos indicating it was ever reviewed by the RDT. It violates the Residential Design Guidelines. The Project is a complete demolition; the plans indicate a new floor and foundations will be constructed UNDER the side walls (claimed to be 100% retained), and then three new floors will be built on top of the existing building. (see attachment)

2. The Residential Design Guidelines assume some impacts to be reasonable and expected as part of construction. Please explain how this project would cause unreasonable impacts. If you believe your property, the property of others or the neighborhood would be unreasonably affected, please state who would be affected, and how.

Violates numerous provisions of the Residential Design Guidelines including the following: "Design the height and depth of the building to be compatible with the existing building scale at the mid-block open space." (pages 23-26) "Design the height and depth of the building to be compatible with the existing building scale at the street." (page 24). "Any addition to a new building should be articulated to minimize impacts on light and privacy to adjacent properties." (pages 16-17). The Project is completely unreasonable on this block at this location. It will block virtually all the direct light and air to the building to the north at 215 Missouri St (see attachment), and it will block direct sun to the mature fruit trees and garden of its rear neighbors at 212 Texas St. The three rear neighbors (210, 212, and 214 Texas St) also have significant concerns over privacy stemming from the multi-level balconies and glass facades facing directly into the rear of their homes.

3. What alternatives or changes to the proposed project, beyond the changes (if any) already made would respond to the exceptional and extraordinary circumstances and reduce the adverse effects noted above in question #1?

A reasonable project will not include the addition of three new floors. Any third and fourth floor addition will have negative impacts because of the size and location of the subject lot. Adding three floors and an additional 3600 square feet of living space to this small building at the mid-block is unreasonable. Destroying affordable housing and driving out rent controlled tenants in order to expand and luxuriate the building for profit violates every single City Policy in the middle of the housing crisis. The units should all be retained as affordable and rent-controlled apartments and not "remodeled" into market rate housing.

ZONING DISTRICT RH-2— Residential House District: Two-Family.  
APPLICATION NO. 2018-07375884

**ACTIONS PRIOR TO DISCRETIONARY REVIEW REQUEST**

This project was first proposed at the pre-application meeting in April 2018. All the neighbors objected the proposal because it is mid-block, extends deep into the rear yard and shared open green space, and the addition of a new basement/garage level and a second, third & fourth floor at a depth into the rear yard greater than both adjacent buildings will negatively impact both adjacent buildings and all surrounding neighbors. The proposal is completely out of place, and it will permanently shadow adjacent homes. One of our main concerns as rear yard neighbors is the new, multiple elevated decks looking directly into our rear yard. A wall of windows with decks will allow direct views into our home and garden and invade our privacy. These development lots are relatively shallow at 100' feet.

The developer Ms. Lum is a neglectful landlord to her tenants. At the pre-application meeting the developers were asked to erect story poles and to explain how the project is not a demolition and how they plan to get rid of rent-controlled housing. They refused to erect the story poles and did not provide the neighbors with any other information on the project---in all, we received one email with a link to an online PDF from them before the 311 Notification of the Project arrived a few weeks ago. There has been no discussion of possible modifications.

**B. DISCRETIONARY REVIEW REQUEST****1. Reasons for Requesting Discretionary Review**

The Commission is urged to take Discretionary Review because this is an exceptional and extraordinary circumstance and site.

- a. The Project is too large for the neighborhood and will be the largest building on the block if constructed as proposed;
- b. The site is non-conforming as it has four units in an RH-2 zoned area;
- c. The Project destroys Rent Controlled Housing in violation of City Policies;
- d. The owner used the Ellis Act to force out long term tenants and has rented out the units ever since ---they have been continuously occupied;
- e. The Proposed Design violates the Residential Design Guidelines by blocking light to and overwhelming the neighboring homes and invading the privacy of all surrounding neighbors;
- f. The Developer's Application boldly states that the purpose of The Project is to eliminate two "affordable" rent-controlled units and replace them with market rate housing---City policies forbid this result.

There is a further exceptional and extraordinary circumstance in that the design, materials and massing of the proposed new structure are completely out of character with the architecture of historic Potrero Hill neighborhood, and clearly inconsistent with the city's Residential Design Guidelines. The use of sheet metal coping and a new, modern garage door on the existing 1907 building and in this neighborhood is completely inappropriate. The elevated roof and rear deck areas are also unprecedented in this neighborhood.

## **2. Adverse Effects on the Neighborhood**

### **Violates the Residential Design Guidelines for Light and Privacy to Adjacent Buildings**

The Residential Design Guidelines at page 16 state:

#### **Rear Yard**

GUIDELINE: "Articulate the building to minimize impacts on light and privacy to adjacent properties. Rear yards are the open areas of land between the back of the building and the rear property line. When expanding a building into the rear yard, the impact of that expansion on light and privacy for abutting structures must be considered. This can be challenging given San Francisco's dense pattern of development, however, modifications to the building's design can help reduce these impacts and make a building compatible with the surrounding context."

The proposed structure is already the deepest of any neighboring building into the rear yard. The negative impacts from this fact have been ameliorated for many years because the current structure is one story tall. The request to recreate this building as a four-story structure is not only unprecedented on this block, it immediately creates negative impacts on all buildings around it because it will now be the deepest AND the tallest building on the block. It is designed without any side setbacks such as those provided by both adjacent buildings.

Planning Code Section 101 states that one of the purposes of the Planning Code is to provide adequate light, air, privacy and convenience of access to property in San Francisco. This Project deprives the surrounding buildings of light and privacy.

#### **Light**

GUIDELINE: "In areas with a dense building pattern, some reduction of light to neighboring buildings can be expected with a building expansion. However, there may be situations where a proposed project will have a greater impact on neighboring buildings. In these situations, design modifications can minimize impacts on light; other modifications may also be appropriate depending on the circumstances of a particular project."

The proposed project offers no side setbacks to match those on the adjacent buildings. There is no front setback even though the new façade is 40' feet in a neighborhood of three- and two-story buildings.

**Privacy**

GUIDELINE: "As with light, some loss of privacy to existing neighboring buildings can be expected with a building expansion. However, there may be special situations where a proposed project will have an unusual impact on privacy to neighboring interior living spaces. In these situations, design modifications can minimize impacts on privacy; other modifications may also be appropriate depending on the circumstances of a particular project. Some of these measures might conflict with the "light" measures, so it will be necessary to prioritize relevant issues." (RDG page 17)

Pages 23 & 24 of the RDG's show how this building should be articulated to make it compatible with the MUCH smaller neighboring building to the north.

A building that is larger than its neighbors can still be in scale and be compatible with the smaller buildings in the area. It can often be made to look smaller by facade articulations and through setbacks to upper floors. In other cases, it may be necessary to reduce the height or depth of the building.

This proposed building is completely out of scale with surrounding buildings because it is not articulated to make it more compatible with the scale of the two-story home to the north.

GUIDELINE: "Design the height and depth of the building to be compatible with the existing building scale at the street."

The proposed project is taller than surrounding buildings, and THREE new floors are being added to this existing building. Accordingly, it is necessary to modify the building height or depth to maintain the existing scale at the street and rear yard by making modifications, the visibility of the new upper floor needs to be limited, and the upper floor should appear subordinate to the primary facade. The key is to design a building that complements other buildings on the block and does not stand out, even while displaying an individual design. (RDG Page 24)

The proposed project stands out by overwhelming the existing smaller buildings on the block face. The front facade is utterly without a setback or articulation to reduce the impacts. This is an obvious violation of the RDG's in numerous ways directly spelled out in the RDG's.

As shown in the illustration from the RDG's above, the fourth floor must be eliminated to preserve the scale of buildings on the street face. It is possible to preserve the building scale at the street by setting back the third floor. **However, an additional setback for a proposed fourth floor is not sufficient. The fourth floor must be eliminated to respect the neighborhood scale. RDG---Page 25---In this case the naked fourth floor is not set back AT ALL and neither is the third floor which looms above the neighbors to the north.**

The above drawing is another illustration from the RDG's which is directly on point to the subject project. The building to the south of the project is uphill and three stories tall, the building to the north is downhill and two stories tall. This illustration shows exactly what is expected from a design point of view in such a situation...A partial third-story setback provides

a transitional height to the adjacent two-story building and maintains the scale of the buildings at the street level. (RDG's page 24)

The subject project ignores this RDG provision. It proposes a naked third and fourth story above the neighboring building to the north without any setback or transitional height from the two-story neighbors directly to an uphill building proposed at four stories with no front setback or side transition to the two-story neighbor at 215 Missouri Street. The building will loom some 20+plus feet above the adjacent neighbor with no transitional stepping as suggested by the RDG's. There is a minimal setback to the new second and third floors and then a setback for the fourth floor, but it is ineffective to reduce the stark and looming feeling created by a building so much larger than its neighbor. The rendering provided by the project sponsor demonstrates how far out of place the new building will appear given its much smaller neighbor to the north and the three-story building to the south.

The "rendering" is not to scale and makes the proposal look more acceptable, the more accurate and scaled drawings make it crystal clear that the proposal is over-sized and much larger than its neighbor....

The original Project Planner left the Dept and the neighbors have not had contact with anyone at the Dept. or with the Project Sponsor since the pre-application meeting in April 2018. The Project has been incredibly rushed through the process without any outreach by by sponsor. The owners of the property are absentee property owners and professional developers. They used the Ellis Act to evict the tenants from the property for this project some of whom were very long-term,(23 years) elderly and disabled. The site has four (4) small affordable rent-controlled units and the Project will result in the loss of at least two (2) of those units.

## DISCRETIONARY REVIEW REQUEST

In the space below and on separate paper, if necessary, please present facts sufficient to answer each question.

1. What are the reasons for requesting Discretionary Review? The project meets the standards of the Planning Code and the Residential Design Guidelines. What are the exceptional and extraordinary circumstances that justify Discretionary Review of the project? How does the project conflict with the City's General Plan or the Planning Code's Priority Policies or Residential Design Guidelines? Please be specific and site specific sections of the Residential Design Guidelines.

The project site was originally constructed with "four cabins" in 1907. Later the four cabins were converted to a single building without permits or inspections but it remains a legal four unit building. Accordingly, by definition, the project does not meet the "standards of the Planning Code" since it is a non-conforming use in this RH-2 zoned area. The Dept has been unable to supply any evidence that the Project was ever reviewed by the RDT and, predictably, it violates the Residential Design Guidelines. The Project is a complete demolition (regardless of the phony calculations) as the plan is to construct a new floor UNDER the side walls (claimed to be 100% retained) and then THREE NEW FLOORS ON TOP OF THAT. The 112 year old side walls can not hold such weight.(see attachment)

2. The Residential Design Guidelines assume some impacts to be reasonable and expected as part of construction. Please explain how this project would cause unreasonable impacts. If you believe your property, the property of others or the neighborhood would be unreasonably affected, please state who would be affected, and how.

Violates numerous provisions of the Residential Design Guidelines including the following. "Design the height and depth of the building to be compatible with the existing building scale at the mid-block open space." ( pages 25-26) "Design the height and depth of the building to be compatible with the existing building scale at the street."(page 24). "A addition to a new building should be articulated to minimize impacts on light and privacy to adjacent properties." (pages 16-17). The Project is completely unreasonable on this block at this location. It will block virtually all the direct light and air to the building to the north at 215 Missouri Street. (see attachment)

3. What alternatives or changes to the proposed project, beyond the changes (if any) already made would respond to the exceptional and extraordinary circumstances and reduce the adverse effects noted above in question #1?

A reasonable project will not include the addition of three new floors. ANY third and fourth floor addition will have negative impacts because of the size of such an addition and location of the subject lot. Adding an additional 3600 square feet of living space to this small building at the mid-block is unreasonable and creates negative impacts to all neighbors. Destroying two (2) affordable housing units and driving out rent controlled tenants in order to expand and luxuriate the building for profit violates every single City Policy in the middle of the housing crisis. On this ground alone the project must be rejected. (see attachment)

ZONING DISTRICT RH-2— Residential House District: Two-Family.  
APPLICATION NO. 2018-07375884

**ACTIONS PRIOR TO DISCRETIONARY REVIEW REQUEST**

This project was first proposed at the pre-application meeting in April 2018. Neighbors expressed misgivings with the proposal because it is mid-block and the addition of a new basement/garage level and a second, third & fourth floor at a depth into the rear yard greater than both adjacent buildings, will negatively impact both adjacent historic buildings and all surrounding neighbors. The proposal is completely out of place and it will permanently shadow our home (which is only TWO stories and to the north) and garden and invade our privacy with elevated decks looking directly into our rear yard and a wall of windows.

At the pre-application meeting the developers were asked to provide a shadow study and to erect story poles. They refused to erect the story poles and did not provide the neighbors with a shadow study or any other information on the project---at all, we never heard from them again until the 311 Notification of the Project arrived. They were also asked to eliminate or reduce the size of the fourth-floor addition and refused. We attempted to start a conversation with the owner and architect about the project and the developers refused to even discuss possible modifications.

**B. DISCRETIONARY REVIEW REQUEST****1. Reasons for Requesting Discretionary Review**

The Commission is urged to take Discretionary Review because this is an exceptional and extraordinary circumstance and site. The project *technically* can go to the 40-foot height limit and 75% into the rear yard, but the resulting new building, will present a building envelope beyond the average or norm on Missouri Street. The building would permanently and negatively impact the prevailing scale of the built environment on Missouri and this part of Potrero Hill and for the entire block. Such a project will affect the livability of the nearby residences. The project appears to be a complete-demolition and reconstruction of the ground floor and addition of a new floor UNDER the existing 1907 building and the addition of three new floors on top of that. No portion of the existing building is evident in the final design. It is a violation of the letter and spirit of the Code to allow an increase in non-conforming units in a non-conforming building of the size and to eliminate completely affordable rent-controlled units. The project contemplates the addition of 3600 square feet of new occupiable space in a building of four affordable, rent-controlled units of less than 500 square feet each.

This is further an exceptional and extraordinary circumstance in that the design, materials and massing of the proposed new structure are completely out of character with the architecture of historic Potrero Hill neighborhood, and clearly inconsistent with the City's Residential Design

Guidelines. The use of sheet metal coping and a new, modern garage door on the existing 1907 building and in this neighborhood is completely inappropriate. The elevated roof and rear deck areas also unprecedented in this neighborhood.

## **2. Adverse Effects on the Neighborhood**

### **Violates the Residential Design Guidelines for Light and Privacy to Adjacent Buildings**

The Residential Design Guidelines at page 16 state:

#### **Light**

In areas with a dense building pattern, some reduction of light to neighboring buildings can be expected with a building expansion. However, there may be situations where a proposed project will have a greater impact on neighboring buildings. In these situations, the following design modifications can minimize impacts on light; other modifications may also be appropriate depending on the circumstances of a project:

- Provide setbacks on the upper floors of the building.... **THIS PROJECT DOES NOT PROVIDE A SETBACK WHERE IT IS NEEDED MOST AT THE NORTH SIDE.**
- Include a sloped roof form in the design.
- Provide shared light wells to provide more light to both properties. **ALTHOUGH THE PROJECT PROVIDES SOME LIGHTWELLS AND INCLUDES A SLOPED ROOF, ITS SHEER SIZE ELIMINATES ANY BENEFIT WHICH MAY BE DERIVED FROM THOSE FEATURES**

#### **Privacy**

As with light, some loss of privacy to existing neighboring buildings can be expected with a building expansion. However, there may be special situations where a proposed project will have an unusual impact on privacy to neighboring interior living spaces. In these situations, the following design modifications can minimize impacts on privacy; other modifications may also be appropriate depending on the circumstances of a particular project. Some of these measures might conflict with the “light” measures above, so it will be necessary to prioritize relevant issues.

**THIS PROJECT CREATES A PRIVACY ISSUE WHERE NONE NOW EXISTS BY ADDING BALCONIES AND ROOF DECKS TO SERVE AS SOME KIND OF VIEWING DECK STRAIGHT INTO 215 MISSOURI AND ITS GARDEN AND BEDROOMS.**

### **The Showplace Square/Potrero Hill Is Special and the Project Violates the Area Plan**

The Project is located in the Showplace Square/Potrero Hill plan area. This Area is home to 11,000 people and 5,000 households, the vast majority of which are concentrated on Potrero Hill. Because Potrero Hill is an established residential area that generally functions well, it is not proposed to be rezoned and the subject neighborhood is zoned RH-2 for two-units per lot. Instead, future development activity is expected to occur in Showplace Square. The streets of this area are lined with historic buildings and (according to the Dept. analysis) it has a **clear context** of three-story, two over basement and one-story buildings of the age and design of the historic buildings constructed at the turn of the last century. Four stories are clearly out of place.

The prevalent style of the 200 Block of Missouri Street, consistent with the surrounding area that was constructed immediately following the Earthquake and Fire, is Classical Revival. Materials are generally wood siding with wooden windows and cornices. Because of the current heights and building pattern on "The Hill," sun and sky are now available to residents and visitors on what is now a charming and pleasant place for pedestrians and residents alike. This Project would not respect or continue that pattern.

**The Project as Proposed Would Have the Following Adverse Effects:**

**A. The Project Violates the Area Plan and City-Wide Policies by Destroying VERY Affordable, Rent-Controlled Housing After an Ellis Act Eviction of All Tenants**

The reasons for Requesting Discretionary Review of this project are best summarized as follows:

1. The existing housing stock is the City's major source of relatively affordable housing. The Eastern Neighborhoods' older and rent-controlled housing has been a long-standing resource for the City's lower- and middle-income families. According to all City and Planning Dept policies.... priority must be given to the retention of existing units as a primary means to provide affordable housing. Demolition of sound existing housing should be limited, as residential demolitions and conversions can result in the loss of affordable housing. The **General Plan** discourages residential demolitions, except where they would result in replacement housing equal to or exceeding that which is to be demolished. The Planning Code and Commission already maintain STRONG CONTROLLING policies that generally require conditional use authorization or discretionary review wherever demolition is proposed. Even if the unbelievable demolition calculations are accepted as true, the Project still results in the LOSS of at least two of the affordable rent-controlled housing---eliminating the rent-controlled housing without demolishing it has the exact same impact and negative effect---"remodeling" such housing out of existence must require a conditional use or at least close scrutiny from the Dept;
2. The Dept simply cannot turn a blind eye to what is going on in this case. The owner is a professional real estate agent and developer who operates her own company "Focus Realty." She has neglected the building for the past 18 years and there have been numerous Notices of Violation (some still outstanding) issued against the building due to tenant complaints of substandard housing conditions. The owner has conducted a demolition by neglect and should not be rewarded for this behavior. Further the owner used the Ellis Act to evict all the long-term elderly and infirm tenants in order to luxuriate the units and to cash in on this building. the application itself states boldly that the purpose is to eliminate two of the rent control units. This must not be approved. This is exactly the kind of behavior and policy result which the priority policies and the Department is supposed to stop! This Proposal violates NUMEROUS provisions of the Area Plan including:

**POLICY 2.1.3**

***Provide units that are affordable to households at moderate and "middle incomes" – working households earning above traditional below-market rate thresholds but still well below what is needed to buy a market priced home, with restrictions to ensure affordability continues.***

**POLICY 2.1.4**

***Allow single-resident occupancy hotels (SROs) and "efficiency" units to continue to be an affordable type of dwelling option, and recognize their role as an appropriate source of housing for small households.***

**OBJECTIVE 2.2**

**RETAIN AND IMPROVE EXISTING HOUSING AFFORDABLE TO PEOPLE OF ALL INCOMES**

**POLICY 2.2.1**

***Adopt Citywide demolition policies that discourage demolition of sound housing, and encourage replacement of affordable units.***

**POLICY 2.2.2**

***Preserve viability of existing rental units.***

**POLICY 2.2.3**

***Consider acquisition of existing housing for rehabilitation and dedication as permanently affordable housing.***

**POLICY 2.2.4**

***Ensure that at-risk tenants, including low-income families, seniors, and people with disabilities, are not evicted without adequate protection.***

This Project would destroy/eliminate two of the most affordable units in the entire neighborhood! Small rent-controlled units cleared out by the Ellis Act so they could be exponentially expanded into luxury condos...This is EXACTLY what the Planning Dept/Commission is supposed to prevent from happening.

3. There are other four-story structures in the area, they do not predominate—in fact, there are none that front on this block face of Missouri Street and only one that fronts on Missouri Street across the street. However, it has a substantial setback and this proposal has none. Proposing a project that maximizes the building envelope with a four-story structure, 28 feet in width, extending between both side property lines is a complete anomaly and such additions should not be approved;

4. The height and scale of the proposed project would negatively impact the prevailing scale of the built environment on Missouri. Given the strong level of opposition against the fourth-floor addition by the neighborhood, the Department should not support the proposal.

The presently proposed four-story structure, which seeks to maximize the allowed building envelope for this lot under the Code, has these objectionable features and more.

**B. The Height and Scale of the Proposed Project is Inconsistent with the Planning Department's Residential Design Guidelines**

The Department should have forwarded to the project architect a copy of the Planning Department's Residential Design Guidelines. As noted above, the proposed new building is clearly inconsistent with these Guidelines. Not only does the proposed 40-foot high structure presents a building envelope that is completely out of scale, given the location of the property between two smaller buildings and in the mid-block, this project represents an inappropriate and unreasonable development.

Light and air issues are major concerns for the neighboring buildings to the north and south of the proposed structure, as well as for the scale and feeling of the street. The interesting variation in building lines, which currently allows sunlight to penetrate to each building would be negatively impacted, adding shadows and darkness.

**C. The Design Features and Materials of the Proposed Project are Incompatible with Neighborhood Character/in Conflict with the Residential Design Guidelines.**

The prevalent style of "the Hill," consistent with the surrounding neighborhood, is in the Classical Revival style constructed in the years immediately following the Earthquake and Fire. Although there are other four-story structures in the area, clearly, they do not predominate. Of the mid-block lots only one has a four-story building on this block of Missouri Street and it has large setbacks from the street---none are proposed for this structure (zero!). Materials are generally wood siding or stucco, with wooden windows and Classical Revival cornices.

In addition to the height and mass of the proposed new building, the proposed design, window pattern, and materials would be incompatible with this block and would contrast sharply with the overall character of the neighborhood. Putting a mostly glass box covered in aluminum on top of this 1907 structure is completely out of context.

- **Eliminate the Fourth Floor**

Out of place and out of context on a lot in the mid-block. Past practice and policy call for it to be removed.

- **The Setbacks are Insufficient**

There is no front setback---fifteen feet (15) is usually recommended by the Dept. At least 15 feet is required when a new building has a naked and exposed story above its neighbor as this building does. 15 feet is required at front and back.

- **Elimination of the Light Well and No Setback to the East:** Even though the project may be in technical compliance with the Planning Code.... there are no exceptions for in-fill of light wells and side setbacks, IT COMPLETELY IGNORES THE RDG's (page 21). The negative impacts on the adjacent buildings are also being completely ignored. The City's Residential Design Guidelines contain specific guidelines for such situations that require allowing for light and air to the neighbors. Both adjacent buildings provide side setbacks and this project goes to four stories and provides no side setbacks to match

The Project as proposed does not comply with the Residential Design Guidelines and the General Plan and should be amended to eliminate the third and fourth floors and retain ALL four of the existing affordable rent-controlled units.

- **Hazard to birds:** In addition to the project's incompatibility with the character of the surrounding architecture of the neighborhood, the large expanses of glass are inconsistent with the City's guidelines for protecting birds -- the proposed top floor made mostly of glass, plus the glass wind screens or railings proposed for the rooftop will be a hazard to the birds of the Hill and will result in bird injuries and death.
- **Parking impacts:** The addition of a two new off-street parking spaces will result in a loss of public parking and an increase in traffic on Missouri Street. The additional garage spaces will result in a larger overall building, if more space is desired it may be captured by eliminating any new parking at the site.

The proposal does not comply with *Priority Policies of the General Plan*, pursuant to *Section 101.1(b)(4)*, in that increasing the number of parking spaces would promote additional commuter traffic that would impede the transit-rich services existing in the neighborhood. The proposal would also impact the pedestrian usage on Missouri Street. The sponsor can capture the new living square footage desired at the bottom level if the top floor is eliminated.

### 3. **Suggested Changes to the Proposed Project**

The neighbors would not object to a reasonable development. This current plan is not reasonable for the above-stated reasons.

- (1) **The first and foremost, reduce the proposed building to two or three stories, eliminating the third and fourth floor completely.** The elimination of the third and fourth floors would open the property to allow more light to be cast into the two adjacent properties. Reducing the height and mass would further achieve greater compatibility with the neighboring structures and more on with the scale with this densely developed portion of Potrero Hill/Showplace Square.
- (2) **Change the design to make it more compatible with the neighborhood.** Eliminate the large expanses of glass by eliminating the top two floors. Require the use of materials and fenestration pattern that are compatible with the predominant character of the surrounding neighborhood and will not be a hazard to birds.

- (3) **Eliminate the additional parking places.** This request is consistent with the *Priority Policies of the General Plan* and would avoid exacerbating an already difficult traffic situation that exists. If the sponsor needs more space it can be captures at the ground floor without creating more parking.

The neighbors have not had contact with anyone at the Dept. or with the Project Sponsor since the Pre-Application meeting on April 2, 2018. The owners of the property are absentee property owners and professional developers who have neglected the property to the point of demolition by neglect. The Sponsor used the Ellis Act to evict the long-term,(23 years) elderly and disabled tenants .....yet the building has been continuously occupied ever since the evictions in 2015-2016 by a variety of tenants.

## DISCRETIONARY REVIEW REQUEST

In the space below and on separate paper, if necessary, please present facts sufficient to answer each question.

1. What are the reasons for requesting Discretionary Review? The project meets the standards of the Planning Code and the Residential Design Guidelines. What are the exceptional and extraordinary circumstances that justify Discretionary Review of the project? How does the project conflict with the City's General Plan or the Planning Code's Priority Policies or Residential Design Guidelines? Please be specific and site specific sections of the Residential Design Guidelines.

The project does not meet the minimum standards of the Planning Code since it is a non-conforming use of four units in this RH-2 zoned area. It is unclear that the Proposal was ever reviewed for compliance with the Residential Design Guidelines or that the Project was ever reviewed by the RDT and it violates the Residential Design Guidelines. The Project is a demolition, regardless of the alleged "calculations". In order to comply with the RDG's, the Dept ordered the Sponsor to "match (length and width) the notches in the rear on both adjacencies." This was not done at all and both setbacks on the homes adjacent ("notches") are to be walled-up by the new four story building. (see attached).

2. The Residential Design Guidelines assume some impacts to be reasonable and expected as part of construction. Please explain how this project would cause unreasonable impacts. If you believe your property, the property of others or the neighborhood would be unreasonably affected, please state who would be affected, and how.

Violates numerous provisions of the Residential Design Guidelines including the following. "Design the height and depth of the building to be compatible with the existing building scale at the mid-block open space. ( pages 25-26) Design the height and depth of the building to be compatible with the existing building scale at the street. (page 24). A addition to a new building should be articulated to minimize impacts on light and privacy to adjacent properties (pages 16-17). The Project is completely unreasonable on this block at this location. It will block light and air to the building to the south at 227 Missouri Street. The Sponsor ignored the directive from the Dept. to match the setbacks (see attachment)

3. What alternatives or changes to the proposed project, beyond the changes (if any) already made would respond to the exceptional and extraordinary circumstances and reduce the adverse effects noted above in question #1?

A reasonable project will not include the addition of a three new floors. ANY third and fourth floor addition will have negative impacts because of the size and location of the subject lot. Adding an additional 3600 square feet of living space to this small building at the mid-block is unreasonable given the hillside location and surrounding established neighborhood. Destroying affordable housing and driving out rent controlled tenants in order to expand and luxuriate the building for profit violates every single City Policy in the middle of the housing crisis. On this ground alone the project must be rejected.

APPLICATION NO. 2018-07375884

1. The Discretionary Review Requestors ("DR Requester") opposes the de facto demolition and the design/height/bulk and mass of the proposed new construction. DR Requestor is concerned about the project's impact, including impacts on existing affordable/ rent-controlled housing, neighborhood character, light/air and privacy. The project plan is a building with 4 floors, proposed with huge glass voids and stark modern design in a neighborhood characterized by architecture from the early 1900's with a distinct Edwardian Revivalist feel and design. The proposal to tear down sound (occupied) rent controlled affordable housing replace it with a glass box typifies the tragic trend in our city and should not be allowed as an open and blatant violation of the Residential Design Guidelines and City policies. The Dept has made crystal clear on numerous occasions and in dozens of written analyses (including the Area Plan) that this neighborhood is one that has a "clearly defined" character. The proposal does nothing at all to address that clearly defined neighborhood character and is an attempt to completely ignore it.

Allowing the proposed four-story building in this neighborhood would set a new standard of height and massing for the entire neighborhood and could lead to massive changes in the historic character of the Potrero Hill. Which is a neighborhood designated by the Dept for a future historic district. A review of neighboring properties and surrounding blocks reveals that there is only a single house over three stories on Missouri Street between Mariposa and 18th Streets. This proposal directly violates the General Plan Priority Policy No. 2 that requires that *"existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods."* Allowing a new building with a 4th floor, in a neighborhood currently characterized by 2 and 3 floor buildings, would fundamentally change the character of the neighborhood. Add to this the replacement of four 1907 "cabins" with a stark square glass box and the old phrase "adding insult to injury," is brought to life and embodied by this proposal.

In addition, the Residential Design Guidelines would be also be violated by the project due to its large increase in scale (representing an increase of 3800 s.f. over the current structure), and the fact that the modern design is not within the character of the neighborhood. As the design guidelines point out, *"[a] single building out of context with its surroundings can be disruptive to the neighborhood character and, if repeated often enough, to the image of the City as a whole."* RDG pg. 3. DR Requesters (and numerous other neighbors) are concerned and deeply troubled that the stark modern design of the proposed project, in contrast to the more classical character of the vast majority of homes in the neighborhood, will cause just the type of disruption that the Residential Design Guidelines are meant to prevent.

### **TWO OF THE AFFORDABLE RENT-CONTROLLED UNITS ARE BEING PERMANENTLY REMOVED AND A CONDITIONAL USE AUTHORIZATION IS REQUIRED UNDER SECTION 317**

There are CURRENTLY four affordable rent-controlled units at the site---all were occupied. The Sponsor evicted all of the tenants beginning in 2015-2016 .... most were long

term and elderly or disabled. DR Requester is concerned that the demolition of two of these rent-controlled affordable units violates numerous priority policies but also violates the Planning Code itself. The Planning Department should review the project and recommend a method in which the project sponsor could proceed without completely demolishing TWO of the existing four affordable rent-controlled units. There is no difference between “demolishing” these units and remodeling them out of existence. This fact of demolition (or “remolition”) of two units has the following legal and policy ramifications:

- a. Currently all four units are covered by the Rent Control Ordinance—built in 1907 as four separate “cabins” means the units fall within the protections of Rent Control;
- b. The Sponsors’ Project Application clearly states that the intention of the Project is to allow two of the units to remain and to create “two market rate” units;
- c. Removing these two affordable rent controlled units is the same as demolishing two of the units and destroys “naturally affordable” sound rent-controlled housing and violates the overwhelming weigh of the General Plan Policies, Housing Preservation Policies, the Mayor’s Executive Directives and every plan and policy in place (or contemplated) to attempt to address the affordability crisis that has been wreaking havoc with our City.
- d. The Dept. failed to follow the mandatory provisions of the Planning Code at Section 317 designed to save affordable rent-controlled housing units because of the affordability crisis. These units are being lost whether or not one quibbles over “demolition” or not.

### **2. THE DESIGN IS WRONG, OVERLY LARGE AND VIOLATES THE RDG’s**

DR requester is also concerned that the proposed third and fourth floors will loom over all other residences in the neighborhood. Coupled with the huge expanses of glass proposed, this would negatively affect the privacy of every neighbor, since the building is to be constructed with massive windows in all directions and large out-of-character decks. Furthermore, the fourth-floor windows and decks would also negatively affect the privacy of all nearby neighbors to the rear and side of the project house.

Finally, the construction of a building which is a full two naked stories taller than the adjacent neighbor to the north would have a negative impact on the light and air and long-standing character of the historic Potrero Hill neighborhood. The proposed project does not respect the neighborhood or the topography of the area. The height of the proposed building pushes against the absolute maximum allowed in the zoning district and proposes a building at a height far above 40 feet as viewed and measured from Sea Cliff Avenue. (the Plans show it will be 47’ feet tall due to the steep hill side location).

3. DR Requester would like to see the character of the neighborhood respected by removing the third and fourth floors of the proposed building. This would preserve and maintain the existing affordable rent-controlled units and design character of the neighborhood. More importantly, the removal of the uncharacteristically high features of the proposed building will

NOTICE OF SPECIAL RESTRICTIONS UNDER THE PLANNING CODE

I, (We) Karen Lum, the owner(s) of that certain real property situated in the City and County of San Francisco, State of California more particularly described as follows: (LEGAL DESCRIPTION AS ON DEED).

BEING Assessor's Block 4002, Lot 022, commonly known as 219 – 223 Missouri Street, hereby give notice that there are special restrictions on the use of said property under Part II, Chapter II of the San Francisco Municipal Code (Planning Code).

Said Restrictions consist of conditions attached to Building Permit No. 201807305884 submitted to the Planning Department of the City and County of San Francisco on July 30, 2018. The subject permit is being sought to renovate the existing four units at the property and expand the total square footage of units labeled three and four, on the building plans associated with the subject permit.

219 – 223 Missouri Street (the "subject property") is located in the RH-2, Residential- House, Two Family Zoning District. Per Section 209.1 of the Planning Code, two residential units are permitted. However, the subject property was constructed with four residential units prior to adoption of the San Francisco Planning Code. Therefore, two of the four units at the subject property are nonconforming.

Per Planning Code Section 181, expansion of nonconforming dwelling units cannot occur since an eviction occurred at the subject property pursuant to Administrative Code Sections 37.9(a)(9) through 37.9(a)(14).

To approve Building Permit No. 201807305884, the Planning Department required the restrictions and conditions listed below.

The restrictions and conditions of which notice is hereby given are:

- Two units at the property must be identified as nonconforming on the plans associated with the subject permit and shall not be permitted to expand beyond the area (i.e. square footage) allocated to those units at the time of original construction.
- The recorded Notice of Special Restrictions shall be reproduced on the Title Sheet or Index Sheet of all future permit applications for work at the subject property.

Page 2 of 2

The use of said property contrary to these special restrictions shall constitute a violation of the Planning Code, and no release, modification or elimination of these restrictions shall be valid unless notice thereof is recorded on the Land Records by the Zoning Administrator of the City and County of San Francisco.

NOTICE OF SPECIAL RESTRICTIONS UNDER THE PLANNING CODE

I, (We) Karen Lum, the owner(s) of that certain real property situated in the City and County of San Francisco, State of California more particularly described as follows: (LEGAL DESCRIPTION AS ON DEED).

BEING Assessor's Block 4002, Lot 022, commonly known as 219 – 223 Missouri Street, hereby give notice that there are special restrictions on the use of said property under Part II, Chapter II of the San Francisco Municipal Code (Planning Code).

Said Restrictions consist of conditions attached to Building Permit No. 201807305884 submitted to the Planning Department of the City and County of San Francisco on July 30, 2018. The subject permit is being sought to renovate the existing four units at the property and expand the total square footage of units labeled three and four, on the building plans associated with the subject permit.

219 – 223 Missouri Street (the "subject property") is located in the RH-2, Residential- House, Two Family Zoning District. Per Section 209.1 of the Planning Code, two residential units are permitted. However, the subject property was constructed with four residential units prior to adoption of the San Francisco Planning Code. Therefore, two of the four units at the subject property are nonconforming.

Per Planning Code Section 181, expansion of nonconforming dwelling units cannot occur since an eviction occurred at the subject property pursuant to Administrative Code Sections 37.9(a)(9) through 37.9(a)(14).

To approve Building Permit No. 201807305884, the Planning Department required the restrictions and conditions listed below.

The restrictions and conditions of which notice is hereby given are:

- Two units at the property must be identified as nonconforming on the plans associated with the subject permit and shall not be permitted to expand beyond the area (i.e. square footage) allocated to those units at the time of original construction.
- The recorded Notice of Special Restrictions shall be reproduced on the Title Sheet or Index Sheet of all future permit applications for work at the subject property.

The use of said property contrary to these special restrictions shall constitute a violation of the Planning Code, and no release, modification or elimination of these restrictions shall be valid unless notice thereof is recorded on the Land Records by the Zoning Administrator of the City and County of San Francisco.
