RE: Landmark Designation Work Program Quarterly Report

This report outlines activities of the Department's Survey and Designation Team from January 1, 2018 to March 31, 2018 (Q3).

On January 17, 2018, the HPC adopted resolutions in support of nominating **The Women's Building** (3543 18th Street) and the **San Francisco Central YMCA** (220 Golden Gate Avenue) to the National Register of Historic Places. The HPC also adopted a resolution in support of amending the National Register of Historic Places nomination for **Coit Memorial Tower** (1 Telegraph Hill Boulevard) in order to document the property at the national level of significance in the area of art.

In February 2018, staff held a formal kick-off meeting with Grant Din, the lead author of the **Chinese American Experience in San Francisco Historic Context Statement**, and Architectural Resources Group, the project administrator to review the project schedule and milestones completed to date. In March 2018, staff selected a summer intern to work on the project. Also in March 2018, Mr. Din submitted a 50% draft of the study.

On March 3 and 4, 2018, staff participated in **SF History Days** at the Old Mint and highlighted a number of landmark designations identified and proposed through Central SoMa planning efforts.

On March 5, 2018, the Land Use and Transportation Committee (LUC) of the Board of Supervisors (BOS) recommended approval of landmark designation of **New Era Hall** (2117-2123 Market Street) to the full BOS. On March 13, 2018, the full BOS passed the ordinance on its first reading, and on March 20, 2018, finally passed the ordinance. The ordinance was signed by the Mayor on March 28, 2018.

On March 5, 2018, the LUC of the BOS forwarded the landmark designation legislation for the **Diamond Heights Safety Wall** (located at the intersection of Diamond Heights Boulevard at Clipper Street) to the full BOS without a recommendation. On March 13, 2018, the full BOS heard the item and referred it back to the LUC. On April 4, 2018, Department staff met with representatives of Supervisor Sheehy's office, San Francisco Public Works, and the community applicant to discuss landmark designation and maintenance of the property. Since landmark designation was recommended by the HPC, Public Works has added the property to its maintenance list and conducted a structural assessment of the sculpture. In addition, the Arts Commission has stated that the sculpture will be added to the City's public art collection. Landmark designation is still pending and we will continue to update the HPC on its progress as staff continues to work with other agencies, community stakeholders, and the BOS to come to a resolution.

On March 6, 2018, staff gave a presentation to the San Francisco Unified School District (SFUSD) Board of Education regarding pending landmark designation of three school district properties: **Theodore Roosevelt Middle School** (460 Arguello Boulevard), **George Washington High School** (600 32nd Avenue), and the former **Sunshine School** (2728 Bryant Street). The nominations are sponsored by San Francisco Heritage and were funded by the Historic Preservation Fund Committee; the designation reports were produced by consultants, Donna Graves and Chris VerPlanck. At this time, SFUSD is not supportive of designating the three properties as landmarks. Based on the HPC's recommendation transmitted to the BOS on December 20, 2017, the Department is working with the City Attorney's office to revise the ordinances in an attempt to address SFUSD's concerns.

On March 7, 2018, the HPC adopted a resolution to recommend Landmark Designation of the **Phillips Building** (236-246 1st Street) to the Board of Supervisors. The designation report was produced for the property owner by consultant Architectural Resources Group.

On March 21, 2018, the HPC adopted a resolution to initiate Article 10 Landmark Designation of three individual properties and one district as part of the Central SoMa Planning effort. These include: the **New Pullman Hotel** (228-248 Townsend Street), the **Pile Drivers, Bridge and Structural Ironworkers Local No. 77 Union Hall** (457 Bryant Street), the **Hotel Utah** (500-504 Fourth Street), and the **Clyde and Crooks Warehouse Historic District**.

During the reporting period, staff conducted research and drafted content for the **African American Historic Context Statement** in response to comments received from community stakeholders and the public.

LANDMARK DESIGNATIONS (in progress/initiated)

During the reporting quarter, one Landmark Designation was approved:

- **New Era Hall, 2117-2123 Market Street**, the HPC adopted a resolution on December 7, 2016 to initiate landmark designation and on April 19, 2017, adopted a resolution to recommend landmark designation to the Board of Supervisors (BOS). The designation was introduced to the BOS on September 5, 2017 and heard by the Land Use and Transportation Committee (LUC) of the BOS on March 5, 2018. The LUC recommended its approval to the full Board. On March 13, 2018, the full Board passed the ordinance on its first reading, and finally passed it on its second reading held March 20, 2018. The ordinance was signed by the Mayor on March 28, 2018.

Ten additional designations were in progress during the reporting quarter, including:

- **Peace Pagoda & Peace Plaza, 1610 Geary Boulevard**, the HPC adopted a resolution on June 21, 2017 to initiate landmark designation and on December 20, 2017 adopted a resolution to recommend designation to the BOS. The designation will be transmitted to the Clerk of the BOS pending coordination with the City Attorney as well as Supervisor Breed's office, Rec & Park, and community stakeholders to address outstanding concerns regarding the proposed landmark ordinance.
- **George Washington High School, 600 32nd Avenue**, the HPC adopted a resolution on October 18, 2017 to initiate landmark designation and on December 6, 2017 adopted a resolution to recommend landmark designation to the BOS. The designation was transmitted to the Clerk of the BOS on December 20, 2017.
- **Theodore Roosevelt Middle School, 460 Arguello Boulevard**, the HPC adopted a resolution on October 18, 2017 to initiate landmark designation and on December 6, 2017 adopted a resolution to recommend landmark designation to the BOS. The designation was transmitted to the Clerk of the BOS on December 20, 2017.
- **Sunshine School, 2728 Bryant Street**, the HPC adopted a resolution on October 18, 2017 to initiate landmark designation and on December 6, 2017 adopted a resolution to recommend landmark designation to the BOS. The designation was transmitted to the Clerk of the BOS on December 20, 2017.
- **Diamond Heights Safety Wall, wall at the intersection of Diamond Heights Boulevard at Clipper Street**, the HPC adopted a resolution on November 1, 2017 to initiate landmark designation and on December 20, 2017 adopted a resolution to recommend landmark designation to the BBOS. On March 5, 2018, the LUC heard the item and forwarded it on to the full BOS without a recommendation. On March 13, 2018, the full BOS heard the item and referred it back to the LUC.
- **Phillips Building, 236-246 1st Street**, the HPC adopted a resolution on December 6, 2017 to initiate landmark designation. On March 7, 2018, the HPC adopted a resolution to recommend landmark designation.
- **New Pullman Hotel, 228-248 Townsend Street**, the HPC adopted a resolution on March 21, 2018 to initiate landmark designation.
- **Pile Drivers, Bridge and Structural Ironworkers Local No. 77 Union Hall, 457 Bryant Street**, the HPC adopted a resolution on March 21, 2018 to initiate landmark designation.
- **Hotel Utah, 500-504 Fourth Street**, the HPC adopted a resolution on March 21, 2018 to initiate landmark designation.
- **Clyde and Crooks Warehouse Historic District**, the HPC adopted a resolution on March 21, 2018 to initiate landmark district designation.

Staff is **actively** working/engaged with property owners on 10 additional designations. The tentative hearing dates for nominations and Work Program-related projects are as follows: *(Please note that some dates may change due to Staff availability.)*

- **April 17, 2018 Landmark Initiation: Arthur H. Coleman Medical Center,** Community-sponsored Landmark Designation

- **TBD, Landmark Initiation: Kinmon Gakuen,** Department-produced Landmark Designation

GRANT ACTIVITIES

On November 10, 2015, the Department was awarded a grant from the National Park Service (NPS) for the **San Francisco Sites of Civil Rights Project**. Intended to study the theme of civil rights advancement in San Francisco and shed light on the stories of under-represented communities across the city, the two-year-long grant will allow staff to: prepare three National Register Nominations for properties with multi-racial and ethnic layers and associations: Glide Memorial Methodist Church, Japantown Young Women's Christian Association (YWCA), and the Gran Oriente Filipino Hotel, Residence, and Masonic Temple Complex. In addition, the project included the identification of sites associated with civil rights advances and struggles in San Francisco that were added to the Landmark Designation Work Program in 2016. The last component of the grant project involves the creation of an evaluative framework for sites associated with cultural heritage, which was developed by staff working with student interns hired through the grant. During the reporting period, staff received comments from the NPS on the 100% drafts of the three National Register nominations.

On August 29, 2017, the Planning Department was awarded a 2017-2018 Certified Local Government (CLG) Grant from the California Office of Historic Preservation for the production of a **Chinese American Experience in San Francisco Historic Context Statement**. The Chinese American Experience in San Francisco Historic Context Statement (Chinese American context) will address two critical historic preservation needs: 1) several previous efforts to document the Chinatown community in San Francisco have been successful; however, are not comprehensive and do not take into account contributions on a citywide scale, 2) there is currently no framework for evaluating the contributions, traditions, and practices of the Chinese-American Community reflected in the built environment. In preparation for the Citywide Historic Resources Survey, the framework developed through the context statement will allow for the identification of eligible properties in fulfillment of the City's preservation goals and objectives. The Chinese American Historical Society will serve as a community partner for the project and Architectural Resources Group will serve as project administrator. In February 2018, staff held a formal kick-off meeting with Grant Din, the lead author of the **Chinese American Experience in San Francisco Historic Context Statement**, and Architectural Resources Group, the project administrator to review the project schedule and milestones completed to date. In March 2018, staff selected a summer intern to work on the project. Also in March 2018, Mr. Din submitted a 50% draft of the study.

HISTORIC PRESERVATION FUND COMMITTEE PROJECTS

Department Staff continue to work on the following Historic Preservation Fund Committee-funded, consultant-produced reports:

- **African American Historic Context Statement** (*The item was posted to the website on January 6, 2016 and was expected to come before the HPC for adoption on February 17, 2016, the item was heard on March 16, 2016 and continued to October 2016, February 2017, August 16, 2017, and December 6, 2017. On December 6, 2017 the item was continued indefinitely to allow staff to complete edits to the report and re-publish and distribute the revised document. Staff is currently making edits to the document in response to public comments received. Once the draft has been revised and re-distributed, staff will come back to the HPC for possible adoption.*)
- **Sacred Heart Parish Complex Landmark Designation Report** (*The HPC initiated designation on October 5, 2016. The HPC granted continuances for recommendation on May 17, 2017, July 19, 2017 and October 18, 2017 at the request of the property owners. The item was continued indefinitely at the HPC's March 21, 2018 hearing and will come before the commission at a later date.*)
- **Residence Parks Historic Context Statement** (*Staff has completed its review of the final draft from the HPFC. At the request of the Department, Project sponsors conducted a community meeting in early August. It will come to the HPC at a future date yet to be determined.*)
- **Ocean Avenue Historic Resource Survey** (*The HPFC has provided funding for a consultant to complete the survey. On December 19, 2017 the Department received documentation for an Ocean Avenue Historic District from the consultant team and provided comments within the reporting quarter.*)
- **New Deal Era Historic Context Statement** (*On December 6, 2017, the HPC adopted resolutions recommending to the Board of Supervisors landmark designation of the three landmark designations associated with the project. Project consultants continue to work on the historic context statement which will come before the HPC at a future date.*)
- **San Francisco Latino Historic Context Statement** (*The project sponsor expects to submit a draft to the HPFC and Department in 2018.*)

OTHER LANDMARK DESIGNATION WORK PROGRAM ITEMS

Plaque Program. The Department received 39 applications for a historic landmark plaque. During the first phase of this pilot program, 25 individual landmark property owners will receive plaques. The remaining applicants have been placed on a waiting list to receive a plaque in the future as funding allows.

The Administrative Certificate of Appropriateness for James Lick Baths/People's Laundry, Landmark No. 246 was approved by the Department on January 5, 2018.

PERFORMANCE MEASURES

This report also includes recently adopted performance measures to track Article 10 Landmark designations and Article 11 Changes of Designation. The goal of the following performance measures, along with other process-based improvements, is to present a clearer picture of the Department's work on the HPC's Landmark Designation Work Program.

A Performance Measures Report is not attached to this document. Due to the transition to the Department's new PPTS project tracking system, an accurate report could not be created. Past data cannot be accounted for, but Survey Team staff continues to work with the Finance team to develop a method for tracking this information for the current quarter.

1. Prepare and process individual Article 10 Landmark designations (from report to case closure) within staff 150 hours.

When this measure was established, the previous five individual Article 10 designations (Nos. 261-266) were within a range of 114 to 200 hours from the preparation of the report to the final Board of Supervisors hearing. While each designation is unique, Department preservation staff has set a goal to complete the average individual designation within 150 hours.

Staff time for the most recent 6 designations was:

- 223 hours for New Era Hall, Landmark No. 277
- 60.25 hours for Gaughran House, Landmark No. 276, (*consultant produced*)
- 99.75 hours for Third Baptist Church Complex, Landmark No. 275
- 76.75 hours for El Rey Theater, Landmark No. 274 (*consultant produced*)
- 37 hours for the V.C. Morris Gift Shop, Landmark No. 72, (*amendment to existing designation*)
- 105 hours for Ingleside Presbyterian Church and *The Great Cloud of Witnesses*, Landmark No. 273

2. Prepare an Article 10/11 designation application outlining designation requirements, process, and fees by the end of the 2014 calendar year.

At the February 18, 2015 hearing, the HPC approved the Article 10/11 Designation Application. The application was uploaded to the Planning Department's website on April 6, 2015.

3. Provide comments to the applicant regarding the application's completeness and/or schedule HPC initiation hearings for all community/property-owner sponsored Landmark Designation Reports within 30 calendar days of receipt.

The Department will track performance and response time with owners and community members that submit nominations outside of the HPC's Work Program. The goal is to provide the HPC and the public with a timely response regarding requests for nomination submitted by the public. Tracking information will be included in the Performance Measures Report.

Two applications will be brought to the HPC once completed:

- **449 Fourteenth Street, Former Welsh Presbyterian Church** (received March 1, 2017, staff is awaiting final draft from sponsor)
- **524 Union Street, Paper Doll** (staff is awaiting final draft from sponsor)

4. **Submit and present a Landmark Designation Work Program status report to the HPC every three months.**

The next quarterly report will be presented to the HPC at its July 18, 2018 hearing.

LANDMARK DESIGNATION PROCESS

In order to provide the HPC and the public with a better understanding of the steps involved in landmark designation, the Department has developed a brief outline of the notification, hearings, and follow-up processes. Writing or reviewing a Landmark Designation Report is the first step in an expended process that involves multiple hearings and continuous property owner and stakeholder engagement, including:

1. Research and write Landmark Designation Report
2. Engage and notify property owner, tenants, district Supervisor, and other stakeholders
3. Write a Case Report and Resolution for HPC Initiation Hearing (Hearing #1)
 - a. Department presentation
4. Coordinate with the City Attorney to produce the legislative ordinance
5. Write a Memo and Resolution for HPC Recommendation Hearing (Hearing #2)
 - a. Department presentation
6. Produce required notification materials and newspaper ad per Planning Code Section 1004.2
7. Prepare submittal of materials to the Clerk of the Board of Supervisors
8. Introduce at Board of Supervisors (Hearing #3)
9. Brief Supervisors and coordinate with Department's legislative liaison
10. Prepare materials for Board of Supervisors' Land Use Committee (Hearing #4)
 - a. Department presentation
11. First Read at Board of Supervisors (Hearing #5)
 - a. Department attends, available for questions
12. Second Read at Board of Supervisors (Hearing #6)
 - a. Department attends on a case-by-case basis
13. Mayoral signing (occasionally involves a signing ceremony)
14. Press release, website and Property Information Map updates
15. Prepare Notice of Special Restriction and file at the Assessor/Recorder's office
16. Formally notify the property owner and Office of Historic Preservation
17. Close case.

Constructed in 1960, the Arthur H. Coleman Medical Center was established by Dr. Arthur H. Coleman, a local African American community leader and health pioneer who had a vision of providing wraparound care for black residents by black practitioners. Dr. Coleman was the first African American physician and one of the last privately practicing family doctors in Bayview-Hunters Point, faithfully serving the community for 54 years. By the time the center opened in 1960, Coleman had recruited nine African American physicians, including the neighborhood's first full-time dentist, to provide a range of healthcare services.

Gran Oriente Filipino Masonic Lodge, Temple, and Hotel

95 Jack London Alley

45-49 South Park

104-106 South Park

National Register Nomination/Article 10 Landmark Nomination

(also identified-eligible as Article 11 – Category III under Central SoMa)

Staff: Shannon Ferguson, Consultants: ARG

Significance:

Gran Oriente was founded in the 1920s to provide low-income housing to the Filipino community. By the 1930s, the lodge was the most prominent Filipino fraternal organization. After Japanese immigration was stalled in the 1930s due to the Anti-Immigration Act, members of the Gran Oriente Lodge pooled their resources to purchase a hotel (104-106 South Park) and later two more residential buildings (41-43 South Park and 45-49 South Park). In 1951, the Lodge constructed the Gran Oriente Filipino Masonic Temple (95 Jack London Alley). The three properties represent the earliest properties owned by a Filipino organization in the city.

Glide Memorial Church

330 Ellis Street
 District 6

National Register Nomination/Article 10 Landmark Nomination

Staff: Frances McMillan, Consultants: ARG and Shayne Watson

Significance:

The church is significant as an intercultural house of worship that opened its doors to the LGBTQ community under the leadership of Reverend Cecil Williams and his wife Janice Mirikitani. Both have been advocates for civil rights and community outreach and for over forty years, Glide has been a community institution: providing space for the Black Panthers, supporting student activists at SFSU, and co-founding the Council of Religion and the Homosexual along with many other outreach efforts.

Japantown YWCA

1830 Sutter Street
District 5

Architect: Julia Morgan

National Register Nomination/Article 10 Landmark Nomination

Staff: Desiree Smith, Consultants: ARG and Donna Graves

Significance:

Constructed in 1932, the Japantown YWCA was established by and for Japanese-American women, who were barred by segregationist policies from other YMCA facilities. Alien Land Laws prevented *Issei* (first generation) women from owning property, the SF YWCA owned the property in trust for the *Nikkei* (second generation). The community's efforts to maintain control of the YWCA showcased the ongoing social and economic vulnerability of Japantown and spurred a new generation of *Nihonmachi* (Japantown) activism. The property is now the home of Nihonmachi Little Friends school.

Haight-Ashbury Landmark District

(Roughly Haight Street from Stanyan Street to Buena Vista Park)
District 5

Article 10 Landmark District Designation

Staff: Frances McMillen, Desiree Smith, Partner: SF Heritage, Consultant: Donna Graves

Significance:

Significant for its association with the events of counter-culture movement - when this area of San Francisco served as the nation's epicenter for "hippies" their anti-establishment lifestyle that included psychedelic drugs, rock music, free love, and an anti-war ethos. Defined by the Summer of Love in 1967, the period of significance for social associations could span through the 1960s and 70s. Architectural significance, due to the high concentration of intact Victorian-era architecture, begins with the original construction (c. 1880s) spanning through the 1970s to include many extant counter-culture-era alterations to the district.

Site of the Compton's Cafeteria Uprising

101 Taylor Street

Currently a contributor to the Upper Tenderloin National Register Historic District

Article 10 Landmark Designation

Staff: Frances McMillen

Significance

Significant as the site of the Compton's Cafeteria uprising, the first major organized uprising that gained national attention for issues of police harassment against the transgender community. During a period when cross-dressing was illegal, the Tenderloin was considered a relatively safe space for transgender women, who often turned to prostitution for income. One night in August 1966, when Compton's management called the police, the community retaliated. The event is one of the most formative events in the early, pre-Stonewall, movement for LGBTQ rights.

National Urban League, SF Chapter Headquarters

2015 Steiner Street

Article 10 Landmark Designation

Staff: TBD

<i>Significance:</i>	The National Urban League is a national organization that began in the 1910s in order to serve blacks who were leaving the south and heading north in search of jobs, housing, and better lives as part of the Great Migration. Though San Francisco did not get its own chapter until the 1940s (LA had the first West Coast one in the 1920s), the founding does correlate to the influx of southern-born African Americans into the city as part of the Wartime manufacturing and shipbuilding efforts.

Site of the Mel's Diner Sit-Ins

3355 Geary Boulevard

Article 10 Landmark Designation

Staff: TBD

Significance:

In 1963, members of the Ad Hoc Committee, Congress for Racial Equality, and the DuBois Club staged sit-ins here to protest discriminatory hiring against blacks at the popular chain. After receiving several weeks of bad publicity, the sit-ins and pickets forced the owner, Harold Dobbs to hire more blacks in higher-paid, non-menial positions. The sit in was part of a larger chain of such activism that took place across the city at this time.
