B. REGULAR

2. [2016-016161PTA](#) (E. TUFFY: (415) 575-9191)
120 STOCKTON STREET – located on the east side of Stockton Street, between O’Farrell and Geary streets (District 3). **Review and Comment** by the Architectural Review Committee regarding the proposed façade remodel and 1-story vertical addition to a Category V building in the Kearny-Market-Mason-Sutter Conservation District. The existing, seven-story building was constructed in 1974 as a single-tenant department store. A preliminary historic resource evaluation report identifies the building as a structure under 50 years in age that is not individually eligible for listing on the California Register of Historical Resources. The project would convert the existing building for multi-tenant uses including: Retail, Restaurant, and Office. The exterior alterations are to be reviewed for compatibility with the features of the Conservation District. The corner lot has 137.5 feet of frontage on Stockton Street, 220 feet of frontage on O’Farrell Street, and 42.5 feet of frontage along Security Pacific Place (a narrow dead-end street measuring 34 feet in width). The lot is zoned C-3-R (Downtown Retail) with a 80-130-F Height and Bulk District.
Preliminary Recommendation: Review and Comment
