### PROJECT DESCRIPTION

The Project includes the establishment of a 10,000 Industrial Agriculture (cannabis cultivation) use in an existing one-story warehouse space. The Project also includes the removal of an unpermitted second floor within the existing building.

### REQUIRED COMMISSION ACTION

For the Project to proceed, the Commission must grant a Conditional Use Authorization, pursuant to Planning Code Sections 210.3 and 303, to permit the establishment of a 10,000 square foot Industrial Agriculture use in the PDR-2 Zoning District.

### ISSUES AND OTHER CONSIDERATIONS

- **Conversion of PDR Space.** The Department is working with the Office of Cannabis to track the amount of Industrial space that is being converted to Agricultural uses, chiefly the cultivation of cannabis. However, such information is not yet available. However, the project under review is consistent with the intent and purpose of the PDR-2 Zoning District. Additionally, the business is a pre-existing operation seeking to legalize and did not displace a prior tenant according to the project sponsor.

- **Tenant History.** The project sponsor reports that the subject industrial space was previously used by the property owner as part of their personal business, which vacate the space prior to this operation beginning at the site.
- **Cannabis Use Buffers.** Planning Code Section 202.2 requires a 600-foot buffer between storefront (Cannabis Retail and Medical Cannabis Dispensary) uses and other storefront uses, and also requires such buffer from schools, public or private. No buffer is required for non-storefront uses. The proposal does not include any storefront use and thus is not subject to such buffer requirement. If the site were authorized to pursue a Cannabis Retail storefront license by the City's Office of Cannabis, it would be subject to the buffer and permit requirements for that use at that time.
- **Renewable Energy Mandate.** As part of the licensing requirements of the City's Office of Cannabis, the business is required to reduce the environmental impact of it's operation by selecting one of the following options:
  - By participating in the San Francisco Public Utilities Commission (SFPUC) CleanPowerSF Service, or procurement from electricity suppliers that provide at least equivalent renewable energy, as determined by the Power Content Label reported to the California Energy Commission for the most recent available year;
  - By procuring energy from the SFPUC's Hetch Hetchy hydroelectric power supply; OR
  - By including on-site renewable energy generation as part of the project.
- **Public Outreach:** No comments have been received regarding this proposal.

## **ENVIRONMENTAL REVIEW**

The Project is exempt from the California Environmental Quality Act ("CEQA") under Class 1 and Class 3 categorical exemptions.

## **BASIS FOR RECOMMENDATION**

The Department finds that the Project is, on balance, consistent with the purpose of the PDR-2 Zoning District and the Objectives and Policies of the General Plan. The Project allows for the cultivation of cannabis in an existing space and supports other economic activities, including manufacturing. The Department also finds the project to be necessary, desirable, and compatible with the surrounding neighborhood, and not to be detrimental to persons or adjacent properties in the vicinity.

**ADOPTING FINDINGS RELATING TO A CONDITIONAL USE AUTHORIZATION PURSUANT TO PLANNING CODE SECTIONS 210.3 AND 303, TO ALLOW THE ESTABLISHMENT OF A 10,000 SQUARE-FOOT INDUSTRIAL AGRICULTURE USE IN AN EXISTING ONE-STORY WAREHOUSE SPACE, LOCATED AT 1465 DONNER AVENUE, LOT 024 IN ASSESSOR'S BLOCK 4910, WITHIN THE PDR-2 (PRODUCTION, DISTRIBUTION, & REPAIR – CORE) ZONING DISTRICT, THIRD STREET ALCOHOL RESTRICTED USE DISTRICT AND A 40-X HEIGHT AND BULK DISTRICT, AND ADOPTING FINDINGS UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT.**

### PREAMBLE

On April 19, 2019, Kyle Brunel of Pencilbox Architects (hereinafter "Project Sponsor") filed Application No. 2019-001143CUA (hereinafter "Application") with the Planning Department (hereinafter "Department") for a Conditional Use Authorization establish a 10,000 square foot Industrial Agriculture use (hereinafter "Project") at 1465 Donner Avenue, Block 4910 Lot 024 (hereinafter "Project Site").

The Project is exempt from the California Environmental Quality Act ("CEQA") under Class 1 and Class 3 categorical exemptions;

On November 21, 2019, the San Francisco Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting on Conditional Use Authorization Application No. 2019-001143CUA.

The Planning Department Commission Secretary is the custodian of records; the File for Record No. 2019-001143CUA is located at 1650 Mission Street, Suite 400, San Francisco, California.

The Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties.

**MOVED**, that the Commission hereby authorizes the Conditional Use Authorization as requested in Application No. 2019-001143CUA, subject to the conditions contained in "EXHIBIT A" of this motion, based on the following findings:

## FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

1. The above recitals are accurate and constitute findings of this Commission.
2. **Project Description.** The Project includes the establishment of a 10,000 Industrial Agriculture (cannabis cultivation) use in an existing one-story warehouse space. The Project also includes the removal of an unpermitted second floor within the existing building.
3. **Site Description and Present Use.** The Project is located on a 10,000 square foot rectangular lot that is developed with a one-story Industrial building currently used as an Industrial Agriculture facility without the benefit of a permit. The existing building contains an unpermitted second floor which is proposed for removal.
4. **Surrounding Properties and Neighborhood.** The Project Site is located within the PDR-2 Zoning District in the Bayview Hunters Point Area Plan. The immediate context is primarily industrial in nature. All adjoining properties are used by Industrial uses and are zoned PDR-2.
5. **Public Outreach and Comments.** The Department has received no public comment on the proposed project.
6. **Planning Code Compliance.** The Commission finds that the Project is consistent with the relevant provisions of the Planning Code in the following manner:
  - A. **Use.** Planning Code Section 210.3 requires a Conditional Use Authorization to operate an Industrial Agriculture use in the PDR-2 Zoning District.

*The project sponsor is seeking Conditional Use Authorization to establish an Industrial Agriculture use at the site.*

- B. **Location and Operation Conditions.** Per Planning Code Section 202.2, Agricultural Use is subject to the corresponding conditions:

(1) *Agricultural Uses, General.* Any plot of land that exceeds 1,000 square feet and is newly established shall comply with the applicable water use requirements of Administrative Code [Chapter 63](#). Pursuant to Section [63.6.2\(b\)](#) of the Administrative Code, no permit for any site where the modified land area exceeds 1,000 square feet shall be issued until the General Manager of the Public Utilities Commission has approved the applicable landscape project documentation.

(2) *Industrial Agriculture.* Cannabis must only be grown within an enclosed structure.

- C. **Ground Floor Standards in Industrial Districts.** Planning Code Section 145.5 requires that in existing buildings, a minimum clear ceiling height of 15 feet shall be retained where currently existing.

*The site currently contains an unpermitted second floor, which reduces the ground floor ceiling height to less than 15 feet. As part of the project, the unpermitted second floor will be removed. Thus, the proposed project would render the building in compliance with this Section.*

7. **Conditional Use Findings.** Planning Code Section 303 establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use authorization. On balance, the project complies with said criteria in that:

- A. The proposed new uses and building, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable, and compatible with, the neighborhood or the community.

*The size of the proposed use is in keeping with other industrial units on the block face. The proposed uses are supportive of a new small business to the City, thus providing economic opportunity and employment for residents. The size of the proposed business is in keeping with the size of previous businesses. Overall, the addition of new industrial and commercial uses is necessary and desirable with the overall character of the surrounding neighborhood.*

- B. The proposed project will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity. There are no features of the project that could be detrimental to the health, safety or convenience of those residing or working the area, in that:

- (1) Nature of proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;

*The height and bulk of the existing building will remain the same and will not alter the existing appearance or character of the project vicinity. The proposed work will not affect the building envelope.*

- (2) The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;

*The Planning Code does not require parking or loading for any uses. The site is well served by transit and will not generate any volume of traffic not already expected by the existing Industrial uses at the site.*

- (3) The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;

*The facility will be reviewed by the City's Office of Cannabis for control of any potential odors from the site. Maintaining control of such odors is a requirement of the operator licensing from the Office of Cannabis.*

- (4) Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs;

*The existing building configuration and streetscape are not altered by the Project.*

- C. That the use as proposed will comply with the applicable provisions of the Planning Code and will not adversely affect the General Plan.

*The Project complies with all relevant requirements and standards of the Planning Code and is consistent with objectives and policies of the General Plan as detailed below.*

- D. That the use as proposed would provide development that is in conformity with the purpose of the applicable Zoning District.

*The Project is consistent with the stated purposes of PDR-2 Districts in that the intended uses are light and contemporary industrial activity with low potential for noxious emissions, providing economic and employment opportunities to the City and neighborhood.*

8. **General Plan Compliance.** The Project is, on balance, consistent with the following Objectives and Policies of the General Plan:

## **COMMERCE AND INDUSTRY ELEMENT**

### **Objectives and Policies**

**OBJECTIVE 1:**

MANAGE ECONOMIC GROWTH AND CHANGE TO ENSURE ENHANCEMENT OF THE TOTAL CITY LIVING AND WORKING ENVIRONMENT.

**Policy 1.2**

Assure that all commercial and industrial uses meet minimum, reasonable performance standards

**Policy 1.3**

Locate commercial and industrial activities according to a generalized commercial and industrial land use plan.

**OBJECTIVE 2:**

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

**Policy 2.1**

Seek to retain existing commercial and industrial activity and to attract new such activity to the city.

**OBJECTIVE 3:**

PROVIDE EXPANDED EMPLOYMENT OPPORTUNITIES FOR CITY RESIDENTS, PARTICULARLY THE UNEMPLOYED AND ECONOMICALLY DISADVANTAGED.

**Policy 3.1**

Promote the attraction, retention and expansion of commercial and industrial firms which provide employment improvement opportunities for unskilled and semi-skilled workers.

**Policy 3.4**

Assist newly emerging economic activities.

*The Project is a small-scale industrial project, activating 10,000 square feet of industrial space to provide employment and economic opportunity. The Cannabis industry is a new, burgeoning industry that is creating a cluster of economic activity in San Francisco. While cultivation may yield a similar job density as distribution and warehousing, it is complementary to other cannabis uses that provide significant job opportunities to unskilled and semi-skilled workers, such as manufacturing. Additionally, the City's equity requirements provide for employment of local residents, increasing the economic vitality of the Bayview District.*

9. **Planning Code Section 101.1(b)** establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the project complies with said policies in that:

- A. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses be enhanced.

*The project site does not possess any neighborhood-serving retail uses and is not principally zoned for such uses. As such, existing neighborhood-serving retail uses be preserved.*

- B. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods.

*The project site does not possess any housing, and the Project proposes no changes to the massing or exterior of the existing structure.*

- C. That the City's supply of affordable housing be preserved and enhanced,

*The Project site does not contain any existing affordable housing; thus, the City's supply of affordable housing be preserved.*

- D. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

*The Project Site is served by nearby public transportation options. As such, it is well served by transit and the project will not overburden streets or neighborhood parking.*

- E. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced.

*The Project does not include commercial office development. The project proposes to establish a new industrial business owned and managed by a local resident, providing for economic activity to the neighborhood.*

- F. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

*The Project will be designed and will be constructed to conform to the structural and seismic safety requirements of the Building Code. This proposal will not impact the property's ability to withstand an earthquake.*

- G. That landmarks and historic buildings be preserved.

*The Project Site does not contain any City Landmarks or historic buildings.*

H. That our parks and open space and their access to sunlight and vistas be protected from development.

*The project makes no change to the existing massing or design of the building.*

10. The Project is consistent with and would promote the general and specific purposes of the Code provided under Section 101.1(b) in that, as designed, the Project would contribute to the character and stability of the neighborhood and would constitute a beneficial development.
11. The Commission hereby finds that approval of the Conditional Use Authorization would promote the health, safety and welfare of the City.

## DECISION

That based upon the Record, the submissions by the Applicant, the staff of the Department and other interested parties, the oral testimony presented to this Commission at the public hearings, and all other written materials submitted by all parties, the Commission hereby **APPROVES Conditional Use Authorization Application No. 2019-001143CUA** subject to the following conditions attached hereto as "EXHIBIT A" in general conformance with plans on file, dated October 28, 2019, and stamped "EXHIBIT B", which is incorporated herein by reference as though fully set forth.

**APPEAL AND EFFECTIVE DATE OF MOTION:** Any aggrieved person may appeal this Conditional Use Authorization to the Board of Supervisors within thirty (30) days after the date of this Motion. The effective date of this Motion shall be the date of this Motion if not appealed (after the 30-day period has expired) OR the date of the decision of the Board of Supervisors if appealed to the Board of Supervisors. For further information, please contact the Board of Supervisors at (415) 554-5184, City Hall, Room 244, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102.

**Protest of Fee or Exaction:** You may protest any fee or exaction subject to Government Code Section 66000 that is imposed as a condition of approval by following the procedures set forth in Government Code Section 66020. The protest must satisfy the requirements of Government Code Section 66020(a) and must be filed within 90 days of the date of the first approval or conditional approval of the development referencing the challenged fee or exaction. For purposes of Government Code Section 66020, the date of imposition of the fee shall be the date of the earliest discretionary approval by the City of the subject development.

If the City has not previously given Notice of an earlier discretionary approval of the project, the Planning Commission's adoption of this Motion, Resolution, Discretionary Review Action or the Zoning Administrator's Variance Decision Letter constitutes the approval or conditional approval of the development and the City hereby gives **NOTICE** that the 90-day protest period under Government Code Section 66020 has begun. If the City has already given Notice that the 90-day approval period has begun for the subject development, then this document does not re-commence the 90-day approval period.

I hereby certify that the Planning Commission ADOPTED the foregoing Motion on November 21, 2019.

## EXHIBIT A

### AUTHORIZATION

This authorization is for a conditional use to allow an Industrial Agriculture use measuring 10,000 square feet located at 1465 Donner Avenue, Lot 024 in Assessor's Block 4910, pursuant to Planning Code Sections **210.3 and 303**, within the **PDR-2** Zoning District, Third Street Alcohol Restricted Use District, and a **40-X** Height and Bulk District; in general conformance with plans, dated **October 28, 2019**, and stamped "EXHIBIT B" included in the docket for Record No. **2019-001143CUA** and subject to conditions of approval reviewed and approved by the Commission on **November 21, 2019** under Motion No **XXXXXX**. This authorization and the conditions contained herein run with the property and not with a particular Project Sponsor, business, or operator.

### RECORDATION OF CONDITIONS OF APPROVAL

Prior to the issuance of the building permit or commencement of use for the Project the Zoning Administrator shall approve and order the recordation of a Notice in the Official Records of the Recorder of the City and County of San Francisco for the subject property. This Notice shall state that the project is subject to the conditions of approval contained herein and reviewed and approved by the Planning Commission on **November 21, 2019** under Motion No **XXXXXX**.

### PRINTING OF CONDITIONS OF APPROVAL ON PLANS

The conditions of approval under the 'Exhibit A' of this Planning Commission Motion No. **XXXXXX** shall be reproduced on the Index Sheet of construction plans submitted with the site or building permit application for the Project. The Index Sheet of the construction plans shall reference to the Conditional Use authorization and any subsequent amendments or modifications.

### SEVERABILITY

The Project shall comply with all applicable City codes and requirements. If any clause, sentence, section or any part of these conditions of approval is for any reason held to be invalid, such invalidity shall not affect or impair other remaining clauses, sentences, or sections of these conditions. This decision conveys no right to construct, or to receive a building permit. "Project Sponsor" shall include any subsequent responsible party.

### CHANGES AND MODIFICATIONS

Changes to the approved plans may be approved administratively by the Zoning Administrator. Significant changes and modifications of conditions shall require Planning Commission approval of a new Conditional Use authorization.

## Conditions of Approval, Compliance, Monitoring, and Reporting

### PERFORMANCE

- 1. Validity.** The authorization and right vested by virtue of this action is valid for three (3) years from the effective date of the Motion. The Department of Building Inspection shall have issued a Building Permit or Site Permit to construct the project and/or commence the approved use within this three-year period.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*
- 2. Expiration and Renewal.** Should a Building or Site Permit be sought after the three (3) year period has lapsed, the project sponsor must seek a renewal of this Authorization by filing an application for an amendment to the original Authorization or a new application for Authorization. Should the project sponsor decline to so file, and decline to withdraw the permit application, the Commission shall conduct a public hearing in order to consider the revocation of the Authorization. Should the Commission not revoke the Authorization following the closure of the public hearing, the Commission shall determine the extension of time for the continued validity of the Authorization.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*
- 3. Diligent Pursuit.** Once a site or Building Permit has been issued, construction must commence within the timeframe required by the Department of Building Inspection and be continued diligently to completion. Failure to do so shall be grounds for the Commission to consider revoking the approval if more than three (3) years have passed since this Authorization was approved.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*
- 4. Extension.** All time limits in the preceding three paragraphs may be extended at the discretion of the Zoning Administrator where implementation of the project is delayed by a public agency, an appeal or a legal challenge and only by the length of time for which such public agency, appeal or challenge has caused delay.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*
- 5. Conformity with Current Law.** No application for Building Permit, Site Permit, or other entitlement shall be approved unless it complies with all applicable provisions of City Codes in effect at the time of such approval.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*

6. **Additional Project Authorization.** The Project Sponsor shall obtain operator licenses from the City's Office of Cannabis and the State of California Bureau of Cannabis Control prior to commencing operation of any commercial cannabis activity.  
*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*

## MONITORING - AFTER ENTITLEMENT

7. **Enforcement.** Violation of any of the Planning Department conditions of approval contained in this Motion or of any other provisions of Planning Code applicable to this Project shall be subject to the enforcement procedures and administrative penalties set forth under Planning Code Section 176 or Section 176.1. The Planning Department may also refer the violation complaints to other city departments and agencies for appropriate enforcement action under their jurisdiction.  
*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*
8. **Revocation due to Violation of Conditions.** Should implementation of this Project result in complaints from interested property owners, residents, or commercial lessees which are not resolved by the Project Sponsor and found to be in violation of the Planning Code and/or the specific conditions of approval for the Project as set forth in Exhibit A of this Motion, the Zoning Administrator shall refer such complaints to the Commission, after which it may hold a public hearing on the matter to consider revocation of this authorization.  
*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*

## OPERATION

9. **Community Liaison.** Prior to issuance of a building permit to construct the project and implement the approved use, the Project Sponsor shall appoint a community liaison officer to deal with the issues of concern to owners and occupants of nearby properties. The Project Sponsor shall provide the Zoning Administrator and all registered neighborhood groups for the area with written notice of the name, business address, and telephone number of the community liaison. Should the contact information change, the Zoning Administrator and registered neighborhood groups shall be made aware of such change. The community liaison shall report to the Zoning Administrator what issues, if any, are of concern to the community and what issues have not been resolved by the Project Sponsor.  
*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*
10. **Agricultural Use, General.** Per Planning Code Section 202.2, any plot of land that exceeds 1,000 square feet and is newly established shall comply with the applicable water use requirements of Administrative Code [Chapter 63](#). Pursuant to Section [63.6.2\(b\)](#) of the Administrative Code, no

permit for any site where the modified land area exceeds 1,000 square feet shall be issued until the General Manager of the Public Utilities Commission has approved the applicable landscape project documentation.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*

11. **Industrial Agriculture.** Per Planning Code Section 202.2, cannabis must only be grown within an enclosed structure.

*For information about compliance, contact Code Enforcement, Planning Department at 415-575-6863, [www.sf-planning.org](http://www.sf-planning.org)*

**STEP 6: CATEGORICAL EXEMPTION DETERMINATION  
TO BE COMPLETED BY PROJECT PLANNER**

<input checked="" type="checkbox"/>	<b>No further environmental review is required. The project is categorically exempt under CEQA. There are no unusual circumstances that would result in a reasonable possibility of a significant effect.</b>	
	<b>Project Approval Action:</b> Planning Commission Hearing	<b>Signature:</b> Michael Christensen
	If Discretionary Review before the Planning Commission is requested, the Discretionary Review hearing is the Approval Action for the project.	11/07/2019
Once signed or stamped and dated, this document constitutes a categorical exemption pursuant to CEQA Guidelines and Chapter 31 of the Administrative Code. In accordance with Chapter 31 of the San Francisco Administrative Code, an appeal of an exemption determination can only be filed within 30 days of the project receiving the approval action. Please note that other approval actions may be required for the project. Please contact the assigned planner for these approvals.		

## STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT

### TO BE COMPLETED BY PROJECT PLANNER

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

### DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION

Compared to the approved project, would the modified project:	
<input type="checkbox"/>	Result in expansion of the building envelope, as defined in the Planning Code;
<input type="checkbox"/>	Result in the change of use that would require public notice under Planning Code Sections 311 or 312;
<input type="checkbox"/>	Result in demolition as defined under Planning Code Section 317 or 19005(f)?
<input type="checkbox"/>	Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption?
<b>If at least one of the above boxes is checked, further environmental review is required.</b>	

### DETERMINATION OF NO SUBSTANTIAL MODIFICATION

<input type="checkbox"/>	The proposed modification would not result in any of the above changes.
If this box is checked, the proposed modifications are categorically exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and mailed to the applicant, City approving entities, and anyone requesting written notice. In accordance with Chapter 31, Sec 31.08j of the San Francisco Administrative Code, an appeal of this determination can be filed within 10 days of posting of this determination.
