## Hearing Procedures

The Planning Commission holds public hearings regularly, on most Thursdays. The full hearing schedule for the calendar year and the Commission Rules & Regulations may be found online at: [www.sfplanning.org](http://www.sfplanning.org).

Public Comments: Persons attending a hearing may comment on any scheduled item.

- ❖ When speaking before the Commission in City Hall, Room 400, please note the timer indicating how much time remains. Speakers will hear two alarms. The first soft sound indicates the speaker has 30 seconds remaining. The second louder sound indicates that the speaker's opportunity to address the Commission has ended.

Sound-Producing Devices Prohibited: The ringing of and use of mobile phones and other sound-producing electronic devices are prohibited at this meeting. Please be advised that the Chair may order the removal of any person(s) responsible for the ringing or use of a mobile phone, pager, or other similar sound-producing electronic devices (*67A.1 Sunshine Ordinance: Prohibiting the use of cell phones, pagers and similar sound-producing electronic devices at and during public meetings*).

For most cases (CU's, PUD's, 309's, etc...) that are considered by the Planning Commission, after being introduced by the Commission Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue(s) by the Director or a member of the staff.
2. A presentation of the proposal by the Project Sponsor(s) team (includes sponsor or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period not to exceed 10 minutes, unless a written request for extension not to exceed a total presentation time of 15 minutes is received at least 72 hours in advance of the hearing, through the Commission Secretary, and granted by the President or Chair.
3. A presentation of opposition to the proposal by organized opposition for a period not to exceed 10 minutes (or a period equal to that provided to the project sponsor team) with a minimum of three (3) speakers. The intent of the 10 min block of time provided to organized opposition is to reduce the number of overall speakers who are part of the organized opposition. The requestor should advise the group that the Commission would expect the organized presentation to represent their testimony, if granted. Organized opposition will be recognized only upon written application at least 72 hours in advance of the hearing, through the Commission Secretary, the President or Chair. Such application should identify the organization(s) and speakers.
4. **Public testimony from proponents of the proposal:** An individual may speak for a period not to exceed three (3) minutes.
5. **Public testimony from opponents of the proposal:** An individual may speak for a period not to exceed three (3) minutes.
6. Director's preliminary recommendation must be prepared in writing.
7. Action by the Commission on the matter before it.
8. In public hearings on Draft Environmental Impact Reports, all speakers will be limited to a period not to exceed three (3) minutes.
9. The President (or Acting Chair) may impose time limits on appearances by members of the public and may otherwise exercise his or her discretion on procedures for the conduct of public hearings.
10. Public comment portion of the hearing shall be closed and deliberation amongst the Commissioners shall be opened by the Chair;
11. A motion to approve; approve with conditions; approve with amendments and/or modifications; disapprove; or continue to another hearing date, if seconded, shall be voted on by the Commission.

Every Official Act taken by the Commission must be adopted by a majority vote of all members of the Commission, a minimum of four (4) votes. A failed motion results in the disapproval of the requested action, unless a subsequent motion is adopted. Any Procedural Matter, such as a continuance, may be adopted by a majority vote of members present, as long as the members present constitute a quorum (four (4) members of the Commission).

For Discretionary Review cases that are considered by the Planning Commission, after being introduced by the Commission Secretary, shall be considered by the Commission in the following order:

1. A thorough description of the issue by the Director or a member of the staff.
2. A presentation by the DR Requestor(s) team (includes Requestor(s) or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period not to exceed five (5) minutes for each requestor.
3. Testimony by members of the public in support of the DR would be up to three (3) minutes each.
4. A presentation by the Project Sponsor(s) team (includes Sponsor(s) or their designee, lawyers, architects, engineers, expeditors, and/or other advisors) would be for a period up to five (5) minutes, but could be extended for a period not to exceed 10 minutes if there are multiple DR requestors.

5. Testimony by members of the public in support of the project would be up to three (3) minutes each.
6. DR requestor(s) or their designees are given two (2) minutes for rebuttal.
7. Project sponsor(s) or their designees are given two (2) minutes for rebuttal.
