Dear Mr. Wycko,

On July 18, 2012, the Historic Preservation Commission (HPC) held a public hearing and took public comment on the Draft Environmental Impact Report (DEIR) for the proposed 706 Mission Street – The Mexican Museum and Residential Tower Project (2008.1084E). After discussion, the HPC arrived at the comments below:

- The HPC agreed the document presented sufficiently addressed and responded to the comments made previously by the Architectural Review Committee.
- The HPC agreed the write-up regarding the treatment to the building is adequate.

The HPC appreciates the opportunity to participate in review of this environmental document.

Sincerely,

A handwritten signature in blue ink that reads "Charles Edwin Chase".

Charles Edwin Chase, President
Historic Preservation Commission
