B. DEPARTMENT MATTERS

1. Department Announcements

_Liz Watty, Director of Current Planning:_
I just wanted to give a quick update to the Commissioners that we do have our end of summer college internship presentations, that are coming up next week. So, starting on Monday, the 23rd, and then will continue on August 24th and 25th, as well. We have a bunch of interns this summer. So, we have between five and six presentations each of those days. We would just encourage all of the Commissioners to tune in and listen to our fabulous summer intern end of summer presentations. That is the only update that we have. Thank you.

C. COMMISSION MATTERS

2. President’s Report and Announcements

_President Matsuda:_
I have no reports or announcements. But I would like to see if Planning staff could follow up on our general public comment call about the status of the Golden Gate Library. Thank you.

_Liz Watty, Director of Current Planning:_
Sure, we are happy to follow up. I believe Elizabeth Gordon-Jonckheer may be available for a quick status update. I believe Marcelle gave one right before she went out on leave but it is -- we are working on it. Elizabeth, do you have more specific timing updates available?

_Elizabeth Gordon-Jonckheer:_
I do. And forgive me while I don't put my video on just while I'm reading --

_President Matsuda:_
Sorry, I didn't mean to just bring this on you. It could be a part of our next meeting as well, if you just want to give a general update of all. I don't know when we are scheduled for the actual official report of the status of landmark designations but you might want to just wait until then if that is more convenient for you.

_Elizabeth Gordon-Jonckheer:_
I think we have general sense that it will be coming in September for initiation. I can update you further at the next HPC meeting. But my understanding that it is on board for the fall.

_President Matsuda:_
Great. Thank you.

Commissioner Nageswaran:
I just have one disclosure. I spoke to a member of Page & Turnbull this morning to relay some questions I will be bringing up so that they would be able to prepare answers to those questions.

President Matsuda:
Is this on an agenda item?

Commissioner Nageswaran:
Yes, two agenda items. One would be 130 Townsend and 900 Innes.

President Matsuda:
Thank you. Commissioner Foley, did you want to make a disclosure or have a question or comment?

Commissioner Foley:
President Matsuda, I had a conversation with Park and Rec and Page & Turnbull. They went through the presentation on the cottage on 900 Innes with me on Monday.

President Matsuda:
And Commissioner So.

Commissioner So:
Thank you, Commissioner President. I do need to also make the similar announcement that I had a conversation with Park and Rec and Page & Turnbull representative regarding the cottage on 900 Innes Street.
