## WHAT ARE WE DOING NOW?

- MTC/ABAG have convened a Housing Legislative Working Group comprised of two city representatives from each of the nine counties, plus one county to provide input on housing legislation that can inform ABAG/MTC advocacy efforts.
- Staff is analyzing bills and will bring forward recommendations to ABAG/MTC in May based on input from the working group and other stakeholders.
- Meeting materials and videos of meetings can be found here [mtc.ca.gov/hlwg/meetings](https://mtc.ca.gov/hlwg/meetings)

# 2019 LEGISLATIVE UPDATE

- Housing is Issue #1 this year, led by Governor Newsom who has proposed \$750 million in funding for local and regional agencies to plan for housing and pay for infrastructure.
- There are currently over 200 housing bills that have been introduced that address a wide range of issues, spanning across the 3Ps.
- Many, but not all, are authored by Bay Area legislators.
- Most are statewide in scope and do not have a sunset date.
- Many bills have cleared their first committee hurdle, but still face a challenge to reach the Governor's desk.
