**Challenges**

Pursuant to Government Code Section 65009, if you challenge, in court, (1) the adoption or amendment of a general plan, (2) the adoption or amendment of a zoning ordinance, (3) the adoption or amendment of any regulation attached to a specific plan, (4) the approval, amendment or modification of a development agreement, or (5) the approval of a variance, conditional-use authorization, or any permit, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Planning Commission, at, or prior to, the public hearing.

**CEQA Appeal Rights under Chapter 31 of the San Francisco Administrative Code**

If the Commission’s action on a project constitutes the Approval Action for that project (as defined in S.F. Administrative Code Chapter 31, as amended, Board of Supervisors Ordinance Number 161-13), then the CEQA determination prepared in support of that Approval Action is thereafter subject to appeal within the time frame specified in S.F. Administrative Code Section 31.16. This appeal is separate from and in addition to an appeal of an action on a project. Typically, an appeal must be filed within 30 calendar days of the Approval Action for a project that has received an exemption or negative declaration pursuant to CEQA. For information on filing an appeal under Chapter 31, contact the Clerk of the Board of Supervisors at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102, or call (415) 554-5184. If the Department’s Environmental Review Officer has deemed a project to be exempt from further environmental review, an exemption determination has been prepared and can be obtained on-line at http://www.sf-planning.org/index.aspx?page=3447. Under CEQA, in a later court challenge, a litigant may be limited to raising only those issues previously raised at a hearing on the project or in written correspondence delivered to the Board of Supervisors, Planning Commission, Planning Department or other City board, commission or department at, or prior to, such hearing, or as part of the appeal hearing process on the CEQA decision.

**Protest of Fee or Exaction**

You may protest any fee or exaction subject to Government Code Section 66000 imposed as a condition of approval in accordance with Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

The Planning Commission’s approval or conditional approval of the development subject to the challenged fee or exaction as expressed in its Motion, Resolution, or Discretionary Review Action or the Zoning Administrator’s Variance Decision Letter will serve as Notice that the 90-day protest period under Government Code Section 66020 has begun.
