Section 2. The San Francisco Administrative Code is hereby amended by amending Section 10E.2, to read as follows:

SEC. 10E.2. EASTERN NEIGHBORHOODS AREA PLANS MONITORING PROGRAM.

(a) FINDINGS.
(1) The Board of Supervisors and the Planning Commission have adopted the Eastern Neighborhoods Area Plans as part of the General Plan of the City and County of San Francisco as further described in Ordinance Nos. 297-08, 298-08, 299-08, and copies of which are on file with the Clerk of the Board of Supervisors in File Nos. 081152, 081153, 081154, and 130001, and are incorporated herein by reference. (2) The Eastern Neighborhoods Area Plans introduce innovative policies and land use controls to achieve the Plan goals. Successful realization of the Plan's goals requires a coordinated implementation of land use controls, community and public service delivery, key policies, and community infrastructure improvements.

(3) The Eastern Neighborhoods Area Plans also establish general public improvements and amenities needed to meet the needs of both existing residents, as well as those needs generated by new development, and identified in the Eastern Neighborhoods Needs Assessment and Western SoMa Needs Assessment. A copy of these documents are on file with the Clerk of the Board of Supervisors in File No. 081155 and and is incorporated herein by reference.

This monitoring program shall provide basic statistics on development activity, housing construction, and infrastructure improvements in the Eastern Neighborhoods Plan Areas, and shall evaluate the effectiveness of the Plans' implementation according to growth in the Plan Areas.

(6) The purpose of this Monitoring Program shall be to provide rigorous monitoring and review of the effectiveness of the Eastern Neighborhoods Area Plans, to ensure rational growth in these neighborhoods, and to ensure implementation of improvements to accompany this growth. (B) Office of Controller Assessment. Within 60 days of receiving the Eastern Neighborhoods Capital Expenditure Evaluation Report, the Controller shall assess whether funds collected from the Eastern Neighborhoods Impact Fee are being effectively utilized for capital projects included on the Eastern Neighborhoods Priority Capital Project List, and whether such projects are successfully advancing towards implementation. For the purposes of this section, "effectively utilized" shall mean approximately eighty percent of total Eastern Neighborhoods impact fees collected in each Improvement Type category (as identified in Tables 423.5 and 423.5A) upon issuance of the Eastern Neighborhoods Capital Expenditure Evaluation Report have been allocated to one or more of the projects identified in the Eastern Neighborhoods Priority Capital Projects list, whether or not such projects have been approved or completed, or that all projects in that Improvement Type category have been funded. On or after the ten-year anniversary of Plan Adoption the Controller shall also consider whether projects that were initially funded by the issuance of the five year report, or any subsequent updated or revised report, have been fully funded and/or completed,
assuming sufficient funds are available from the Eastern Neighborhoods impact fees collected
to date.

(C) **Inclusion in Annual Capital Plan.** Each year the Planning Department
shall submit for inclusion into the City and County of San Francisco Proposed Capital Plan for
the current fiscal year, in accordance with Sections 3.20 et seq., a schedule of capital

costs and the proposed timeline for implementation.

(2) Upon successful registration of a new Integrated PDR business, OEWD
will provide each individual Integrated PDR business registrant with a dated receipt
acknowledging that the subject Integrated PDR business has newly registered or updated
their existing registration with OEWD. This receipt shall be referred to as an "Integrated PDR
Registration Record" for purposes of this Section and Planning Code Section 328. If an
Integrated PDR business failed to register for an Integrated PDR Registration Record as of
December 31st of the subject year, the OEWD is prohibited from issuing a receipt for that
year.
(3) It is the responsibility of the owner of any property subject to an Integrated PDR NSR recorded pursuant to Planning Code Sections 328 to collect and retain copies of any Integrated PDR Registration Records obtained by any tenant or occupant in a property subject to this Section.

(4) Property owners who cannot provide sufficient evidence in the form of Integrated PDR Registration Records to demonstrate to the Planning Department that current and former occupants of any Integrated PDR space have satisfied the initial registration and annual reporting requirements outlined in this Section will not be eligible for any waivers or reductions of Outstanding Discount-Program Fees as set forth in Planning Code Section 328.

(5) OEWD, or its successor, shall make available summary reports of any and all Integrated PDR business data collected pursuant to this program at the request of the Planning Department staff or the Planning Commission, as necessary for their enforcement of any provisions of the Planning Code or for general information.

(6) OEWD, or its successor, shall provide a 5-year summary report on the status of employment of disadvantaged workers, as defined in Planning Code Section 328(b)(2) and the profile of all businesses registered under this program within 6 months of the 5-year anniversary of the adoption of this Section. Supervisor Kim
BOARD OF SUPERVISORS
Supervisors shall have appointed all members to the CAC. The CAC shall be the central community advisory body charged with providing input to City agencies and decision makers with regard to all activities related to implementation of the Eastern Neighborhoods Area Plans. The CAC is established for the purposes of providing input on the prioritization of Public Benefits, updating the Public Benefits program, relaying information to community members in each of the four neighborhoods regarding the status of development proposals in the Eastern Neighborhoods, and providing input to Plan Area monitoring efforts as appropriate. The CAC shall be advisory, as appropriate, to the Planning Department, the Interagency Planning & Implementation Committee (IPIC), the Planning Commission and the Board of Supervisors. The CAC may perform the following functions as needed:

(A) Collaborate with the Planning Department and the Interagency Plan Implementation Committee on prioritizing the community improvement projects and identifying implementation details as part of annual expenditure program that is adopted by the Board of Supervisors;

(B) Provide an advisory role in a report-back process from the Planning Department on enforcement of individual projects' compliance with the Area Plans standards and on specific conditions of project approvals so that those agreements will be more effectively implemented;

(C) Collaborate with the Planning Department and relevant city agencies in the monitoring of the Plans' implementation program at approximately every fifth year, in coordination with the Monitoring Program required by the Administrative Code Section 10.E; and provide input to Plan Area monitoring efforts for required time-series reporting.

(2) Representation and Appointments.

(A) The CAC shall consist 19 members representing the diversity of the Eastern Neighborhoods; key stakeholders, including resident renters, resident homeowners,
low-income residents, local merchants, established neighborhood groups within the Plan
Area; and other groups identified through refinement of the CAC process. The 19 members of
the CAC shall be comprised of 15 voting members and 4 non-voting members as set forth below.

(B) All members shall live, work, own property or own a business in the
Eastern Neighborhoods Plan Area they are appointed to represent. For purposes of this
Subsection, the Eastern Neighborhoods Plan Area also shall include the Western SoMa Planning Area
Special Use District as set forth in Planning Code Section 8:23.

(C) The Board of Supervisors shall appoint a total of eleven nine members to
the CAC, with two members representing each of the four Eastern Neighborhoods Plan Areas. Based
on this representational requirement and the Supervisorial District boundaries, the District 6 and
10 Supervisors shall nominate 4 four CAC members, the District 6 and District 9 Supervisors
shall nominate two CAC members, and the District 8 Supervisor shall nominate one CAC
member. The appointment of each of the Board’s CAC nominees shall be confirmed by the
full Board of Supervisors.

(D) The Mayor shall appoint a total of eight six members, with one voting
member representing each of the five four neighborhoods, and three two voting at-large
members. In addition, the Mayor shall appoint two non-voting at-large members.

(E) Members shall serve for two-year terms, but those terms shall be
staggered such that, of the initial membership, some members will be randomly selected to
serve four year terms and some will serve two year terms.

(E) The Western SoMa Planning Area Task Force shall appoint two non-voting
members representing the Western SoMa Planning Area Special Use District. Should the Task Force be
terminated or otherwise stop meeting for a period of 6 months or more, the Board President shall
appoint the members representing the Western SoMa Planning Area Special Use District. In either
case, these CAC members shall be confirmed by the full Board of Supervisors.
At the first official meeting of the CAC, which shall not occur until at least 13 voting members of the CAC have been appointed by the respective appointment process, a lottery shall be conducted in order to randomly select four Board of Supervisors appointees and two Mayoral appointees to serve four-year terms. At a subsequent meeting, when the final two voting members of the CAC have been appointed by the respective appointment process, a lottery shall be conducted in order to randomly select which member shall serve a four-year term. At a subsequent meeting, when the four non-voting members of the CAC have been appointed by the respective appointment process, a lottery shall be conducted in order to randomly select one Western SoMa Planning Area Special-Use-District member and one Mayoral appointee to serve a four-year term. The terms of the final two voting members and all non-voting members shall be deemed to start on the date of the first official meeting of the CAC.

The Board of Supervisors and Mayor, or Western SoMa Planning Area Task Force may renew a member's term by repeating the respective appointment process.

If the Board of Supervisors approves legislation to establish an area-specific impact fee for all or a portion of the Western SoMa Planning Area Special-Use-District and the fee is integrated into the Eastern Neighborhoods Impact Fee, the four non-voting members of the CAC shall automatically become voting members on the effective date of said legislation.

Committees or Working Groups of the CAC: According to procedures set forth in bylaws adopted by the CAC, the CAC may, at its discretion create subcommittees or working groups based around geographic areas or functional issues. Each of these subcommittees or working groups shall contain at least one CAC member who is eligible to vote, but may also be comprised of individuals who are not members of the CAC. If a non-voting member of the CAC serves on a subcommittee or working group that individual may act as a voting member of the subcommittee or working group.
(4) Staffing for Eastern Neighborhoods Citizens Advisory Committee: The Planning Department or Interagency Plan Implementation Committee shall designate necessary staffing from relevant agencies to the CAC, as needed to complete the responsibilities and functions of the CAC described in this code. To the extent permitted by law, staffing and administrative costs for the CAC shall be funded through the Eastern Neighborhoods Public Benefits Fund. Staff shall participate in the Interagency Planning and Implementation Committee as set forth in Administrative Code Section 36.

(5) The Eastern Neighborhoods CAC will automatically terminate on December 31, 2020, unless the Board of Supervisors extends the CAC's term by Ordinance.

Section 3. Effective Date. This ordinance shall become effective 30 days from the date of passage.

Section 4. This section is uncodified. In enacting this Ordinance, the Board intends to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation, charts, diagrams, or any other constituent part of the Administrative Code that are explicitly shown in this legislation as additions, deletions, Board amendment additions, and Board amendment deletions in accordance with the "Note" that appears under the official title of the legislation.
